Tom Clancy Firing Point Mike Maden, 2020-06-09 Jack Ryan, Jr. is out to avenge the murder of an old friend, but the vein of evil he's tapped into may run too deep for him to handle in the latest electric entry in the #1 New York Times bestselling series. While on vacation in Barcelona, Jack Ryan, Jr. is surprised to run into an old friend at a small café. A first, Renee Moore seems surprised to see Jack, but then she just seems irritated and distracted. After making plans to meet later, Jack leaves, only to miss the opportunity to ever speak to Renee again, as the café is destroyed minutes later by a suicide bomber. A desperate Jack plunges back into the ruins to save his friend, but it's too late. As she dies in his arms, she utters one word, Sammler. When the police show up they are initially suspicious of Jack until they are called off by a member of the Spanish Intelligence Service. This mysterious sequence of events sends the young Campus operative on an unrelenting search to find out the reason behind Renee's death. Along the way, he discovers that his old friend had secrets of her own—and some of them may have gotten her killed. Jack has never backed down from a challenge, but some prey may be too big for one man.

Pittsburgh's Greatest Teams David Finoli, 2017-10-30 Pittsburgh is synonymous with winning. From the Penguins and Steelers to the Pirates and Panthers, the Steel City knows championships. There must be something special in the water to make Pittsburgh so particularly gifted with its sports teams. The most famous teams in the city's history would most likely be the 1970s Steelers, known as the Steel Curtain for obvious reasons, and the Penguins who raised the Stanley Cup five times. Names such as Lemieux, Crosby, Roethlisberger, Bradshaw, Clemente and Stargell are legends of American sport and members of Pittsburgh's most cherished franchises, but for every sports legend and multi-million dollar franchise, there are a dozen more talented players and long-past teams that have been forgotten to history; the Negro League's Crawford and Homestead Grays are too often overlooked in the city's sports history but were as talented as any team that has played there. Author Dave Finoli ranks the fifty greatest teams that won trophies, brought glory and lifted the hearts of Pittsburgh's devoted sports fans.

Beyond the Algorithm Deepa Das Acevedo, 2020-11-05 In Beyond the Algorithm: Qualitative Insights for Gig Work Regulation, Deepa Das Acevedo and a collection of scholars and experts show why government actors must go beyond mass surveys and data-scrubbing in order to truly understand the realities of gig work. The contributors draw on qualitative empirical research to reveal the narratives and real-life experiences that define gig work, and they connect these insights to policy debates being fought out in courts, town halls, and even in Congress itself. The book also bridges academic and non-academic worlds by drawing on the experiences of

drivers, journalists, and workers' advocates who were among the first people to study gig work from the bottom up. This book is a must-read for anyone interested in gig work, the legal infrastructure surrounding it, and how that infrastructure can and must be improved.
