**Terriers - An Illustrated Guide (a Vintage Dog Books Breed Classic)** Darley Matheson,2021-01-08 Originally published in 1922 as *Terriers*, this scarce early work on British terrier breeds is both expensive and hard to find in its first edition. VINTAGE DOG BOOKS have now republished it, using the original text and photographs, as part of their CLASSIC BREED BOOKS series. The book's two hundred and thirteen pages discuss nineteen breeds of terriers originating within the British Isles. (with the possible exception of the Boston Terrier which although bred from a British Bulldog cross, can now rightfully claim to be an American breed). The first part of the book deals with the origins, history, description and standards of each of the nineteen breeds, and includes thirty one vintage photos of typical dogs: - The Fox Terrier. - The Sealyham Terrier. - The Welsh Terrier. - The Scottish Terrier. - The Cairn Terrier. - The West Highland White Terrier. - The Skye Terrier. - The Clydesdale Terrier. - The Dandie Dinmont. - The Border Terrier. - The Bedlington Terrier. - The Airedale Terrier. - The Irish Terrier(Dare-Devil). - The Kerry (Blue) Terrier. - The Bull Terrier. - The Boston Terrier. - The Black and Tan Terrier. - The English White Terrier. - The Yorkshire Terrier. Part two of the book contains chapters on - Feeding. - Washing, Grooming, and Exercise. - The Stud Dog. - The Brood Bitch and Her Management. - Some Terrier Ailments and Accidents. This is a fascinating read for any Terrier enthusiast or historian of the breeds, but also contains much information that is still useful and practical today. Many of the earliest dog breed books, particularly those dating back to the 1900's and

before, are now extremely scarce and increasingly expensive. VINTAGE DOG BOOKS are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

*The Boston Terrier* J. Mott, 2015-01-27 This special re-print edition of Dr. J. Varnum Mott's book *The Boston Terrier: Its History, Points, Breeding, Rearing, Training and Care* has not been available to fans of the Boston Terrier since it first appeared on the scene back in 1906. Dr. Mott's famous work on the breed offers a unique look at the early history of the Boston Terrier and some of the early breeders and famous dogs at the turn of the 19th century. Written from the standpoint of Dr. Mott's common sense, some of the topics include the history of the Boston Terrier, the influences of some famous early Boston Terriers like Barnard's Tom on the development of the breed as well as other sires and dam. Also included is insight into the formation of the Boston Terrier Club of America and its first written conformation standard, the Boston Terrier as a show dog, as well as how Boston Terriers were bred, trained and cared for in those early days. While the passage of over a century has rendered much of Dr. Mott's advice on breeding and caring for Boston Terriers obsolete, this work will shed considerable light on this wonderful dog breed known as the American Gentleman. Lavishly illustrated with photos of some top Boston Terriers of a century ago. Note: This edition is a perfect facsimile of the original edition and is not set in a modern typeface. As a result, some type characters and images might suffer from slight imperfections or minor shadows in the page background.
