**Liberation Unleashed** Ilona Ciunaite, 2016-10-01 Liberation Unleashed introduces you to the process of unraveling the false sense of a separate self at the center of your existence. With insightful metaphors, personal stories, and guided dialogues, this book points directly to our lack of separation and helps you move toward a new, more open reality of selfless bliss. Using the seven clear and focused steps presented, you'll find liberation in realizing there is no individuated "I" and marvel at the true nature of things. Author Ilona Ciunaite's search for the truth began when she first "experienced silence of the thinking mind, a sweet sense of being, contentment, peace," and "feeling at home." Driven by a desire to reach that state of oneness once more, her path led her through spiritual writings to the process of deconstruction and non-dual self-inquiry and finally to a peaceful emptiness of not knowing, but of simply being. It's from that place that Ciunaite cocreated the popular Liberation Unleashed forum—a global

Internet-based community helping people see through the illusion of a separate self—and it's just that sense of unknowing peace she wishes to impart with this book. *Liberation Unleashed* is a lively, fresh, and moving account of the author's own searching, liberation, and transformation, woven together with the stories of fellow seekers and a clear exposition of the simple, focused tools you can use to go through the "gateless gate." With its conversational tone, provocative questions, and the presentation of the seven steps—"Clearing the path—meeting the fear," "Strip away ALL expectations," "Get in touch with the real," "'I' is a thought," "There is no separate self," "How does it feel to see this?" and "Falling"—this book serves as an introductory how-to guide, demonstrating how to use the process of self-inquiry to get free from the falseness of the separate self and realize a blissful oneness. So many of us go through life feeling isolated, searching for ourselves, or seeking a more authentic reality through religion, spirituality, or other, more unconventional means of expanding consciousness. Now, with this book and its guiding principles, you'll learn how to look deeply into the nature of self and existence; combat the anxieties, fears, mental blocks, and reservations that can arise in self-inquiry; and see the simple beauty of the everyday moment.

**Ancient Ink** Lars Krutak,Aaron Deter-Wolf,2018-01-08 The human desire to adorn the body is universal and timeless. While specific forms of body decoration and the motivations for them vary by region, culture, and era, all human societies have engaged in practices designed to augment and enhance people's natural appearance. Tattooing, the process of inserting pigment into the

skin to create permanent designs and patterns, is one of the most widespread forms of body art and was practiced by ancient cultures throughout the world, with tattoos appearing on human mummies by 3200 BCE. *Ancient Ink*, the first book dedicated to the archaeological study of tattooing, presents new, globe-spanning research examining tattooed human remains, tattoo tools, and ancient art. Connecting ancient body art traditions to modern culture through Indigenous communities and the work of contemporary tattoo artists, the volume's contributors reveal the antiquity, durability, and significance of body decoration, illuminating how different societies have used their skin to construct their identities.

**Imagine a Night** Sarah L. Thomson,2011-04-19 Imagine a night when you can ride your bike right up the stairs to your bed. Imagine a night when your toy train rumbles on its tracks out of your room and roars back in, full sized, ready for you to hop on for a nighttime adventure. Imagine a night when a farmer plays a lullaby on his fiddle, and his field of sunflowers begins to dip and sway to the rhythm. Imagine a night when ordinary objects magically become extraordinary...a night when it is possible to believe the impossible. With the intrigue of an Escher drawing and the richness of a Chris Van Allsburg painting, renowned Canadian artist Rob Gonsalves depicts that delicious time between sleep and wakefulness, creating a breathtaking, visual exploration of imagination and possibility that will encourage both children and adults to think past the boundaries of everyday life, and see the possibilities beyond.
