eXPerience Life - TASK KILLER Robert Ricks,2019-02-02 So what the hell is this book about? It's about you... The things you need to get done every single day. The hectic, crazy, maddening, and yes, sometimes mundane tasks that occupy the time between waking and sleeping. I set out to create this book and as I was designing the sheets I realized I didn't want a task list with boring priorities. Instead, I would replace it with XP (experience points) since treating life like a game is so much more gratifying than the stark soul-sucking dismal experience it often becomes when battling the sometimes daunting and never-ending horde of the traditional ?To-Dos...? so they are henceforth referred to as QUESTS and by shifting the definition of the normal into the extraordinary this list has become so much more gratifying.
