What Does the Bible Really Teach about Homosexuality? Kevin DeYoung,2015-04-16 In just a few short years, massive shifts in public opinion have radically reshaped society’s views on homosexuality. Feeling the pressure to forsake long-held beliefs about sex and marriage, some argue that Christians have historically misunderstood the Bible’s teaching on this issue. But does this approach do justice to what the Bible really teaches about homosexuality? In this timely book, award-winning author Kevin DeYoung challenges each of us—the skeptic, the seeker, the certain, and the confused—to take a humble look at God’s Word. Examining key biblical passages in both the Old and New Testaments and the Bible’s overarching teaching regarding sexuality, DeYoung responds to popular objections raised by Christians and non-Christians alike—offering readers an indispensable resource for thinking through one of the most pressing issues of our day.

Next Lesson Chris Woodley,2019-01-22 SHORTLISTED FOR THE POLARI FIRST BOOK PRIZE Next Lesson is a new play by Chris Woodley, about the challenges of growing up gay. In 1988, 14-year-old Michael comes out as gay. Later he returns to the same school as a teacher. In the background: the notorious Section 28 of Thatcher’s Local Government Act, which prohibited schools from “promoting homosexuality” and divided teachers and parents. The narrative of the play spans from 1988 to 2003. Ideal for drama students, colleges, amateur theatre groups, local theatres. Publishing to coincide with LGBTQ History Month, February 2019. Reviews 'How has being queer in the classroom changed over the past thirty years? This informative play is your revision guide. Next Lesson is one school play that you won't want to miss.' ***** ‘A Masterpiece’ – Gay Times 'Section 28 was one of the most hateful pieces of legislation brought in by Margaret Thatcher in the 1980s. Next Lesson by Chris Woodley looks at the knock-on effects of this legislation in the same school between 1988 and 2006. It’s funny, moving and heartwarming stuff. This excellent play is a great reminder of how fear and oppression can cause untold damage amongst vulnerable teenagers and that with love, honesty and unity we can overcome the curveballs life throws at us.' ***** ‘Incredible’ – attitude 'Definitely worth going back to school for.' **** – DIVA 'The first thing to say about Chris Woodley's play Next Lesson is that it is very good. An A+, 10 out of 10, top marks, gold star and any other educational phrase that can be applied to 75 minutes of how relationships work: mother to son, teacher to pupil, friend to friend and lover to lover.' **** ‘A+’ –Boyz 'What Woodley has achieved in his debut play is remarkable... Next Lesson is informative without being didactic, telling a very personal story as well as having clarity of the world at large, all the while wearing its heart on its sleeve.' **** ‘Remarkable’ –Female Arts 'Brought in by the Thatcher regime, Section 28 of the 1988 Local Government Act forbade local authorities from promoting homosexual relationships as equal to heterosexual ones. This hated piece of legislation created confusion and caution in schools, undoubtedly prevented teachers from addressing homophobic bullying, denying lesbian and gay pupils appropriate sex and social education. Chris Woodley’s excellent play charts the education system through those years, creating lesbian, gay and bi characters from both sides of the classroom and staff room.' **** ‘Highly entertaining’ –British Theatre 'This short production touches on a number of key issues that affected countless people within the LGBT+ community (and their loved ones), not just in the wake of Section 28 but throughout history. ‘Next Lesson’ is an educational piece devoted to the examination of this vital part in legal discrimination’s history, and will be eye- opening to many who perhaps did not know about this law and its damaging legacy.' **** ‘Impressive’ –West End Wilma About the author Chris Woodley is an actor, writer, teacher and co-founder of Hyphen Theatre Company. Chris trained as an actor at Mountview Academy of Theatre Arts. As a writer, his credits include: The Soft Subject (A Love Story) (Assembly Hall), Bedtime Story (Theatre Royal Stratford East), Next Lesson (The Pleasance) and co-writer for My Boyfriend Jesus Christ (Karamel Klub) and When The Lights Went Out At Christmas (The BRIT School). His recent theatre credits include: KATE (Greenwich Theatre), You Should Be So Lucky (Above The Stag), Walking: Holding (The Yard), From Russia, For Love (Theatre Deli), An Enemy of the People (New Diorama), The Gay Naked Play (Above The Stag), This Child (The Bridewell Theatre) and Rainman (Karamel Klub). 21 Lessons for the 21st Century Yuval Noah Harari,2019-01-29 #1 NEW YORK TIMES BESTSELLER • In Sapiens, he explored our past. In Homo Deus, he looked to our future. Now, one of the most innovative thinkers on the planet turns to the present to make sense of today’s most pressing issues. “Fascinating . . . a crucial global conversation about how to take on the problems of the twenty-first century.”—Bill Gates, The New York Times Book Review NAMED ONE OF THE BEST BOOKS OF THE YEAR BY FINANCIAL TIMES AND PAMELA PAUL, KQED How do computers and robots change the meaning of being human? How do we deal with the epidemic of fake news? Are nations and religions still relevant? What should we teach our children? Yuval Noah Harari’s 21 Lessons for the 21st Century is a probing and visionary investigation into today’s most urgent issues as we move into the uncharted territory of the future. As technology advances faster than our understanding of it, hacking becomes a tactic of war, and the world feels more polarized than ever, Harari addresses the challenge of navigating life in the face of constant and disorienting change and raises the important questions we need to ask ourselves in order to survive. In twenty-one accessible chapters that are both provocative and profound, Harari builds on the ideas explored in his previous books, untangling political, technological, social, and existential issues and offering advice on how to prepare for a very different future from the world we now live in: How can we retain freedom of choice when Big Data is watching us? What will the future workforce look like, and how should we ready ourselves for it? How should we deal with the threat of terrorism? Why is liberal democracy in crisis? Harari’s unique ability to make sense of where we have come from and where we are going has captured the imaginations of millions of readers. Here he invites us to consider values, meaning, and personal engagement in a world full of noise and uncertainty. When we are deluged with irrelevant information, clarity is power. Presenting complex contemporary challenges clearly and accessibly, 21 Lessons for the 21st Century is essential reading. “If there were such a thing as a required instruction manual for politicians and thought leaders, Israeli historian Yuval Noah Harari’s 21 Lessons for the 21st Century would deserve serious consideration. In this collection of provocative essays, Harari . . . tackles a daunting array of issues, endeavoring to answer a persistent question: ‘What is happening in the world today, and what is the deep meaning of these events?’” —BookPage (top pick)

