Essential Tennis Ian Westermann, 2022-05-31 The essential book from online tennis coaching sensation Ian Westermann, founder of EssentialTennis.com What's the number one thing stopping you from playing your best tennis? Ian Westermann, founder of the world's #1 online tennis instruction portal, Essentialtennis.com, will confidently say it's an obstacle you probably never thought of: The ball. You might think this sounds ridiculous. The whole point of tennis is to hit the ball over the net and in, so how can the ball be the thing that's standing in the way? In fact, this is why the ball is such an impediment: your desire to hit a good shot, with the right mix of power and spin, to a specific spot on the court, prevents you from striking the ball the way you should. In *Essential Tennis*, readers – players and coaches, alike – will learn how improving at tennis actually happens and how to easily implement these lessons and integrate them into better play on the court. Players will hit stronger shots, make fewer errors, and beat players who are currently beating them. Coaches will look differently at what it means to provide a student with a holistic learning experience. *Essential Tennis* contains technique-based instruction for executing groundstrokes, volleys, and serves, as well as progressions, drills, and mindsets players should incorporate. Westermann illuminates strokes, movement, strategy, and mental toughness – all proven to be successful over 20 years with clients of all ages and skill levels.

Senior Tennis George Wachtel, Roy Emerson, 2014-07-14 A great How-To book on playing the game of tennis, with information about all the strokes, match strategy, rules of the game, and staying healthy -- with a foreword by Australian tennis legend Roy Emerson: "Apart from having instant appeal to tennis lovers everywhere, the knowledge in this book will provide invaluable information to all who read it." "There's tons to read here that will benefit players of all shapes and sizes." Joel

Drucker, Tennis Historian/Story Editor for Tennis Channel “This book has practical tips for seniors to overcome their physical limitations and offer us the freedom to enjoy this marvelous sport for years to come.” Fred Drilling, USPTA, World Singles Winner '07, Doubles '09 “The game of tennis is a lifetime activity. Spin Tom Lodziak, 2020-08-21 Table tennis is a weirdly addictive sport. All over the world, an army of amateur table tennis players compete in leagues, tournaments, pub battles, work challenges and 'friendly' family games. A 78-year-old can beat a 28-year-old. A 10-year-old can make a grown man cry. To win, you need ninja-like reflexes, the control and coordination of a tightrope-artist, and the tactical dexterity of a chess grandmaster. In this book, coach Tom Lodziak will help you improve your table tennis skills, win more points and win more matches. Tom shares tips on training, service, returning serves, winning points, tactics, playing matches and continual improvement. These are tips which work at amateur level. Tips which are achievable. Tips which will make a difference, even if you only play one hour per week. Are you ready to transform your table tennis game?

The Inner Game of Tennis W. Timothy Gallwey, 1997-05-27 The timeless guide to achieving the state of “relaxed concentration” that’s not only the key to peak performance in tennis but the secret to success in life itself—part of the bestselling Inner Game series, with more than one million copies sold! “Groundbreaking . . . the best guide to getting out of your own way . . . Its profound advice applies to many other parts of life.”—Bill Gates, GatesNotes (“Five of My All-Time Favorite Books”) This phenomenally successful guide to mastering the game from the inside out has become a touchstone for hundreds of thousands of people. Billie Jean King has called the book her tennis bible; Al Gore has used it to focus his campaign staff; and Itzhak Perlman has recommended it to young violinists. Based on W. Timothy Gallwey’s profound realization that the key to success doesn’t lie in holding the racket just right, or positioning the feet perfectly, but rather in keeping the mind uncluttered, this transformative book gives you the tools to unlock the potential that you’ve possessed all along. “The Inner Game” is the one played within the mind of the player, against the hurdles of self-

doubt, nervousness, and lapses in concentration. Gallwey shows us how to overcome these obstacles by trusting the intuitive wisdom of our bodies and achieving a state of “relaxed concentration.” With chapters devoted to trusting the self and changing habits, it is no surprise then, that Gallwey’s method has had an impact far beyond the confines of the tennis court. Whether you want to play music, write a novel, get ahead at work, or simply unwind after a stressful day, Gallwey shows you how to tap into your utmost potential. No matter your goals, *The Inner Game of Tennis* gives you the definitive framework for long-term success.

41-Love Scarlett Thomas, 2022-01-04 A darkly funny sports memoir about a mid-life crisis, exercise addiction, tennis, and how to grow up when you really, really don't want to At forty-one, Scarlett Thomas was a successful novelist and a senior academic. She’d quit smoking, gotten healthier, settled down in a lovely house with a wonderful partner. She’d had all the therapy. Then her beloved dog died. Her parents started to get sick right around

the time she realized she was never going to be a mother herself. For the first time in her life, maintaining her ideal weight had become nearly impossible. She was supposed to grow up, but she didn't know how. So instead she decided to regress, to go back to the thing she'd loved best as a child but had inexplicably abandoned: tennis. Thomas knows she's not the only person to have wondered whether throwing enough money and time and passion at something can make your dream come true. 41-Love is heartbreaking but frequently funny as Thomas finds she'll do anything to win—almost anything.

Real Tennis Tips for Real Tennis Players Kim Selzman, 2014-02-18 It's easy to get caught up in the belief that your tennis play will improve if you just spend more time on court

or more money on lessons or equipment. And while those things might help, you can get better without doing any of them. The truth is that the best tennis player is not necessarily the one with the best strokes, or the most powerful serve, or the smartest on-court strategies. Rather, tennis is a game that often rewards the player who does just a few things, sometimes only one thing, better than his or her opponent. If you're an average, everyday player, a real tennis player, you can learn to play better tennis quickly by applying some real tennis tips to your game. Tips that work and can truly improve your game. Real Tennis Tips For Real Tennis Players is a book packed with useful tips on all aspects of the game, including tips on: - Gear, Equipment & Accessories - Pre-Match Preparation & The Warm-Up - The Serve & The Return - Strokes & Shots - Tactics & Strategy - Mental Strength & Focus - Taking Your Game To The Next Level After putting just a few of these tips into action, you'll begin to see a big change in your tennis game. If you're not a professional athlete, if you don't want to waste your time and money on unproductive private lessons, and if you've been frustrated with your lack of on-court improvement, Real Tennis Tips For Real Tennis Players will help you play better tennis fast.
