

# Tedxwomen

Lee Woodruff, Bob Woodruff

**Becoming a Dangerous Woman** Pat Mitchell,2019-10-08 An intimate and inspiring memoir and call to action from Pat Mitchell -- groundbreaking media icon, global advocate for women's rights, and co-founder and curator of TEDWomen Pat Mitchell is a serial ceiling smasher. The first woman to own and host a nationally syndicated daily talk show, and the first female president of CNN productions and PBS, Mitchell has been lauded as a powerful changemaker and a relentless advocate for women and girls. In *Becoming a Dangerous Woman*, Mitchell shares her own path to power, from a childhood spent on a cotton farm in the South to her unprecedented rise in media and global affairs. Full of intimate, fascinating stories, such as an encounter with Fidel Castro while wearing a swimsuit, and traveling to war zones with Eve Ensler and Glenn, *Becoming a Dangerous Woman* is an inspiring call to arms for women who are ready to dismantle the barriers they see in their own lives.

**Heroines of Film and Television** Norma Jones,Maja Bajac-Carter,Bob Batchelor,2014-04-04 Despite the increasing variety of heroic women portrayed in film, television, and other popular culture channels, much of the understanding of heroines has been limited to females as versions of male heroes or simple stereotypes of overly weak/strong (and even violent) women. This book analyzes the new vision of female heroes in popular culture. It features award-winning authors from a variety of disciplines, broadening our understanding of how heroines are portrayed, as well as how these important popular culture representations both simultaneously empower and/or constrain real life women.

**Get Big Things Done** Erica Dhawan,Saj-nicole Joni,2015-02-24 Connectional Intelligence unlocks the 21st-century secret to getting big things done, regardless of who you are, where you live, or what you do. We typically associate success and leadership with smarts, passion and luck. But in today's hypercompetitive world, even those gifts aren't enough. *Get Big Things Done* argues that the game changer is a thoroughly modern skill called Connectional Intelligence. Virtually anyone can maximize his or her potential, and achieve breakthrough performance, by developing this crucial ability. So, what is it? Put simply, Connectional Intelligence is the ability to combine knowledge, ambition and human capital, forging connections on a global scale that create unprecedented value and meaning. As radical a concept as Emotional Intelligence was in the 90s, Connectional Intelligence is changing everything from business and sports to academics, health and politics by quickly, efficiently and creatively helping people enlist supporters, drive innovation, develop strategies and implement solutions to big problems. Can a small-town pumpkin grower affect the global food crisis? A Fortune 500 executive change her company's outdated culture through video storytelling? A hip-hop artist launch an international happiness movement? Or a scientist use virtual reality games to lower pain for burn victims? The answer, you'll read, is a resounding yes. Each of these individuals is using Connectional Intelligence to become a power player to get big things done. Erica Dhawan and Saj-nicole Joni's *Get Big Things Done* unlocks the secrets of how the world's movers and shakers use Connectional Intelligence to achieve their personal and professional goals--no matter how ambitious.

**Build Your Dream Network** J. Kelly Hoey,2018-01-02 Cut through the networking noise and start building the powerful, real relationships needed to succeed in our digital world If you think of networking as schmoozing at boring cocktail parties or scrolling through LinkedIn for new contacts to add, think again. In the social media age, you need a modern roadmap for creating and cultivating meaningful connections to stand out from the crowd and achieve any of your goals, no matter how big or small. In *Build Your Dream Network*, acclaimed business columnist and networking expert J. Kelly Hoey offers a fresh new approach to mastering this timeworn skill in a world where everyone is posting, liking, and friending fast and furiously, but many are failing to leverage their connections successfully. Hoey presents innovative strategies for forming strong relationships—the genuine, mutually beneficial, long-lasting kind—using all of the social tools at your disposal. She also reveals creative and surprisingly simple ways to harness the power of your network to accomplish any ambition, from landing your dream job or a coveted account or client to successfully crowdfunding a new business venture. *Build Your Dream Network* will help you: - Determine the most effective ways to connect with others so you don't clutter your calendar with dead-end coffee dates and informational interviews - Synchronize IRL networking efforts with your digital outreach - Turn “closed door” conversations into strong personal relationships and business opportunities - Eliminate FOMO by keeping your networking efforts focused Packed with infographics, flowcharts, and encouraging advice, *Build Your Dream Network* shows how small adjustments in your daily routine, generosity, and goal-focused efforts are all it takes to set you apart and ignite the powerful connections that will lead to major opportunities for success.

