The drought—or the Tap-Out, as everyone calls it—has been going on for a while now. And when her parents don’t return and her life—and the life of her brother—is threatened, Alyssa has to make impossible choices if she’s going to survive.

This guide is packed with hundreds of armlocks, chokes and leglocks that you can use to make any opponent tap out. This book offers hardcore, serious, practical instruction on submitting an opponent in a wide variety of grappling and fighting situations. The book is divided into 3 massive sections: SECTION ONE: ARMLOCKS -- This section features the four primary armlocks including the cross-body armlock, the bent armlock, the armpit lock and the straight armlock. In some cases, shoulder joint locks are also shown when relevant to an armlock. There are many breakdowns, set ups, variations, combination techniques and applications of armlocks in this section. SECTION TWO: CHOKES & STRANGLES -- This section emphasises strangles and chokes aimed directed against the carotid arteries on the sides of the neck as well as against the trachea (windpipe) and front of the check and throat. In some cases, neck cranks and shoulder locks are also shown when relevant to a choking technique. A wide variety of ways to break down an opponent, roll an opponent into a choke, flatten out an opponent for a choke or apply chokes from a variety of positions. SECTION THREE: LEGLOCKS -- This section includes all submission techniques directed toward the lower body, including the ankles, knees, legs and hips. A large number of toeholds and ankle locks are featured. Both straight and bent knee leglocks are shown in this section as well.

Tap Out Michele Mannon,2014-04-14 Book two of Worth the Fight Late-night shock jock Sophie Morelle has been fired, dumped by her network after an embarrassing incident cost them big bucks. But she knows just how to get back on her feet—by filming a raw, gritty documentary about MMA fighters, starring the hottest welterweight around. The only problem? He's the one responsible for ruining her life. MMA-champion-turned-model Caden Kelly is hell-bent on reestablishing himself as the best fighter in the country. He'd been on a roll, too, until that loudmouth reporter hit him in the head with a camera on national TV. The headaches he's suffered since are nothing compared to the one he gets when she shows up, seeking an exclusive. That Sophie's gorgeous is undeniable...but she's also the most infuriating woman he's ever met. Stepping into the ring with Caden Kelly is not for the faint of heart, but Sophie's never been the delicate type. This champion may have finally met his match—both in and out of the bedroom. Don't miss Knock Out, available now!

Inside the Ring Tiffany VanDeMark,2018-10-19 Tiffany is on a mission to empower women's voices by sharing her own deeply personal story of struggling to survive a turbulent celebrity marriage and finding the courage to take control of her life. They were a dream team. Superstar WWE wrestler Ric Flair was the flamboyant athlete and showman. Stunning, statuesque, and half his age, Tiffany VanDeMark was the determined and no-nonsense fitness coach who eventually became his wife. But while admirers saw a match made in heaven, the reality was more like one of Ric's matches in the wrestling ring-dramatic, violent, and scripted to ensure he would always gain the upper hand. This new memoir takes you behind the closed doors of their larger-than-life celebrity marriage to reveal the pain and heartache behind the media hype and lavish lifestyle of one of the WWE's greatest champions. Recounting both their darkest hours and interludes of happiness, Tiffany traces how her childhood traumas and those of adopted child Richard Morgan Fliehr inevitably drew them to each other and ultimately proved their undoing. Tiffany's raw and honest narrative gives us a ringside seat through her ten-year journey from hard-nosed trainer to loving partner to battered survivor. She shares the intimate and inspiring story of walking back the abusive pattern to its origins in her childhood-inner work that gave her the faith and courage to end the cycle of abuse, reclaim her personal power and step out of the ring forever.

Get back home to New York ASAP. Sadly, they won't be getting there anytime soon. Their hopes are dashed when Flora's impulsiveness lands them in quarantine -- just the two of them. Now, the two teens must come together in order to survive life in a bubble for 30 days. In that time, love will bloom. But is it the real thing, or just a placebo

effect? In her debut novel, Katie Cicatelli-Kuc delivers an introspective and witty story about finding love in the most unexpected place.

Tap Out Leslie North, Love scores a knockout blow... MMA fighter Henry Lorenz relies on discipline and strength to get through life. With his former mentor’s boxing gym now in his hands, Henry has his hands full training a troubled teen who reminds him of himself at that age. Until a stubborn but beautiful woman intervenes, turning Henry’s life upside down. Now, he’s determined to prove to her that there’s more to fighting than knowing how to throw a punch. Maggie Kavanaugh is devoted to protecting kids from the violence of the streets. She wants them to use their brains, not their fists, to get ahead in life. When she learns one of her most talented teens is training at Henry’s gym, Maggie doesn’t approve. She’ll let the training continue, but she’s going to be watching every step of the way. And that means watching the gruff but smoking hot Henry as well... When a dark moment from Henry’s past threatens to come between them, he’s torn. Should he keep his secret bottled up inside? Or can he give love a fighting chance?

Tapping Out Nikki Ash,2018-01-06 Being a fighter is in my blood. My grandfather was a fighter, my father was a fighter, and I'm a fighter. I live for the rush of adrenaline and sensation of victory. When I fight, I give it my all. I step into the octagon and I fight until there's nothing left to fight for. He's been my best friend for most of my life. I've fought with him, fought against him, and for the longest time I fought for him, for us. Until he pushed me away, leaving me no choice but to tap-out. *** Fighting is what saved me. It shed the old me and I became a newer shinier version of myself. Until it took away everything I loved. I gave up and tapped out. Then one day, she came back into my life and reminded me that some things in life are worth fighting for. Now I'm fighting for us, day by day, proving to her that our happily ever after is worth fighting for.
