**The Startup Squad** Brian Weisfeld,Nicole C. Kear,2019-05-07 Girls mean business in a brand-new series about friendship and entrepreneurship that Katherine Applegate, Newbery Medal-winning author of *The One and Only Ivan*, calls “A great read!” All the great leaders had to start somewhere. And Teresa (“Resa” for short) is starting with the lemonade stand competition her teacher assigned to the class—but making it a success is going to be a lot harder than Resa thinks. The prize: line-skipping tickets to Adventure Central. The competition: Val, Resa's middle school nemesis. And the biggest obstacle to success: Resa's own teammates. Harriet is the class clown, Amelia is the new girl who thinks she knows best, and Didi is Resa's steadfast friend—who doesn't know the first thing about making or selling lemonade. The four of them quickly realize that the recipe for success is tough to perfect—but listening to each other is the first step. And making new friends might be the most important one... The back of each book in this middle-grade series features tips from the Startup Squad and an inspirational profile of a girl entrepreneur! An Imprint Book An inspiring story about entrepreneurial girls. I loved this story of girls finding their way in the world of entrepreneurship. —Ann M. Martin, author of the *Baby-Sitters Club* series and Newbery Honor winner *A Corner of the Universe* “The Startup Squad encourages girls to dream big, work hard, and rely on each other to make good things happen. It teaches them how to succeed—and reminds all of us that girls mean business!”—Sheryl Sandberg, COO of Facebook and founder of LeanIn.Org and OptionB.Org “A great read that is fast-paced, fun, and empowering. The Startup Squad comes complete with a treasure trove of tips for starting a business.” —Katherine Applegate, Newbery Medal-winning author of *The One and Only Ivan* This title has common core connections.

The 5 Core Abilities of Highly Effective Leaders ERROL. LAWSON,2017-03 Errol Lawson, a best selling author, publisher, and coach that works with a variety of individuals in education, entrepreneurship and church based ministry around the world, this week released his latest work, The 5 Core Abilities of Highly Effective Leaders, available on book distribution platforms today. In his first book aimed directly at a Christian audience, Errol went on a quest to discover what it takes for a Christian leader to become an influential and impactful leader in their generation. Lawson sat down with 106 of the most influential Christian leaders in the world right now to discover the keys to their influence and success. He said, Imagine every member of your church executing their purpose and doing exactly what it was that they were called to do in the places where they are called to be and transforming lives all around the world. It was this idea that inspired him to pen the latest work. For hundreds of years men and women of the church have been at the forefront of innovation and social reform, said Lawson. In science, health care, education, social action and entrepreneurship Christians, inspired by their faith, have stepped out courageously to respond to the challenges of their times. Great organisations like Barnardo's, the Samaritans, The red cross, The YMCA, The salvation Army are some examples. Sir Isaac Newton, one of the greatest scientists of all time, Dr Martin Luther King Jr, CS Lewis, Mother Theresa and many other leaders in the modern day era. Leaders interviewed for Lawson's new book include niece of Dr Martin Luther King Jr, Dr Alveda King, notable Rabbi and best-selling author Rabbi Daniel Lapin, and online marketing strategist and best-selling author Perry Marshall, as well as many other internationally recognised and outstanding leaders. After reviewing the information from the interviews, Lawson identified 5 key things that all leaders embody. He coined these 5 things The 5 Core Abilities of Highly Effective Leaders: 1. The ability to create and communicate a compelling vision 2. The ability to create and manage wealth 3. The ability to defy self-doubt and lead with conviction 4. The ability to get the best out of the people you lead 5. The ability to focus on the key activities and delegate or eliminate the rest Through this new book, Lawson teaches readers how to step into their biggest challenges, realise their leadership potential, and make an impact in their generation for Jesus.
