*I Kill Monsters 1* Tony Monchinski,2014-10-03 The novel is set in the summer of 1998 in New York City. Beneath the surface of the city, gangs of vampires have been living, preying on the dregs of society--the homeless, destitute, prostitutes--no one cares about. A crew of thieves robs vampire families robs vampire gangs of their money and blood, playing the vampires off against one another. A job goes wrong and they mess with a vampire they never should have, the Albanian Kreshnik, who serves the dark Lord Rainford. Rainford's minions seek out and destroy Frank's crew one by one. Boone is the youngest and brashest of the humans. He's a racist, a drug addict, given to violence and can't shoot to save his life. Boone evidences supernatural attributes, such as the ability to heal rapidly from seemingly devastating injuries. He's also occasionally shadowed by a specter he refers to as Stan that only he can see. Boone feels an attraction to Emanuela, a witch-like character who hunts vampires and other creatures like them with the Sisterhood. The novel culminates in Boone's confrontation against Rainford's army in an decrepit warehouse.

**A Dixie Christmas** Sandra Hill,2011-11-18 Two magnolias-and-mistletoe-inspired holiday stories from the bestselling author of more than thirty romantic, humorous novels. Laughter and love combine in Sandra Hill's BLUE CHRISTMAS--with a touch of Elvis magic. Wealthy Wall Street businessman Clayton Jessup III has only one reason for arriving in Memphis a few days before Christmas--to sell off his inheritance, an embarrassingly kitschy hotel named The Blue Suede Suites. His feelings for the Land of Elvis are dark: his long-dead Memphis mother abandoned him and his dad when Clay was a baby, and now Clay wants nothing to do with a southern legacy that couldn't be more different from his sophisticated big-city life. But then he steps in trouble--literally--when he confronts the bizarre group of Elvis impersonators who've set up a living Nativity scene on his property. One slip of a wingtip in some sheep poop lands Clay in the care of gorgeous Annie Fallon, whose big-haired Elvis-girlfriend get-up can't hide her wholesome, sexy appeal. Annie and her brothers have set up the Nativity scene to earn some badly needed money for their struggling dairy farm. The last thing she needs is an angry Yankee with a concussion and a come-hither smile . . . In JINX CHRISTMAS, sexy NASCAR star Lance Caslow makes a last-ditch effort to win back his ex-wife Brenda. Five years ago, his reckless pursuit of racetrack fame tore them apart and broke Brenda's heart. Now Lance shows up in Louisiana determined to make things right this Christmas, not just for himself and Brenda, but for their young daughter, Patti. He's got his work cut out for him, and desperate measures are needed. Lance will do anything to prove he's worthy of Brenda's trust again--even join the Cajun Christmas show starring a raucous Cajun family whose menfolk dance for charity events in little more than a smile . . .

It's Time for a Change Matthew Lynch,2012 China, Japan, and South Korea understand that well-educated workers are crucial for survival in the competitive global economy. Thus, they are placing enormous emphasis on education, ensuring that their students receive instruction not only foundational reading and math, but are also taught to think creatively and solve problems. Their youth are poised to take on and conquer the world. The U.S., on the other hand, is losing the battle. School systems are using more money but have less to show for it. Test results, especially among the lower socioeconomic classes, are dismal. America has extraordinary natural resources, a solid, functioning democracy, and excellent infrastructure, but unless we can reform our educational system to produce students who are able to take advantage of new technologies and compete in the global economy, we will cede our position as world leader. Its Time for Change: School Reform provides a no nonsense blueprint for reforming The U. S.

*The Christmas Stories* Ted Field,2016-12-05 Christmas is our most beloved holiday. No other holiday is so richly decorated, seasoned by joy, and trumpeted with music. It is so big it must be celebrated in a variety of traditions. The Christmas Stories is a collection of twenty pieces that explore these traditions, sometimes with humor. The stories were written and read aloud by the author, one each year, at an annual advent worship service at St Stephen Lutheran Church in White Bear Lake, Minnesota, to not only entertain but to inspire readers and listeners to find their own Christmas stories to share. The stories in The Christmas Stories are a mix of fact and fiction but, regardless, address certain truths about Christmas we never question. For example, we know that every year we go home for Christmas, even if its just a journey of the heart, and that children agonize having to wait one slow day at a time for Christmas to arrive, while adults embrace the wait and even give it a name, advent. And that even secularists celebrate the holiday as the highest altar of peace, love, and joy. The Christmas Stories is meant not only to entertain but to inspire readers to find their own stories to share about this most beloved season.
