*Taxi, Limousine, and Transport Network Company Regulation* James M. Cooper, Jørgen Aarhaug, John Scott, 2023-05-11 The vehicle for hire (VFH) market – broadly comprising taxis, limousines, and app-based transport – has faced multiple and significant changes over the years, with the period since 2010 a time of major upheaval. This book documents the development of the market over time, examining its regulation and control structures, exploring its history, trends, and market theories, and discussing how these are both promoted and challenged by the changes affecting the sector. This book reviews recent developments in the VFH industry, from the influx of new market entrants and the emergence of app-based services to their widespread use, comparing international markets and their regulation, and draws on a series of case studies in key locations in North America, Europe, and Asia. It establishes and details economic, market, social, and political theory affecting the VFH industry and devotes its second half to the definition and emergence of transport typologies and markets in which the sector has a role (or potential role). The book concludes, from a neutral standpoint, on the balance between market participants, addressing the immediate future facing the industry, including the impacts of Covid and other external factors. It considers the short- and long-term effects of market change, the role played by regulators, and the market conditions imposed upon them. Written for industry practitioners – both suppliers and regulators – as well as the academic community, this book will inform the community and prompt further analysis of a significant and growing field in transportation.

*Fate Choice and Chance* Geoffrey Hepburn, 2012-10-02 *Fate Choice and Chance* recounts Ben Peters quest to escape his familys traditions and poverty, the haunting memories of the past, and the limitations of the small town on the Canadian prairies where he lived as a child. His life could have gone in many different directions, but the interplay of fate and chance resulted in choices leading inexorably to the present. In retrospect, his most fateful choice was to marry the woman that he loved. Ultimately he achieves the American dream of financial success in New York City, but this is far removed from his youthful dreams of public service. The path from that small prairie town to New York City was treacherous and crooked, leading through Toronto, a city of broken dreams. His painful break with the past has left emotional scars, and he tries to deal with them by neatly compartmentalizing his life into two halves the forgotten Canadian past and the American present. But then his chance encounter with a mysterious stranger on a business trip to Toronto and their conversation about a murder that occurred in the high school in that small prairie town of his childhood leads him to embark on a spiritual journey to reconciliation with the past and the healing power of forgiveness.

**The Life of Kingsley Amis** Zachary Leader, 2009-03-12 Here is the authorized, definitive biography of one of the most controversial figures of twentieth-century literature, renowned for his

blistering intelligence, savage wit and belligerent fierceness of opinion: Kingsley Amis was not only the finest comic novelist of his generation—having first achieved prominence with the publication of *Lucky Jim* in 1954 and as one of the Angry Young Men—but also a dominant figure in post—World War II British writing as novelist, poet, critic and polemicist. In *The Life of Kingsley Amis*, Zachary Leader, acclaimed editor of *The Letters of Kingsley Amis*, draws not only on unpublished works and correspondence but also on interviews with a wide range of Amis’s friends, relatives, fellow writers, students and colleagues, many of whom have never spoken out before. The result is a compulsively readable account of Amis’s childhood, school days and life as a student at Oxford, teacher, critic, political and cultural commentator, professional author, husband, father and lover. Even as he makes the case for Amis’s cultural centrality—at his death *Time* magazine claimed that “the British decades between 1955 and 1995 should in fairness be called ‘the Amis era’”—Leader explores the writer’s phobias, self-doubts and ambitions; the controversies in which he was embroiled; and the role that drink played in a life bedeviled by erotic entanglements, domestic turbulence and personal disaster. Dazzling for its thoroughness, psychological acuity and elegant style, *The Life of Kingsley Amis* is exemplary: literary biography at its very best.

**Platform work in the Nordic models: Issues, cases and responses** Jesnes, Kristin, Oppegaard, Sigurd M. Nordli ,2020-05-24 Online publication:  
<https://pub.norden.org/temanord2020-513/> Abstract [en] This report explores how the platform economy is evolving in the Nordic countries and how its evolution is influenced by the Nordic labour market models and vice-versa. Here, we include all the Nordic countries (Denmark, Finland, Norway and Sweden), except Iceland, where platform work is still very marginal. While remaining a marginal phenomenon in the Nordic countries, platform work can be seen as one important case in which many

key aspects of the changing world of work coalesce. This report on platform work in the Nordic countries thus connects some of the themes explored in the other pillars of the NFoW project, such as digitalization, new forms of employment and the legal and regulatory challenges currently faced by the social partners, governments and Nordic labour market models.

**Dawn to Twilight** Paul D Haskins, 2022-02-03 How do you live life to the fullest? Is it by traveling around the world? Getting your dream job? Or is it by being with your family and friends? What if it is a combination of the three? Then you will find all of it in this book. If you are looking for inspiration and motivation, try poring over and you might find the answers to what you are seeking. Be inspired by this story of living a fulfilled life through hard work and faith. Learn from the author's experiences, his childhood, his adventures, and his struggles in life. Everyone looks for some meaning in their life. Perhaps one might find it in this book.