**In an Instant** Lee Woodruff,Bob Woodruff,2007-05-01 In one of the most anticipated books of the year, Lee Woodruff, along with her husband, Bob Woodruff, share their never-before-told story of romance, resilience, and survival following the tragedy that transformed their lives and gripped a nation. In January 2006, the Woodruffs seemed to have it all—a happy marriage and four beautiful children. Lee was a public relations executive and Bob had just been named co-anchor of ABC's *World News Tonight*. Then, while Bob was embedded with the military in Iraq, an improvised explosive device went off near the tank he was riding in. He and his cameraman, Doug Vogt, were hit, and Bob suffered a traumatic brain injury that nearly killed him. *In an Instant* is the frank and compelling account of how Bob and Lee's lives came together, were blown apart, and then were miraculously put together again—and how they persevered, with grit but also with humor, through intense trauma and fear. Here are Lee's heartfelt memories of their courtship, their travels as Bob left a law practice behind and pursued his news career and Lee her freelance business, the glorious births of her children and the challenges of motherhood. Bob in turn recalls the moment he caught the journalism “bug” while covering Tiananmen Square for CBS News, his love of overseas assignments and his guilt about long separations from his family, and his pride at attaining the brass ring of television news—being chosen to fill the seat of the late Peter Jennings. And, for the first time, the Woodruffs reveal the agonizing details of Bob's terrible injuries and his remarkable recovery. We learn that Bob's return home was not an end to the journey but the first step into a future they have learned not to fear but to be grateful for. *In an Instant* is much more than the dual memoir of love and courage. It is an important, wise, and inspiring guide to coping with tragedy—and an extraordinary drama of marriage, family, war, and nation. A percentage of the proceeds from this book will be donated to the Bob Woodruff Family Fund for Traumatic Brain Injury.

**When God Talks Back** T.M. Luhrmann,2012-11-13 A New York Times Notable Book A Kirkus Reviews Best Book of 2012 A bold approach to understanding the American evangelical experience from an anthropological and psychological perspective by one of the country's most prominent anthropologists. Through a series of intimate, illuminating interviews with various members of the Vineyard, an evangelical church with hundreds of congregations across the country, Tanya Luhrmann leaps into the heart of evangelical faith. Combined with scientific research that studies the effect that intensely practiced prayer can have on the mind, *When God Talks Back* examines how normal, sensible people—from college students to accountants to housewives, all functioning perfectly well within our society—can attest to having the signs and wonders of the supernatural become as quotidian and as ordinary as laundry. Astute, sensitive, and extraordinarily measured in its approach to the interface between science and religion, Luhrmann's book is sure to generate as much conversation as it will praise.

**Revolution from Within** Gloria Steinem,2012-05-15 Newly updated: The bestseller “that could bring the human race a little closer to rescuing itself” from the subject of the film *The Two Glorias* (Naomi Wolf). Without self-esteem, the only change is an exchange of masters; with it, there is no need for masters. When trying to find books to give to “the countless brave and smart women I met who didn't think of themselves as either brave or smart,” Steinem realized that books either supposed that external political change would cure everything or that internal change would. None linked internal and external change

together in a seamless circle of cause and effect, effect and cause. She undertook to write such a book, and ended up transforming her life, as well as the lives of others. The result of her reflections is this truly transformative book: part personal collection of stories from her own life and the lives of many others, part revolutionary guide to finding community and inspiration. Steinem finds role models in a very young and uncertain Gandhi as well as unlikely heroes from the streets to history. *Revolution from Within* addresses the core issues of self-authority and unjust external authority, and argues that the first is necessary to transform the second. This ebook features an illustrated biography of Gloria Steinem including rare images from the author's personal collection, as well as a new preface and list of book recommendations from Steinem.

