Merlin Gordon Strong,2010-09-08 Merlin is celebrated as the archetypal wizard, an enigmatic mage whose gifts of prophecy and miracle-working have made him the greatest magician of all time. Bringing his unmatched knowledge of medieval history, myth, and magick to the legend of Merlin, Gordon Strong vividly reconstructs the famed wizard's life among kings and knights, damsels and dragons, and lost kingdoms. From serving as King Arthur's adviser to obtaining intimate knowledge of Atlantis to launching the quest for the Holy Grail, each aspect of Merlin is illuminated as never before. Piecing together fascinating connections to Druidry, Celtic and Welsh culture, and Tarot, Strong offers new depths of insight into an existence steeped in war, madness, love, lust, and above all, sorcery. Praise: This is not a book about a dead king in a past and distant land, but an evocation of an impulse within all our psyches, which can vivify our future.—Alan Richardson, author of

Aleister Crowley and Dion Fortune

The Pictorial Key To The Tarot Arthur Edward Waite, 2013 The occult world owes much to Mr. Waite, for a series of competent and careful compilations that have done much to preserve the treasures of mediaeval and ancient thought. This contribution to the library is devoted to the Tarot, which he describes as fragments of a secret tradition under the veil of divination. We are not at all sure that the Tarot was intended primarily for divination, and still less for the usually base purpose of the fortune teller. No mechanical device can be of much avail in divination, unless the operator already possesses some measure of psychic vision, and needs no more than an exterior aid to mental concentration. In such cases the Tarot cards are of service. The study is a fascinating one from the academic point of view, and nothing could be more complete than Mr. Waite's condensed and yet exhaustive survey of our available knowledge. It may be said, too, that his inclination is always toward the higher and spiritual interpretation. There are 78 excellent plates.

Arcana Madison Scott-Clary, 2017-11-09 The first card is your past, the vixen said, turning over a tattered card. She spoke as she traced the stroke of lightning along the top. The tower. Difficult times, sudden change. An upheaval in your life? A new revelation? The darkness of the room stifled your voice; you could only nod. The hanged man, she murmured as she turned over the second card. Being true to yourself, A resolution of difficulties. This is your present, the work you have to do right now. The third card, a smile traced her features, is your future... Included in this anthology are twenty-two works of furry fiction by authors within the fandom, including Kyell Gold, Mary Lowd, Chris Williams, and many others. Come with us and divine the meaning of all things from within Arcana.

The Greater Trumps Charles Williams, 2016-07-19 Charles Williams was a British writer, theologian, and literary critic. Williams' fantasy novels earned great praise from his friend C.S. Lewis as well as many other authors of his day. Williams was also well known for being a leading member of the Inklings, a group which included Lewis and J.R.R. Tolkien. The Greater Trumps is a fantasy novel that centers around the ancient Tarot Card Deck that is rediscovered by a Gypsy family.

Tarot and Other Meditation Decks Emily E. Auger, 2023-03-10 Arthur E. Waite and artist Pamela Colman Smith's Rider-Waite Tarot (1909) is the most popular Tarot in the world. Today, it is affectionately referred to as the Rider-

Waite-Smith Tarot in recognition of the high quality of Smith's contributions. Waite and Smith's deck has become the gold standard for identifying and analyzing contemporary Tarot and other meditation decks based on archetypes. Developments in both visual and literary history and theory have influenced Tarot since its fifteenth-century invention as a game and subsequent adaptations for esotericism, cartomancy, and meditation. This analysis consider Tarot in relation to established modern and postmodern art movements, such as Symbolism, Surrealism, and Pattern and Decoration Art, as well as the concepts and theories informing both the dominance and the dissolution of the modernist grid and hierarchical priorities. This work also explores the close connection between Tarot and the invention of the literary novel and includes new material on the representation of Tarot in film and fiction. A new chapter addresses the growing influence of the archetypal shadow and shadow work on Tarot as an artistic form, narrative genre, and practice in the new millennium.

ancient relic. The Grail Tarot relates this search for the sacred Christian relic to our desire to understand the puzzle of our own lives.
