Tarot Made Easy Nancy Garen,2001-07-18 If you've ever been intrigued by the tarot but were confused by the complexities and vague interpretations given in most books—here is a simple and accurate guide to interpreting the tarot! With Tarot Made Easy you can easily interpret the meaning of any card and apply it to the particular circumstances of your life. With the simple process outlined here, you need only choose one tarot card and then consult one (or several) of the 32 categories listed under each card—including Romance, Travel, Career, Finances, Friends, and Special Guidance—to discover the card's specific message for you. For example, if you want to know about your romantic future and the Queen of Cups turns up, you may find that the standard description given is an honest, devoted woman; loving intelligence and happiness. How should you interpret this? But with Tarot Made Easy, the Queen of Cups Romance category tells you that someone will enter your life in whom you will be very interested...and you will meet this person very close to your home, if not outside your front door. This easy but accurate system banishes the vague interpretations found in most books and gives you the immediate, specific insights you need.

Tarot Card Reading (for Beginners) Kathleen Adenauer, 2014-08-12 If you want to learn how to read Tarot Cards, then this book is for you! Many people have incorrectly categorized Tarot Card reading along with other occult fortune-telling techniques such as Ouija boards, crystal balls, palm readings, tea leaves and so forth. However, this could not be further from the truth. Tarot is a divination system that is used to reveal possible outcomes and influences in someone's life or particular situation; and readings are most helpful if used as a platform of guidance to help inform whether or not a person is on the right path or should change course. For example, a tarot reading could give you a glimpse of events to assist in seeing whether there is impending danger or if you are on a path to self-destruction. Therefore, although tarot card readings don't reveal specifically what's in store for the future, they can certainly help to open your eyes and make more informed decisions. For those wanting to learn how to read