Decolonizing African Knowledge Toyin Falola, 2022-07-14 Uses textual and visual materials on the 'Self' to understand how African ways of thinking shape the nature of societies.

*The Wiley Handbook on Violence in Education* Harvey Shapiro, 2018-04-23 In this comprehensive, multidisciplinary volume, experts from a wide range of fields explore violence in education's different forms, contributing factors, and contextual nature. With contributions from noted experts in a wide-range of scholarly and professional fields, *The Wiley Handbook on Violence in Education* offers original research and essays that address the troubling issue of violence in education. The authors show the different forms that violence takes in educational contexts, explore the factors that contribute to violence, and provide innovative perspectives and approaches for prevention and response. This multidisciplinary volume presents a range of rigorous research that examines violence from both micro- and macro- approaches. In its twenty-nine chapters, this comprehensive volume's fifty-nine contributors, representing thirty-three universities from the United States and six other countries, examines violence's distinctive forms and contributing factors. This much-needed volume: Addresses the complexities of violence in education with essays from experts in the fields of sociology, psychology, criminology, education, disabilities studies, forensic psychology, philosophy, and critical theory Explores the many forms of school violence including physical, verbal, linguistic, social, legal, religious, political, structural, and symbolic violence Reveals violence in education's stratified nature in order to achieve a deeper understanding of the problem Demonstrates how violence in education is deeply situated in schools, communities, and the broader society and culture Offers new perspectives and proposals for prevention and response *The Wiley Handbook on Violence in Education* is designed to help researchers, educators, policy makers, and community leaders understand violence in educational settings and offers innovative, effective approaches to this difficult challenge.

**American Women Speak [2 volumes]** Mary Ellen Snodgrass, 2016-10-24 This A-to-Z compendium explores more than 150 American women activists from colonial times to the present, examining their backgrounds and the focus of their activism, and provides examples of their speeches. Throughout history, American women's oratory has crusaded for religious rights, abolitionism, and peace, as well as for Zionism, immigration, and immunization. This text examines more than 150 influential American women activists and their speeches on vital issues. Each entry outlines the speaker's motivation and provides examples of their speeches in context, supplying information about the setting, audience, reception, and lasting historical significance. This collection of women's speeches emphasizes primary sources that underscore the goals of the Common Core Standards. Entries support classroom discussion on a range of topics, from women's suffrage and birth control to civil rights and 20th- and 21st-century labor law. No other reference work compiles examples of female activism and oration across a 400-year span of history along with analysis of the speaker's intent, forum, listeners, and public and media response.

**Testimonial Injustice and Trust** Melanie Altanian, Maria Baghramian, 2023-11-28 This book presents novel approaches and perspectives to scholarship on epistemic injustice and particularly, testimonial injustice and their connections with public trust. Drawing from different philosophical schools of thought and approaches, the book provides a comprehensive analysis of the conditions, mechanisms and normative implications of testimonial injustice, a term most prominently introduced by Fricker (2007), and the role that trust can play in fostering testimonial justice. Through the application of theories of epistemic injustice, and testimonial injustice, to new contexts and cases, including gendered violence, disability, indigenous knowledge, genocide, vaccine hesitancy and the COVID-19 pandemic, the book sheds light on the real-world significance of these philosophical concepts. *Testimonial Injustice and Trust* introduces new directions for further research and will appeal to scholars and students in (critical) social and political epistemology, normative ethics as well as social and political philosophy more generally. The chapters in this book were originally published in the *International Journal of Philosophical Studies*, *Social Epistemology* and *Educational Philosophy and Theory*.