Forbidden Sex, Forbidden Texts Hoshang Merchant,2020-11-29 The book argues that there is no monolithic homosexuality; there are only homosexualities, that is, there are as many reasons for being gay as there are gays. Some people are born gay, some have gayness thrust upon them, and some do, indeed, achieve to great gayness. Representation of homosexuality/homoeroticism, as it is understood today, is thus a western import. The act and public/social discourses on same-sex love are still illegal; it is, according to many, against the Indian ‘tradition’; and a sense of ‘history’ is seriously problematic when we dig out for a past tradition of homoerotic love and desire. Hoshang Merchant, through an examination of texts, films, poetry, attempts to analyse and crack the codes of sexual (mis)conduct in contemporary India, giving short histories of the fate of several gay writers and explaining the difficulties of ‘coming out’.

Gay TV and Straight America Ron Becker,2006-02-02 After decades of silence on the subject of homosexuality, television in the 1990s saw a striking increase in programming that incorporated and, in many cases, centered on gay material. In shows including Friends, Seinfeld, Party of Five, Homicide, Suddenly Susan, The Commish, Ellen, Will & Grace, and others, gay characters were introduced, references to homosexuality became commonplace, and issues of gay and lesbian relationships were explored, often in explicit detail. In Gay TV and Straight America, Ron Becker draws on a wide range of political and cultural indicators to explain this sudden upsurge of gay material on prime-time network television. Bringing together analysis of relevant Supreme Court rulings, media coverage of gay rights battles, debates about multiculturalism, concerns over political correctness, and much more, Becker's assessment helps us understand how and why televised gayness was constructed by a specific culture of tastemakers during the decade. On one hand the evidence points to network business strategies that embraced gay material as a valuable tool for targeting a quality audience of well-educated, upscale adults looking for something edgy to watch. But, Becker also argues that the increase of gay material in the public eye creates growing mainstream anxiety in reaction to the seemingly civil public conversation about equal rights. In today's cultural climate where controversies rage over issues of gay marriage yet millions of viewers tune in weekly to programs like Queer Eye for the Straight Guy, this book offers valuable insight to the complex condition of America's sexual

politics.

