Tennis: Winning the Mental Match Allen

Fox, 2010-09-30 Tennis is more mentally difficult than most other sports. Because of its one-on-one nature, it feels more important than it is. Competitive matches can become highly stressful, and losing is painful. Emotions tend to get out of hand, with fears and nerves becoming difficult to control. Confidence comes and goes; the scoring

system is diabolical; and everyone is at risk of choking, even the greatest players in the world. This book attacks these and other issues faced by players of all levels. Dr. Allen Fox's solutions are logical and straightforward, and most importantly, they have been tested on court and they work.

I can think of no-one with a greater depth of knowledge or skill in identifying those key details that will improve your game than Harold Mollin! - James Y. Definitely Crazy In A

Good Way As a psychologist, I know there are crazy people in a good way and crazy people in a bad way. From my life experience, I also know there are good pains in the ass and bad pains. Harold Mollin is definitely crazy in the good way - never met someone so crazy about tennis. [...] Most importantly, from an educational viewpoint, Harold sincerely enjoys the progress all his students are making in their tennis. Life, not only tennis, is all about beating/winning from yourself. Harold is certainly making a significant contribution to my ambition of becoming a worldwide top 100 player in the ITF Seniors (50+) circuit! - Vittorio B.

Psychologist, PhD His Tennis Passion Is Contagious Harold Mollin's passion for tennis is contagious, not to mention is he one of the best in the world on the seniors tour (for numerous age groups), but his knowledge and deep understanding for the game can inspire all ages and aspiring tennis players of all levels - Peter Lucas (former ranked Australian junior) Harold's Tennis Tips Are Key Pointers In between tennis lessons, Harold's tips are key pointers that help me strengthen my game - Camille P. Because of this man, I even have become more fanatic about tennis Was introduced to the beautiful game of tennis by my parents whom i forever remain grateful for but the appreciation even became bigger when 4 years ago i became acquainted with Mr Harold Mollin. Not only does this man eat, speak and dream tennis, he has played and lived it and his match analysis and player profiles are spot on. Because of this man, I even have become more fanatic about tennis even more and its all thanks to him, my love for the sport has risen to greater heights. Since I left Bangkok last year after 7 great years, I still watch the game and love it with passion but its not the same with my man Harold by my side giving me the blow by blow bits of every game and play. He is a man who would be of great help to any

individual with hopes of making it big on the tennis circuit. - Farai Ngoni B. It's an awesome book... "It's an awesome book... bought it for my kindle on amazon ... great tips and awesome drills. I really like your drills... My student and I do the serve and volley drill she calls it the serve and volley game first to 10 lose at point if you double fault or miss the 1st volley ... we also do the 8 deep volley or overheads without allowing any ball to bounce and the volley game half court only start the rally and play it out lose a point if the ball gets over your head ... your drill are on point in reinforcing skills and tactical lessons..." - Clay R. Thanks Harold Mollin ! You are the MAN ! "I used to have a weak serve because hitting the ball at below the highest point robbed me of a full swing. This simple but effective point about hitting at the highest point helped me hit stronger serves and slice as well. Thanks Harold Mollin ! You are the MAN !" - Steve Teoh Get the best out of our students... "Although I've been coaching for many years, and we all have our own methods to get the best out of our students, I will always look and listen to what my peers are doing. Quite often I will invite a coach to my sessions to look at my students with fresh eyes, i never feel threatened or worried about losing a student, in fact more often than not it makes them feel even more important, and are grateful, I have used many of your quotes thank you Harold, I am planning to visit Bangkok in the future." - Roger Nadal Tennis

It is based on the simple idea that tennis should, most of all, be a fun activity, as well as providing challenge and competition. It covers topics like How to keep things simple in tennis How to focus and enhance your consistency Winning for fun, but never at all cost Finding people you enjoy playing and competing with Making tennis a fun game for kids, and how to be a tennis parent Tips for doubles and mixed doubles Full of humorous comments and drawings, there are also many practical tips on how to play a tie-breaker, how to set up a recreational tournament, how to select a racket and string, what to do about tennis elbow, and many more. There is no more glory in winning your match from your regular tennis buddy than the satisfaction that, today, what you tried to do, worked. The fun was in trying to win, not to defeat your friend.