**Gaming Masculinity** Megan Condis, 2018-05-01 In 2016, a female videogame programmer and a female journalist were harassed viciously by anonymous male online users in what became known as GamerGate. Male gamers threatened to rape and kill both women, and the news soon made international headlines, exposing the level of abuse that many women and minorities face when participating in the predominantly male online culture. *Gaming Masculinity* explains how the term "gamer" has been constructed in the popular imagination by a core group of male online users in an attempt to shore up an embattled form of geeky masculinity. This latest form of toxicity comes at a moment of upheaval in gaming culture, as women, people of color, and LGBTQ individuals demand broader access and representation online. Paying close attention to the online practices of trolling and making memes, author Megan Condis demonstrates that, despite the supposedly disembodied nature of life online, performances of masculinity are still afforded privileged status in gamer culture. Even worse, she finds that these competing discourses are not just relegated to the gaming world but are creating rifts within the culture at large, as witnessed by the direct links between the GamerGate movement and the recent rise of the alt-right during the last presidential election. Condis asks what this moment can teach us about the performative, collaborative, and sometimes combative ways that American culture enacts race, gender, and sexuality. She concludes by encouraging designers and those who work in the tech industry to think about how their work might have, purposefully or not, been developed in ways that are marked by gender.

Leapfrog Nathalie Molina Niño, Sara Grace, 2018-08-28 For women entrepreneurs (and anyone sick of the status quo), this smart, unapologetic collection delivers fifty proven hacks to leapfrog over obstacles and succeed in business. A must-read for any woman who has a great idea and the nagging thought that doors are closed to her; Molina Niño helps to blow them open.--Publishers Weekly Think the most critical factor for becoming a great entrepreneur is grit, risk-taking, or technical skills? Think again. Despite what every other business book might say, historical data show the real secret ingredients to getting ahead in business are being rich, white, and male. Until now. *Leapfrog* is the decades-overdue startup bible for the rest of us. It's filled with uncompromising guidance for winning at business, your way. *Leapfrog* is for entrepreneurs of all stripes who are fed up with status quo advice--the kind that assumes you have rich friends and family and a public relations team. Refreshingly frank and witty, author Nathalie Molina Niño is a serial tech entrepreneur, the founder and CEO of BRAVA Investments, and a proud daughter of Latinx immigrants. While teaching budding entrepreneurs at Barnard College at Columbia University and searching the globe for investment-worthy startups, she has met or advised thousands of entrepreneurs who've gone from zero to scalable business. Here she shares their best secrets in the form of fifty leapfrogs--clever loopholes and shortcuts to outsmart, jump over, or straight up annihilate the seemingly intractable hurdles facing entrepreneurs who don't have family money, cultural capital, or connections.

Game Changers Leena Van Deventer, Dan Golding, 2016-03-01 The videogame scene has evolved from the hobby of boys in bedrooms to a popular pastime for anyone with a smartphone. Many of the old guard resent this mainstreaming of games culture? and they've been anything but welcoming. These trolls have created a climate of fear by abusing and harassing women, minorities and anyone who has dared to speak out against misogyny and other problems in the

boys? club industry. Game Changers puts these conflicts under the microscope, in Australia and overseas. The book features exclusive interviews with many key figures working to make the videogame world a safe space, including Anita Sarkeesian and Zoë Quinn, two of the women at the centre of the Gamergate abuse. In 2015, they were asked by the United Nations to lead a panel discussion on the 'rising tide of online violence against women and girls?'. Authors Dan Golding and Leena van Deventer use their extensive experience in the videogame industry, both as players and professionals, to examine how games culture is growing, diversifying and changing for the better.