Yaraana Hoshang Merchant,2011-10-05 An exploration of gay identity in South Asia. From Ashok Row Kavi's autobiographical piece on growing up gay in Bombay to Vikram Seth's brilliantly etched account of a homosexual relationship in *The Golden Gate*, the stories, poems, plays and prose extracts in this collection cover a range of literary styles, themes and sensibilities. Mahesh Dattani's play *Night Queen* is significant as one of the first serious attempts at dramatizing homosexuality on the Indian stage; the poems by R. Raj Rao included here are part of a series that formed the basis for the Bollywood film *Bomgay*; and the poetry of Dinyar Godrej, Adil Jussawalla and Sultan Padamsee is searing in its intensity. Apart from the pieces written originally in English, there are works translated from Hindi, Marathi, Gujarati and other Indian languages, which speak of the agony and the joy of being a man in love with other men. Extracts from the work of well-known writers including Bhupen Khakkar, Kamleshwar and Vishnu Khandekar provide a rare insight into the lives of homosexual men in India's small towns and villages. An extract from Shyam Selvadurai's *Funny Boy* details an account of growing up gay in war-torn Sri Lanka, while K.C. Ajay, an illiterate taxi driver, gives us an alternate glimpse of love and friendship in Nepal. Pieces such as these along with the poetry of Agha Shahid Ali and Iftikhar Naseem expand the scope of this collection to include writers from South Asia. With wit, passion and courage, these writings bring to the fore the true meaning of yaraana or male friendship and bonding, an often ignored facet of South Asian life and sexuality.

Heard You'd Been Waiting For A Messiah Jeffery Tunney,2023-10-25 For the longest time people have been waiting for a Messiah to show up. This is the story about how religion had started thousands of years ago before Jesus Christ's time by historical research. It is a same ole story about the same ole pattern of how a child name Isis and translating that name to English is Mary comes along, gives birth when she is a child and how famous prophets predicted the coming of the Son-of-God from the time of Egypt and how both stories of Jesus Christ and Horus are so much the same. The story does not stop there and only just gets started as World War Two broke out and in the midst of six and a half million Jews being sent to the death camps, a baby girl is born named Mary. She will give birth to a baby boy when she is a child. She will have a grandson that had the government claiming during this pregnancy and the time of his birth that this baby matched the Nostradamus predictions. For the first time it is tell all story about abuses that he had endured, how governments went out of their way to keep him a secret and how many people made millions off of his intellectual property and ideas while no one would protect him from having a decent living and went out of their way to keep it all a secret. For the first time people get to hear his side of his story in his own words.

Professions Donald Eugene Hall,2001 Sometimes playful, always provocative, *Professions* is a collection of searching and candid conversations--ranging from dialogues to tongue-in-cheek diatribes--on the issues that face literary and cultural critics today. This volume bares professional concerns, relationships, ambitions, and insecurities about working in academe. *Professions* provides hard-to-get insider information for students contemplating an academic career. It also challenges professional scholars to retrieve the intellectual curiosity that drew them to scholarship in the first place while demonstrating how disagreement on controversial issues can be conducted with respect, good humor, and an open mind. *Professions* features: Jane Tompkins and Gerald Graff John McGowan and Regenia Gagnier James Phelan and James Kincaid Marjorie Perloff and Robert von Hallberg Judith Jackson Fossett and Kevin Gaines Dennis W. Allen and Judith Roof Niko Pfund, Gordon Hutner, and Martha Banta Geoffrey Galt Harpham Donald E. Hall and Susan S. Lanser J. My Teacher Is Gay Peter Van Maaren,2011-02-21 How does a teacher, especially a gay teacher, respond to the gradual increase in ethnic minorities in the student body? *My Teacher is Gay* tells the story of Peter van Maaren, who recounts his experiences at a community college in Amsterdam as the school undergoes significant changes. His upbeat and sometimes disconcerting stories involve not only his interactions with students but also his fellow faculty members and school administration. As it turned out, thanks to his openness and sense of humor his sexual orientation was not an issue for most of the students and their parents. It was often much more difficult to convince his colleagues and the administrators that a gay teacher does not automatically pose a threat to the school. His goal was to show that cultivating mutual understanding, respect and tolerance can actually make a positive contribution to the learning atmosphere. By being open and honest about his identity, he achieved far more with his students than he did when the school administration ordered him to keep quiet about his orientation and try to ignore any remarks about it. The *Gay Krant* editorial staff in *Best* has received a growing number of complaints about intolerance in education. Students today are afraid to be open about their feelings, and teachers report being forced back "in the closet." In response to this alarming trend we publish interviews in the paper. Many are anonymous because the subjects are so afraid to go public. Consequently I am thrilled that Peter van Maaren is the first to come forward to share his story. A highly worth reading, and at times moving, account. Now we can only hope that politicians, policymakers and other involved parties will learn something from it. - Henk Krol, *Gay Krant* editor-in-chief Education is not a matter of filling a vessel. Education is certainly not a budgeting exercise for administrators. Education is about lighting a fire of wisdom and humanity. Let this book by Peter van Maaren offer inspiration to do just that. Jan Marijnissen, floor leader of the Dutch Socialist Party

