The Big White Hen Teri Blumenthal, 2017-08-06 The developers of the popular Clue Catcher IOS app bring you The Big White Hen, a charming story of two chickens that need to find a new home. Farmer Tony brings them to live on his farm. Will they find friends and happiness there?? Find out what happens... and learn some new words. This story has an alternative, second purpose. When this story is read aloud by an adult or more mature reading partner, it provides a wonderful opportunity to discuss targeted unfamiliar words in a way which may lead the child to generate their own understanding. The ability to understand what you're reading using context is an important reading comprehension strategy, which can be addressed and taught in this natural and enjoyable manner. Enjoy!

Baby Catcher Peggy Vincent, 2003-04-15 In this engaging account of her career as a midwife, Vincent describes the hilarious, sometimes frightening, events surrounding the appearance of a new human being. More than a collection of unforgettable stories, Baby Catcher is a clarion call for a less technological, more personalized approach to childbirth in this country.

Then an Angel Came Carol Gino, 1998-08-10 When the author's infant grandson dies from Sudden Infant Death Syndrome the family is riddled with unbearable loss, until the intervention of an angel named Janith offers them comfort and guides them through this time of sadness, in an extraordinary true account of miracles, self-discovery, and angels. Crushing It Jennifer Bernard, 2019-10-14 Love is about to throw a serious curveball... For new Hall-of-Famer Crush Taylor, even owning the championship Kilby Catfish baseball team has lost its edge. In fact, the only thing that fires him up these days is ice queen Wendy Trent, mayor of Kilby, Texas and official thorn in his side. She thinks he's a player—and she's right. But the stunning, smart, and unattainable Wendy gets under his skin like no other woman. Wendy hasn't risen to her position of mayor by chance—she's worked incredibly hard to succeed, and knows the pain of being burned. So when the brash, irrepressible, heart-meltingly gorgeous Crush turns his attention her way, she's definitely not interested. Okay, maybe a little...but he'll never know. Then a brilliant, young female pitching phenom—and Wendy's long-lost daughter--shows up in Kilby. Finally Crush and Wendy want the same thing -- to give Teri a chance at a pro baseball career. Making baseball history would be a home run. Temporarily giving in to their wild attraction in the process? Grand slam. There's only one problem: falling in love could be the biggest game changer of all.

A Philosophical History of Documentary, 1895–1959 Dan Geva, 2021-09-15 This book presents a chronology of thirty

definitions attributed to the word, term, phrase, and concept of "documentary" between the years 1895 and 1959. The book dedicates one chapter to each of the thirty definitions, scrutinizing their idiosyncratic language games from close range while focusing on their historical roots and concealed philosophical sources of inspiration. Dan Geva's principal argument is twofold: first, that each definition is an original ethical premise of documentary; and second, that only the structured assemblage of the entire set of definitions successfully depicts the true ethical nature of documentary insofar as we agree to consider its philosophical history as a reflective object of thought in a perpetual state of being-self-defined: an ethics sui generis.

Let's Get Mommy Married Marie Ferrarella, 2011-07-15 The marriage scheme... The Mom: runs a matchmaking service and refuses to find herself a date! Her son wants her to find herself a husband, but Rosemary Gallagher wants to remain happily unmarried. The Kid: has the perfect plan and doesn't care if it gets him grounded for a year. Little Danny is going to get his mommy married, and he wouldn't mind having a dad, too. The Would-be Groom: doesn't have a clue that he's about to say bye-bye to bachelorhood. Chris Maverick, get ready to walk down that aisle!

Nonfiction Film Richard Barsam, 1992-11-22 Richard Barsam has given us as comprehensive a study of the origins and development of the nonfiction mode in motion pictures as we are ever likely to have in one volume. He draws on all the major written sources and many which are little known, and he shares with us many eloquent descriptions of the films themselves, giving us a valuable textbook. --Richard Dyer MacCann ... superb work... --Historical Journal of Film, Radio, and Television

Spring Training Stacey Rhodes, 2014-05-30 With two diverging careers on the line, Teri and Aaron are torn between the right thing to do...and what feels so right to them. With a son who's played since he could walk, Teri lives, eats and breathes baseball. She was almost more excited than Emery when his invitation to a minor league team's training camp came. But excited doesn't begin to describe her reaction to Em's new mentor, Aaron Reynolds. A spring fling? Just the ticket. Fighting a chronic injury, Aaron is biding his time until he can return to the majors. Being assigned a mixed-up rookie to babysit is fine with him, especially one that comes with a sassy, sexy camp follower like Teri. But he soon finds he has his hands full...trying to keep Emery on the straight and narrow...and trying to keep his liaison with Teri strictly physical.

Seasoned Women: A Box Set Stacey Rhodes, 2019-12-03 Sex on Summer Sabbatical Who knew it would be so hard to get a twenty-something man to have sex? Forced by her employer to take a three month sabbatical, workaholic Tori

Warren makes a checklist of things to accomplish that will make the time off worthwhile. Get into the best shape of her life. Have the most fun of her life. Oh, and have the best sex of her life with a no-strings holiday affair. Sexy young Adam Cross comes into her life at just the right time. A physical trainer with a loving-life personality, he should work nicely in helping her meet all three goals. He'd be especially perfect for the best sex. Now if he would only just cooperate... Adam learns of her calculating plans involving him soon after beginning to date Tori. But by then he's realised he wants much more than to be the means to an end for her. If he can only hold out until the end of the summer, maybe he'll have time to convince her that the best sex comes with strings... Falling for the Other Brother Erica had been planning to break it off with Trevor—he was really too young for her, after all. But it's hard to use that excuse when the man she's really interested in is Trevor's twin, Colin. Her biological clock ticking, a chance conversation leads Erica to Trevor, a former sperm donor, who helps convince her to move ahead with her plans. But he adamantly refuses to be her donor, in fact he's pulled all his past donations, for a reason he won't discuss. Their subsequent relationship, while hot, just drives home the different goals the two have. When Colin returns from overseas, his problem with intimacy still looming large, he never dreamt he would meet his ideal partner in Erica. Only two things stand in their way—her relationship with his brother, and the fact she wants children...the one thing he can no longer provide. Winter's Thaw Sometimes in the depths of winter, warmth can force an unexpected bloom. In shock after the death of her ex-husband, Maggie Winter gives in to her need for comfort with a near stranger, but immediately regrets her impulsive act. With her young daughter to raise alone, it's time to start acting her age. Something about Maggie puts all of Nick's protective instincts on high alert, but that isn't all he feels for her. So when she makes it clear she needs space, he isn't put off by her cool act and has no problem biding his time. However, when the slow simmer between them stretches on, it's just a matter of time before one of them decides to turn up the heat.