**Geofusion: Mapping Of The 21st Century** Norbert Csizmadia,2020-03-26 Geofusion is an exciting journey around the main issues of the 21st century. This is a book with roadmaps that show the complexity of our world, the interconnections between places, people, schools of thoughts, and disciplines. Starting with a geographical frame of reference, readers are taken through the global geo-economic trends and likely future scenarios as well as the driving forces of the new world economy. The book points to the importance of cities as the power centers for the multidimensional global network of the 21st century. Geofusion is a thought-provoking guidebook to our interconnected world.

**Encyclopedia of Domestic Violence and Abuse [2 volumes]** Laura L. Finley,2013-07-16 This comprehensive, two-volume work examines domestic abuse in the United States and worldwide, providing research, personal stories, and primary documents that reveal the extent of the problem. An estimated 1,300 to 1,800 Americans are murdered by intimate partners each year. Far from being a problem that only impacts women, domestic violence hurts society as a whole both socially as well as financially, with an estimated direct and indirect cost of nearly \$6 billion annually in the United States. This book provides a timely and thorough reference for educators, students, scholars and activists seeking to better understand the global issue of domestic abuse. The entries document the history of the domestic violence prevention movement, provide explanations for abuse, identify warning signs of hidden abuse, describe types of victims and offenders, and supply information on interventions and prevention programs. Written by an array of experts in the field, the book also integrates the personal stories of survivors and addresses abuse as a global issue by covering topics such as acid attacks and female genital mutilation.

**Women's Rights in the United States [4 volumes]** Tiffany K. Wayne,2014-12-09 A comprehensive encyclopedia tracing the history of the women's rights movement in the United States from the American Revolution to the present day. Few realize that the origin of the discussion on women's rights emerged out of the anti-slavery movement of the 19th century, and that suffragists were active in the peace and labor movements long after the right to vote was granted. Thus began the confluence of activism in our country, where the rights of women both followed—and led—the social and political discourse in America. Through 4 volumes and more than 800 entries, editor Tiffany K. Wayne, with advising editor Lois Banner, examine the issues, people, and events of women's activism, from the early period of American history to the present time. This comprehensive reference not only traces the historical evolution of the movement, but also covers current issues affecting women, such as reproductive freedom, political participation, pay equity, violence against women, and gay civil rights.

**Thinking about Video Games** David S. Heineman,2015-08-03 The growth in popularity and complexity of video games has spurred new interest in how games are developed and in the research and technology behind them. David Heineman brings together some of the most iconic, influential, and interesting voices from across the gaming industry and asks them to weigh in on the past, present, and future of video games. Among them are legendary game designers Nolan Bushnell (Pong) and Eugene Jarvis (Defender), who talk about their history of innovations from the earliest days of the video game industry through to the present; contemporary trailblazers Kellee Santiago (Journey) and Casey Hudson (Mass Effect), who discuss contemporary relationships between those who create games and those who play them; and scholars Ian Bogost (How to Do Things With Videogames) and Edward Castronova (Exodus to the Virtual World), who discuss how to research and write about games in ways that engage a range of audiences. These experts and others offer fascinating perspectives on video games, game studies, gaming culture, and the game industry more broadly.

**I Wish I had Spoken** Aishwarya Sandeep,2017-06 We deal with various problems in our society. Many a times instead of solving the problems we play the blame game. A Problem can be solved only if you speak to the right person at the right time.

**This Is Not the Career I Ordered** Caroline Dowd-Higgins,2010-09 Professional career reinvention is possible and this resource shows women how to play to their strengths, discover their passions, and own confidence as they plan their next career move. Told through the lens of amazing women who have re-ignited and reinvented their careers, the journey begins with the author's own emotional career transition.

**Tedxwomen: Bestsellers in 2023** The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year.

**Tedxwomen : Colleen Hoovers "It Ends with Us"** This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. **Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo"** This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. **Discover the Magic : Delia Owens "Where the Crawdads Sing"** This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. **The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.**