Black Ballers Nancy Price,2013-04 SHE WAS TRAPPED Marcia was trapped in a damaging relationship with Dick, a sex addict. Her emotional prison walls kept her locked in a world of lies. He was handsome, while she considered herself ordinary. She was thrilled about this new marriage...and in denial. SHE WAS DEFEATED She wanted him to change and she thought he would for her, if only she loved and cared for him enough. But he continued his sick escapades. She felt emotionally vulnerable toward him and his addiction. SHE WAS RESCUED She turned to a younger man, a promising member of a gang for help. She began to feel courageous and hopeful. She prayed for her life to change. With the help of Micah, she did see light at the end of a long tunnel of heartache. Nancy Price was employed as a medical technologist for forty years. She retired from drawing blood samples, looking under a microscope, and cross matching units for blood for surgical procedures. She lives with her husband in Portland, Oregon, where retirement has given her time to pursue her hobbies, one of which is breeding the iris, the rainbow flower. She will miss the fast pace and excitement of the laboratory, but delights in seeing a new iris in her seedling patch. Publisher's website: <http://sbpra.com/NancyPrice>

Working with Female Offenders Katherine van Wormer,2010-04-12 Praise for *Working with Female Offenders* Encyclopedic in scope and full of very relevant work drawn from the fields of biology, psychology, criminology, and corrections, this book is a must-read for those working with girl and women offenders. —Meda Chesney-Lind, Professor, Women's Studies University of Hawaii at Manoa In this timely and thoughtful book, van Wormer provides a gender-sensitive lens through which the reader can examine pathways to female criminality, a global perspective on female crime and punishment, and innovative treatment approaches. This book is a must-have for any student or professional who wishes to truly impact and empower the lives of female offenders. —David W. Springer, Associate Dean for Academic Affairs, School of Social Work The University of Texas at Austin This book is timely in light of promising developments that are taking place at every level of the criminal justice system. It is a must-read for policymakers, practitioners, academics, and

students in criminal justice, social work, and other related fields. —Barbara E. Bloom, Professor, Criminology and Criminal Justice Studies Sonoma State University, California The first book to combine elements from the social work, counseling, and crimi- nology fields to create a framework tailored to working with female offenders Taking into account the special needs of girls and women within a system designed by men for male offenders, *Working with Female Offenders* offers counselors, correctional officers, lawyers, probation officers—in short, anyone who works in some capacity with female offenders—an evidence-based, gentler approach for working effectively and successfully with girls and women in trouble with the law. *Working with Female Offenders* provides coverage devoted to the nature of female crime and to the institutional settings in which much of the female-specific programming is designed to take place. This timely volume equips professionals with proven counseling strategies tailored to fit this population. Practical guidelines are included for case management interventions, teaching skills of communication and assertiveness, and anger and stress management for female offender populations, as well as: A strengths/empowerment/restorative framework for counseling women in crisis Narratives from personal interviews with female offenders and correctional counselors Discussion of controversial topics such as prison homosexuality, AIDS in prison, girls in gangs, and women on death row Examples of successful, innovative programs for female offenders from the United States and abroad *Working with Female Offenders* addresses the unique challenges of female offenders and those who treat them, and provides a much needed addition to the literature on innovative programming for female offenders.

All In Josh Levs,2015-05-12 When journalist Josh Levs was denied fair parental leave by his employer after his child was born, he fought back—and won. Since then, he’s become an advocate for modern families and working fathers. In *All In*, he explores the changing face of fatherhood and what it means for our individual lives, families, workplaces, and society. Fatherhood today is far different from previous generations. Stay-at-home dads are increasingly common, and growing numbers of men are working part-time or flextime schedules to spend more time with their children. Even the traditional breadwinner-dad is being transformed. Dads today are more emotionally and physically involved on the home front. They are “all in” and—like mothers—they are struggling with work-life balance and doing it all. Journalist and “dad columnist” Josh Levs explains that despite these unprecedented changes, our laws, corporate policies, and gender-based expectations in the workplace remain rigid. They are preventing both women and men from living out the equality we believe in—and hurting businesses in the process. Women have done a great job of speaking out about this, Levs—whose fight for parental leave made front page news across the country—argues. It’s now time for men to join in. Combining Levs’ personal experiences with investigative reporting and frank conversations with fathers about everything from work life to money to sex, *All In* busts popular myths, lays out facts, uncovers the forces holding all of us back, and shows how we can all join together to change them.