**Hitler's Savage Canary** David Lampe, 2011-04-01 After Adolph Hitler made plans to create a "model protectorate" out of Denmark, Winston Churchill predicted the nation would become the Fuhrer's tame canary. Isolated from the Allies and fueled only by a sense of human decency and national pride, the Danes created an extraordinary resistance movement that proved a relentless thorn in the Nazis' side. German troops were stymied again and again by the sabotage of railways and airbases and some 7,000 Jews were carried to safety in Sweden. They were not soldiers—they were simply ordinary citizens who refused to stand idly by and witness an atrocity. The story of their selfless courage and daring should inspire countless future generations.

**From Siberia to Denmark** Andrej Sivertsev, 2023-03-29 I believe, that one of the best adventures which one can experience, is not travelling to far and exotic destinations, but integration into a new society, and one of the best rewards which you can achieve, is the admiration of being

accepted as a full member of it. I call it a voyage, and this voyage will apparently never stop for me, as there will always be something new to learn along the way.

*OECD Economic Surveys: Denmark 2019* OECD,2019-01-15 Living standards and wellbeing are high in Denmark. Economic conditions have improved in recent years and the steady expansion is projected to continue. A prolonged series of pension and benefit reforms has delivered sound public finances and strengthened potential growth, among others by ...

**DK Eyewitness Travel Guide: Sweden** Ulf Johansson,2011-04-01 Few European countries offer such diversity as Sweden, with its mountains, virgin forests and lakes, and the cosmopolitan cities of Stockholm, Gothenburg and Malmö. This expanded and updated edition in the award-winning Eyewitness series covers every aspect of this varied country, from the simplicity of world-famous Swedish design to the exuberant Midsummer's Eve celebrations. Full-colour maps and plans enable you to explore the country in depth, scenic routes and thematic tours will ensure you won't miss a thing, while features on aspects of Sweden's culture explain its folklore and traditions. Illustrated food features highlight regional specialities and you'll find an impressive selection of restaurants and hotels. Equipped with over 900 sumptuous photographs, take a tour of the waterways, sample the delights of the smorgasbord, or swim in lakes and rivers – this guide will lead the way.

**OECD Reviews of Regulatory Reform: Regulatory Reform in Denmark 2000**  
OECD,2000-12-08 OECD's 2000 review of regulatory reform in Denmark.

*Activities of the Conference: Resolutions of the Council of Ministers of Transport and Reports Approved in 1995* *Forty-Second Annual Report (1995)* European Conference of Ministers of Transport,1996-02-01 This book includes a description of the activities of ECMT and information trends in transport in Europe in 1995, along with texts of all resolutions and reports approved during

that period.

**Government In Business: Leading Or Lagging?** Hwee Hua Lim, 2021-02-09 The evergreen debate over government's involvement in business continues in earnest. Participants straddle all stakeholder groups, from the state itself to the private sector to the public at large. Add to that debate increasing globalisation, and now de-globalisation, and the advent of technological advances. Criticism is often levelled at a government that is slow to act or one that belatedly introduces damning regulations. Many governments are already saddled with demands spanning mega infrastructural development to bulging fiscal deficits to evening out growth across the population. The politics of the day are however synonymous with short-termism. The Covid-19 pandemic has increased the bailout burden even more. The author attempts to provide a fair assessment of the potentially complementary roles that the public and private sectors can play in a fast-changing global economy, amidst the shifting expectations of society. Related Link(s)

*Little Pink Taxi* Marie Laval, 2018-02-20 Take a ride with Love Taxis, the cab company with a heart—in a contemporary Scottish romance that will transport you. Rosalie Heart is a well-known face in Irlwick—well, if you drive a bright pink taxi and your signature style is a pink anorak, you're going to draw a bit of attention. But Rosalie's company Love Taxis is more than just a gimmick. For many people in the remote Scottish village, it's a lifeline. Which is something that Marc Petersen will never understand. Marc's ruthless approach to business doesn't extend to pink taxi companies running at a loss. When he arrives in Irlwick to see to a new acquisition—Raventhorn, a rundown castle—it's apparent he poses a threat to Rosalie's entire existence: not just her business, but her childhood home too. On the face of it Marc and Rosalie should loathe each other, but what they didn't count on was somebody playing cupid . . .

**The Silkworm** Robert Galbraith, 2014-06-19 Private investigator Cormoran Strike must track down a missing writer -- and a sinister killer bent on destruction -- in this wonderfully entertaining mystery (Harlan Coben, New York Times Book Review) that inspired the acclaimed HBO Max series C.B. Strike. When novelist Owen Quine goes missing, his wife calls in private detective Cormoran Strike. At first, Mrs. Quine just thinks her husband has gone off by himself for a few days -- as he has done before -- and she wants Strike to find him and bring him home. But as Strike investigates, he discovers that Quine's disappearance is no coincidence. The novelist has just completed a manuscript featuring poisonous pen-portraits of almost everyone he knows. If the novel were published, it would ruin lives -- meaning that almost everyone in his life would have motives to silence him. When Quine is found brutally murdered under bizarre circumstances, Strike must race against time to understand the motivation of a ruthless killer, a killer unlike any he has encountered before . . . A compulsively readable crime novel with twists at every turn, *The Silkworm* is the second in J. K. Rowling's highly acclaimed series featuring Cormoran Strike and his determined young assistant, Robin Ellacott.
