Race Differences in Intelligence Richard

Lynn,2014-08-01 Through more than 50 years of academic research, Richard Lynn has distinguished himself as one of the world's preeminent authorities on intelligence, personality, and human biodiversity. *Race Differences in Intelligence* is his essential work on this most controversial and consequential topic. Covering more than 500 published studies that span 10 population groups, Lynn demonstrates both the validity of innate intelligence as well as its heritability across racial groups. How to Trap a Leprechaun Sue Fliess,2017-02-07

Legend has it that if you catch a leprechaun, he'll grant you a wish. But, be careful! Leprechauns are full of trickery. To catch one, you'll need to be clever in crafting your trap. Grab some glitter and glue and get prepared for your wily holiday visitors! On the night before St. Patrick's Day, leprechauns show up to steal your treasures and then disappear as quickly as they came. However, if you're careful you might be able to catch one and then he'll grant you a wish. You'll have to be sneaky and set just the right trap to trap a leprechaun. Sue Fliess's read-aloud text and Emma Randall's whimsical illustrations will provide much fun for young readers eager to catch their very own leprechaun! But beware: leprechauns may leave you with nothing but a cardboard box and a shoe or two.

I've Got a Time Bomb Cybil Lamb,2014-05-27 On her way home from a gay wedding, Sybil's eponymous protagonist is ambushed, beaten, and left for dead on the train tracks. Days later, Sybil awakens in a hospital and finds her skull has been reconstructed, but it quickly becomes clear that her version of normal and reality may have been permanently altered. When she falls in love with a very beautiful, but very married, actress, Sybil does what comes naturally: she presents the object of her affection with a homemade explosive device, and then abruptly leaves town. I've Got A Time Bomb chronicles her surrealistic journey living among the loners, losers, and leave-behinds in the dark corners of Amerika.

Byrnes Downs Donna F. Jacobs,2008 Located in the West Ashley area of Charleston, Byrnes Downs is a charming community designed and developed by the V-Housing Corporation in the 1940s. The Long Construction Company built this successful war-housing project of 360 houses that became the lifelong homes for many families. Early settlers who had made homes on the Charleston peninsula traveled west to develop the suburban neighborhoods of St. Andrew's Parish: Byrnes Downs, Albemarle Point, the Crescent, Moreland, Old Windermere, South Windermere, Wappoo Heights, and Westwood.

Moms Who Drink and Swear Nicole Knepper,2013-04-02 If you feel like your kids are killing you, you've come to the right place. This irreverent, hilarious guide to the trials of motherhood makes the perfect gift for mom—or any woman with a huge heart and a mouth that sometimes needs washing out with soap. Attention all potty-mouthed, cheap-wine-drinking mothers: Prepare to meet your match. Any bad thought you've had about your kids, Nicole Knepper has had worse. Much worse. It's not that she doesn't love her kids. It's that she understands what a mind-f*?% it can be to try to civilize those wild little beasts. Based on her hugely popular Facebook page, "Moms Who Drink and Swear," this book reveals why family dinners are like herpes, how to avoid smashing toys that are being fought over, and the joy of hearing that your son has murdered his imaginary friend. As Nicole rants and raves about caring for children (without crushing their souls), family togetherness (without too many tears), the saving grace of girlfriends (and vodka), and love and marriage (and all the baggage that goes with them), she gets to the heart of what every exasperated mom is thinking, just much funnier.
