The Story of Fester Cat Paul Magrs,2014 I always knew that the rest of my story is gonna be a good one. I don't know how I knew that, but I always did. Ungow! I am Fester the cat. Welcome to my book, everyone! From when he first ambled into Paul Magrs's yard--skinny, covered in flea bites, and missing all but one and a half teeth--Fester knew he'd found his family. Paul and his partner, Jeremy, thought it was the ragged black-and-white stray, tired from a rough life on the streets, who was in desperate need of support. But clever Fester knew better. He understood that it was his newfound owners who needed the help. Over the course of seven years, the feisty feline turned the quaint Manchester house into a loving home. Through his fierce spirit, strong will, and calming energy, Fester taught Paul and Jeremy how to listen and breathe, how to appreciate the joys of simply sitting and singing (what Fester's purrs sounded like to his silly humans), and how to find joy and contentment in life, even when dealing with hardship. This is the true story of an extraordinary little cat whose gentle charm and trusting soul turned two young men into a family.

Between Two Worlds: The Account of a Jet-Setting Vagrant Leo Anthony,

My Father, The Panda Killer Jamie Jo Hoang,2023-08-29 A poignant coming-of-age story told in two alternating voices: a California teenager railing against the Vietnamese culture, juxtaposed with her father as an eleven-year-old boat person on a harrowing and traumatic refugee journey from Vietnam to the United States. San Jose, 1999. Jane knows her Vietnamese dad can't control his temper. Lost in a stupid daydream, she forgot to pick up her seven-year-old brother, Paul, from school. Inside their home, she hands her dad the stick he hits her with. This is how it's always been. She deserves this. Not because she forgot to pick up Paul, but because at the end of the summer she's going to leave him when she goes away to college. As Paul retreats inward, Jane realizes she must explain where their dad's anger comes from. The problem is, she doesn't quite understand it herself. Đà Nẵng, 1975. Phúc (pronounced /fo'ok/, rhymes with duke) is eleven the first time his mother walks him through a field of mines he's always been warned never to enter. Guided by cracks of moonlight, Phúc moves past fallen airplanes and battle debris to a refugee boat. But before the sun even has a chance to rise, more than half the people aboard will perish. This is only the beginning of Phúc's perilous journey across the Pacific, which will be fraught with Thai pirates, an unrelenting ocean, starvation, hallucination, and the unfortunate murder of a panda. Told in the alternating voices of Jane and Phúc, *My Father, The Panda Killer* is an unflinching story about war and its impact across multiple generations, and how one American teenager forges a path toward accepting her heritage and herself.

The Panda, the Cat and the Dreadful Teddy: A Parody Paul Magrs,2021-09-30 The surely soon-to-be million-copy bestselling sort-of inspirational parody..

The Book of Basketball Bill Simmons,2010-12-07 NEW YORK TIMES BESTSELLER • The NBA according to The Sports Guy—now updated with fresh takes on LeBron, the Celtics, and more! Foreword by Malcom Gladwell • “The work of a true fan . . . it might just represent the next phase of sports commentary.”—The Atlantic Bill Simmons, the wildly opinionated and thoroughly entertaining basketball addict known to millions as ESPN's The Sports Guy, has written the definitive book on the past, present, and future of the NBA. From the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time, Simmons opens—and then closes, once and for all—every major pro basketball debate. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons's one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted thing: The Secret of Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), *The Book of Basketball* offers every hardwood fan a courtside seat beside the game's finest, funniest, and fiercest chronicler.

West End Women Maggie Barbara Gale,1996 Maggie Gale's *West End Women* uncovers groundbreaking material about women playwrights and the staging of their performances between the years 1918 and 1962, analysing the transformations that occurred in the theatre and in the lives of British women.

***** AGE IS JUST A NUMBER, RIGHT? Sara's mother told her that she shouldn't marry Conrad - that the twenty-five-year age gap between them would tell in the end. The end is now (apparently) approaching fast. Conrad, a famous painter, has decided that it would be good to die before he gets seriously old and so spends his time sorting out his chaotic life. Sara, teaching art at a local college, finds that she has plenty of male company - other people's husbands, ones she tells Conrad all about, who are just good friends to her. But there's one she, somehow, doesn't get round to mentioning...

Two Miles to Tynecastle Andrew-Henry Bowie,2011-07-19 Andrew-Henry Bowie is a passionate Heart of Midlothian Football Club supporter. He doggedly survived a tough childhood and found solace - sort of - in his overwhelming love of football. The author engages the reader with an energetic and animated account of his years as a Hearts fan and his early years growing up as an Edinburgh 'schemie'. Written with verve and a dry sense of humour Bowie entertains with recollections of a series of calamitous episodes; ironically these seemed to reflect the Hearts' ups and downs! The book is scattered with familiar references to the 80s and 90s; for anyone growing up during this period, this book will stir poignant memories.

Repair Revolution John Wackman,Elizabeth Knight,2020-10-27 Every year, millions of people throw away countless items because they don't know how to fix them. Some products are manufactured in a way that makes it hard, if not impossible, for people to repair them themselves. This throwaway lifestyle depletes Earth's resources and adds to overflowing landfills. Now there's a better way. Repair Revolution chronicles the rise of Repair Cafes, Fixit Clinics, and other volunteer-run organizations devoted to helping consumers repair their beloved but broken items for free. Repair Revolution explores the philosophy and wisdom of repairing, as well as the Right to Repair movement. It provides inspiration and instructions for starting, staffing, and sustaining your own repair events. Fixperts share their favorite online repair resources, as well as tips and step-by-step instructions for how to make your own repairs. Ultimately, Repair Revolution is about more than fixing material objects: in an age of over-consumption and planned obsolescence, do-it-yourself repair is a way of caring for our lives, our communities, and our planet.

The Fighter Craig Davidson,2007 Paul Harris leads a sheltered life. The son of a wealthy southern Ontario winery owner, his suits and cars are paid for, his career in the family business assured. Rob Tully, a working class teenager from upstate New York, is a born boxer. He trains with his father and uncle but struggles with the weight of their expectations. Their disparate paths lead to The Barn, an underground bare-knuckle fight venue where vicious and hopeless men brawl for cold hard cash.

Beloved Heart-Child Bianca Batanas,2021-04-28 Little Paul is someone very special. He is the only one out of all the panda bears that has a reas heart on his face. Because of this, his mother affectionately calls him a little heart child. He does like himself just the way he is, but he would prefer to be just like everyone else. Together with his friends, Paul learns that everyone is unique in their own way. He listens to his gut feelings and stays true to himself. I am allowed to make mistakes. These positive beliefs are brought to life in five short stories through Paul and his friends. The book helps children to believe in themselves and love themselves.
