Tarot Triumphs Cherry Gilchrist, 2016-09-01 Focusing on the major arcana, or trumps, of the Marseilles Tarot, the aim of this book is to encourage the reader to experience the tarot in a direct, fresh, and uncluttered way. Key points: Focuses on the 22 trumps, or the major arcana of the tarot Offers advice on how to study each card and find its unique significance Provides instructions for laying out and reading the cards Explores the tarot in terms of history, divination, symbolism, and esoteric traditions This exploration of the major arcana includes The Fool's Mirror, a new method for laying the cards out, as well as hints for using the tarot to gain deeper levels of awareness. Cherry Gilchrist offers ways to approach each card, absorb it, and understand its essence. Readers are encouraged to relate this essence to personal experience as the most enduring and rewarding way to prepare for reading the cards.

The Tarot Trumps John Shephard, 1985

Warhol-isms Andy Warhol, 2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well. I went to [a psychiatrist] once, and he never called me back. They always say that time

changes things, but you actually have to change them yourself. I've never met a person I couldn't call a beauty. New things are always better than old things. I'm still a commercial artist. I was always a commercial artist.

Enemies Among Us Mark Verheiden, 2007 When Batman is attacked by one of his oldest and most powerful allies, Martian Manhunter, he seeks the aid of Superman. Soon Batman and Superman are ambushed by various off-worlders, both friend and foe. The madness spreads and Batman finds he must defeat Superman to save the human race.

You Died Kel McDonald, Andrea Purcell, 2020-10-13 Death -- the one aspect of life we all have in common -- is waiting for everyone, yet our practices, beliefs, myths, and stories about it are as diverse as we are. *YOU DIED* celebrates these vibrant cultural expressions of the great equalizer in a thrilling, life-affirming whirlwind of a book, an inspirational volume to be treasured through times of both loss and abundance (and every day in between). At turns both brazen and insightful, morose and optimistic, *YOU DIED* asks a wide array of cartoonist newbloods and all-stars to relate their most unforgettable tales of death and what comes next. Filled with beautifully illustrated accounts of grief and mourning, ancient myths, memorial rites around the globe, afterlife in the far reaches of space, and the simple and touching ways both the living and the dead carry on, this lively collection starts a comforting and much-needed dialogue about death as a natural part of life. Featuring an introduction by death positivity movement pioneer and activist mortician CAITLIN DOUGHTY and a murderer's row of comics talent including RAINA TELGEMEIER, SHAE BEAGLE, and LISA STERLE.