The Book of (More) Delights Ross Gay,2023-09-19 **Named a Best Book of the Year by The Boston Globe, Garden & Gun, Electric Literature, and St. Louis Public Radio** The New York Times bestselling author of *The Book of Delights* and *Inciting Joy* is back with exactly the book we need in these unsettling times. Margaret Roach of The New York Times says, “Yes, please. I’ll have another dose of delight.” In Ross Gay’s new collection of small, daily wonders, again written over the course of a year, one of America’s most original voices continues his ongoing investigation of delight. For Gay, what delights us is what connects us, what gives us meaning, from the joy of hearing a nostalgic song blasting from a passing car to the pleasure of refusing the “nefarious” scannable QR code menus, from the tiny dog he fell hard for to his mother baking a dozen kinds of cookies for her grandchildren. As always, Gay revels in the natural world—sweet potatoes being harvested, a hummingbird carousing in the beebalm, a sunflower growing out of a wall around the cemetery, the shared bounty from a neighbor’s fig tree—and the trillion mysterious ways this glorious earth delights us. *The Book of (More) Delights* is a volume to savor and share.

Stein, Gender, Isolation, and Industrialism Duane Simolke,1999 Stein, Gender, Isolation, and Industrialism: New Readings of Winesburg, Ohio examines the best known work of the influential American writer, Sherwood Anderson. This book served as the doctoral dissertation of Duane Simolke at Texas Tech University, December 1996. Dr. Simolke examines Sherwood Anderson's Winesburg, Ohio, as it relates to Gertrude Stein, gender roles, failed communication, and the machine in the garden. Anderson's friendship with and admiration of Stein greatly affected the contents and writing style of Winesburg. Simolke also looks at how Winesburg reflects Anderson's concerns about mechanization, loneliness, and the mistreatment of many people. Dr. Simolke has also written *The Acorn Stories*, also published by iUniverse, a collection of West Texas fiction that was influenced by Stein, Anderson, and various other writers. Visit DuaneSimolke.Com for Anderson and Stein links.

What Price Hollywood? Elyce Rae Helford,2020-06-23 During the early Hollywood sound era, studio director George Cukor produced nearly fifty films in as many years, famously winning the Best Director Oscar at the 1964 Academy Awards for *My Fair Lady*. His collaborations with so-called difficult actresses such as Katharine Hepburn, Judy Garland, and Marilyn Monroe unsettled producers even as his ticket sales lined their pockets. Fired from *Gone with the Wind* for giving Vivien Leigh more screen time than Clark Gable, Cukor quickly earned a double-sided reputation as a woman's director. While the label celebrated his ability to help actresses deliver their best performances, the epithet also branded the gay director as suitable only for work on female-centered movies such as melodramas and romantic comedies. Desperate for success after a failed drag film nearly ended his career, Cukor swore to work within Hollywood's constraints. Nevertheless, *What Price Hollywood? Gender and Sex in the Films of George Cukor* finds that Cukor continued to explore gender and sexuality on-screen. Drawing on a broad array of theoretical lenses, Elyce Rae Helford examines how Cukor's award-winning films—titles including *My Fair Lady* and *The Philadelphia Story*—as well as his lesser-known films engage Hollywood masculinity and gender performativity through camp, drag, and mixed genres. Blending biography with critical analysis of more than twenty-five films, *What Price Hollywood?* tells the story of a once-in-a-generation director who produced some of the best films in history.

Speaking Out on Human Rights Pearl Eliadis,2014-04-01 Canadians like to see themselves as champions of human rights in the international community. Closer to home, however, the human rights system in Canada - particularly its public institutions such as commissions and tribunals - has been the object of sustained debate and vehement criticism, based largely on widespread myths about how it works. In *Speaking Out on Human Rights*, Pearl Eliadis explodes these myths, analysing the pervasive distortions and errors on which they depend. Canada's human rights system, a unique legal tradition operating within a powerful modern constitution, is a fundamental mechanism for ensuring the practical application of our national commitment to tolerance and inclusion. Drawing on in-depth interviews with Canada's leading human rights experts and extensive original research, Eliadis explores the evolution of commissions and tribunals as vehicles of public policy and considers their mandate to mediate rights conflicts in such contested areas as hate speech, religious freedoms, and sexuality. She provides a frank assessment of how Canada's human rights system functions and argues that misplaced critiques have prevented urgent and necessary discussions about the reforms that are needed to improve fairness and equality before the law and to ensure institutional independence, impartiality, and competence. *Speaking Out on Human Rights* shows how our human rights system plays a unique and important role in the rights revolution both in Canada and internationally and offers promising avenues for its future development.
