Tappin' at the Apollo Cheryl M. Willis,2016-05-02 In the 1920s and 1930s, Edwina Salt Evelyn and Jewel Pepper Welch learned to tap dance on street corners in New York and Philadelphia. By the 1940s, they were Black show business headliners, playing Harlem's Apollo Theater with the likes of Count Basie, Fats Waller and Earl Fatha Hines. Their exuberant tap style, usually performed by men, earned them the respect of their male peers and the acclaim of audiences. Based on extensive interviews with Salt and Pepper, this book chronicles for the first time the lives and careers of two overlooked female performers who succeeded despite the racism, sexism and homophobia of the Big Band era.

Tappin' On Thirty Candice Dow,2011-05-26 From Candice Dow comes a sexy, soul searching novel about love lost, new beginnings, and the big 3-0. . . As a successful legal consultant, Devin Patterson's professional life is good. But his personal life is another story. Devin let his true love slip away when his now ex-wife intentionally got pregnant. He loves his six-year-old daughter, but as the clock ticks on his thirtieth birthday, he can't help reminiscing about the past--and he's not alone. . . With her model looks and her law career, people wonder why Taylor Jabowski is still single as she's approaching her thirtieth birthday. But Taylor knows exactly why: Scooter, the high school sweetheart she broke up with when she was young and foolish. She hasn't been in love since, and with her class reunion coming up, Taylor can't help fantasizing about winning him back. . . As Devin opens his heart to the idea of a new relationship, and Taylor tries to re-connect with Scooter, their paths cross. They discover they have more in common than regrets from the past. Now that they're older and wiser, can they figure it out?

A Study of Scriptural Evidence of Divine Healing Ivan Tappin,2020-02-04 The scripture admonishes us to watch and pray for we know not the hour or time of his second Coming. In this interval many blessings are available to us as children of God, but none as fulfilling and rewarding as divine healing. Be wary of skepticism, doubt, and faithlessness which will rob us. The prerequisites are faith and prayer.

Hear Me Out K M Ringer,T S Tappin,Elisabeth Garner,2024-02-06 Now Hear Me Out... A collection of short stories where the norm is anything but. Dashing rake rescues the damsel in distress? No way. It's the femme fatale who saves the day. Secret male rockstar? Nope, a woman rocks that stage. Is the house haunted, or is it something else? When you go around flipping tropes, anything goes. King's Bench Division,Michael Cababé,Charles Gregson Ellis,1885 **Tsunamis** E.M. Scourse,N.A. Chapman,D.R. Tappin,S.R. Wallis,2018-01-05 This Special Publication examines tsunami hazard and risk, with particular focus on using the geological record. With Earth’s growing population clustered increasingly on coastlines, tsunami hazards are of concern worldwide. The papers explore the sedimentological and dynamic traces of recent and prehistoric tsunamis globally – from Europe to the Pacific – as well as looking at historic records and how the information can be used to characterise the scale of impacts and areas that are most susceptible to tsunami hazards. Armed with this information, scientists can begin to quantify risks, both to populations and in economic terms. This volume is aimed both at scientists working in this field and at a wider community, interested in tsunami science and natural hazard assessment.

Trip's B*tch T S Tappin,2022-02-04 They're bikers. They're brothers. They're shifters, well, most of them... **18 and up, mature language and situations** More information on Author's Website Danielle Dani Dole was not a member of the Howlers MC, but she was member-adjacent. Her father was a retired member who had moved from Michigan to Florida for his retirement. Her brother was the enforcer for the club and had made it very clear that he didn't want her involved with any of his MC brothers. The problem was Dani had been infatuated with one of those brothers since she was fifteen. When an opportunity presents itself, Dani threw caution to the wind and kissed the man she had fantasized about for years. Embarrassed at her brazenness, she ran from him and tried her best to avoid him. But when you are so connected to the club and your best friend is marrying that man's biological brother, avoiding him will only last so long. Trip Weber has a series of codes he lives by. One of those codes states when a MC brother says a family member is off-limits, that family member is off-limits. You protect them. You help them when they are in need of help. You have their back, support their dreams and goals, help move them from one house to another, celebrate their special days,

treat them as family. You do not kiss them. But what do you do when that off-limit family member kisses you? He attempted to put it out of his mind and honor his MC brother's wishes, but Dani had consumed his thoughts since the night of their kiss. If they give in to their desires, will they lose the trust and bond with their family? **check author website for all tropes, tags, and content warnings**
