Mark Hatmaker

**Love Tap** M. N. Forgy, 2016-07-03 All I ever wanted was to be a female fighter. It was in my blood to smack people around. Some girls wore pink dresses and makeup, I wore sneakers and bruises. I was a loner, stuck to myself because I was different, until Camden Steel moved next door. I punched him in the mouth, and he saw me through rose colored glasses from that day on. I had everything I ever wanted. The boy next door, inspiring career... until I didn't. He hates me. I deserve that. They say you have to fight for what you want... What they don't tell you... is it'll cost you more than you're willing to give to reach the top.

Tap Out T. M. Kelly, 2019-04-03 A full-length STANDALONE romantic suspense. My father tried to break me. He almost made

me believe I was weak, so I walked away from everything in my life. Being alone was safe. Until him. Brooks Moore. Champion MMA fighter-and the man determined to train me to be indestructible. When I saw him fighting in the ring with his sexy abs and powerful kicks, I never expected he would be the only man in my life who could knock down my perfectly placed walls. I never planned to fall for him. But then my father reappears, and he's not here to celebrate my achievements as an MMA fighter. Tapping out is not an option. It's time to take back what's mine.

### **Striking, Grappling, and Ground Fighting** Jim

Whiting, 2009-07 Explore the sport of MMA a world full of strikes, takedowns, and submission holds. Find out what it takes to be an MMA fighter and how fighters use these moves to defeat their toughest opponents.

**The Fighter** Craig Davidson, 2007 Paul Harris leads a sheltered life. The son of a wealthy southern Ontario winery owner, his suits and cars are paid for, his career in the family business assured. But after a vicious beating shakes his world, he descends into the realm of hardcore bodybuilders and boxing gyms, reveling in suffering and seeking to become a real man. Rob Tully, a working class teenager from upstate New York, is a born boxer. He trains with his father and uncle but struggles with the weight of their expectations. Their disparate paths lead to The Barn, an underground bare-knuckle fight venue where vicious and hopeless men brawl for cold hard cash.

### *Ultimate Fighting and Embodiment* Dale C.

Spencer, 2013-06-19 Mixed martial arts (MMA) is an emergent sport where competitors in a ring or cage utilize strikes (punches, kicks, elbows and knees) as well as submission techniques to defeat opponents. This book explores the carnal experience of fighting through a sensory ethnography of MMA, and how it transgresses the cultural scripts of masculinity in popular culture. Based on four years of participant observation in a local MMA

club and in-depth interviews with amateur and professional MMA fighters, Spencer documents fighters' training regimes and the meanings they attach to participation in the sport. Drawing from the philosophical phenomenology of Martin Heidegger, Maurice Merleau-Ponty and Jean-Luc Nancy, this book develops bodies-centered ontological and epistemological grounding for this study. Guided by such a position, it places bodies at the center of analysis of MMA and elucidates the embodied experience of pain and injury, and the sense and rhythms of fighting.

Tap Out Michele Mannon, 2014-04-14 Book two of Worth the Fight Late-night shock jock Sophie Morelle has been fired, dumped by her network after an embarrassing incident cost them big bucks. But she knows just how to get back on her feet—by filming a raw, gritty documentary about MMA fighters, starring the hottest welterweight around. The only problem? He's the one responsible for ruining her life. MMA-champion-turned-model Caden Kelly is hell-bent on reestablishing himself as the best fighter in the country. He'd been on a roll, too, until that loudmouth reporter hit him in the head with a camera on national TV. The headaches he's suffered since are nothing compared to the one he gets when she shows up, seeking an exclusive. That Sophie's gorgeous is undeniable...but she's also the most infuriating woman he's ever met. Stepping into the ring with Caden Kelly is not for the faint of heart, but Sophie's never been the delicate type. This champion may have finally met his match—both in and out of the bedroom. Don't miss Knock Out, available now!

**Fight Write** Carla Hoch, 2019-06-11 Whether a side-street skirmish or an all-out war, fight scenes bring action to the pages of every kind of fiction. But a poorly done or unbelievable fight scene can ruin a great book in an instant. In *Fight Write* you'll learn practical tips, terminology, and the science behind crafting realistic fight scenes for your fiction. Broken up into Rounds, trained fighter and writer Carla Hoch guides you through the many factors you'll need to consider when developing battles and brawls. • In Round 1, you will consider how the Who, When, Where, and Why questions affect what type of fight scene you want to craft. • Round 2 delves into the human factors of biology (think fight or flight and adrenaline) and psychology (aggression and response to injuring or killing another person). • Round 3 explores different fighting styles that are appropriate for different situations: What really happens in fights on the street? What is the vocabulary used to describe these styles? • Round 4 considers weaponry and will guide you to select the best weapon for your characters, including nontraditional weapons of opportunity, while also thinking about the nitty-gritty details of using them. • In Round 5, you'll learn how to accurately describe realistic injuries sustained from the fights and certain weapons, and what kind of injuries will kill a character or render them unable to fight further. By taking into account where your character is in the world, when in history the fight is happening, what the character's motivation for fighting is, and much more, you'll be able to write fight scenes unique to your plot and characters, all while satisfying your reader's discerning eye.
