Texas Longhorns Football History A to Z Richard Pennington,2008 The game may be the same in other states, but football seems to mean more in Texas. Beyond any doubt, one school in the Lone Star State has the richest football history and the most glorious tradition - the University of Texas. More than 800 victories, four national championships (1963, 1969, 1970, and 2005), and two Heisman Trophy winners (Earl Campbell and Ricky Williams) indicate just what a pigskin powerhouse the Longhorns are. Richard Pennington conducted exhaustive research in writing *Texas Longhorns Football History A to Z*. This book, which is sure to delight orangebloods in Texas and beyond, traces the development of the school's football program from 1893 through 2006. With a deft hand, Pennington recounts the highs and lows the Horns have experienced in those years. He writes about the major figures in UT football history - Clyde Littlefield, Dana X. Bible, Bobby Layne, Darrell Royal, DeLoss Dodds, Vince Young, and others - but he also shines a light on obscure but interesting people. A prime example is Marion Ford, one of UT's first black undergraduate students. Ford volunteered to join a woeful (1-9) team in 1956 but was politely turned down. Fourteen years would pass before Texas integrated its football program. As the title indicates, *Texas Longhorns Football History A to Z* is full of facts and figures, anecdotes and trivia, all-decade teams and archival information. Respectful of all but beholden to none, Pennington has written a book that engages hard-core fans as well as those wondering where football legitimately fits in any institution of higher learning. That issue certainly pertains at the University of Texas, which has 450,000 living alumni, an athletic budget topping \$100 million, and a newly expanded stadium that seats 90,000-plus.

Longhorn Nation Bill Little,Jenna Hays McEachern,2015-09 Firsthand accounts of the legends and lore of Texas football The most outstanding voices of the University of Texas football tradition come together in this decade-by-decade collection of more than 40 stories. Texas fans will relish the intimate stories told by Darrell Royal, Mack Brown, Earl Campbell, Ricky Williams, and other figures they have come to cherish. This collection of interviews with student athletes and coaches captures the true essence of Texas football, making it the perfect book for any Longhorn fan.

Longhorn Football Bobby Hawthorne,2007-09-01 An authoritative history of the nation's fourth-winningest college football program is lavishly illustrated with two hundred photographs of the legendary players and coaches, historic games, and unique traditions of the Texas Longhorns from the University of Texas at Austin.

Texas Longhorns Whit Canning,2005 With three national championships, more than 80 All-American and nearly 800 victories, the University of Texas has a football history and tradition among the richest in the nation. This book offers a look at a small slice of that history and tradition, with updates on the lives of those who made it possible. Among these are: Johnny Treadwell, whose Now we've got 'em where we want 'em challenge became the emblem of the Darrell Royal teams of the early 1960s; former head coach David McWilliams, whose departure from the coaching ranks may have eventually helped to save his life; Duke Carlisle, the star of three crucial showdowns in a national championship season, now enjoying life in the oil business in Mississippi; Julius Whittier, UT's first black football letterman, who finished with two degrees and has been a successful Dallas attorney for 20 years; Ben Tompkins, who played baseball with Satchel Paige, spent 20 years as an NFL game official, and is still practicing law at 75; T Jones enshrined in the Hall of Honor at both UT and Texas Tech; Ben Procter, who held a UT receiving record for 40 years still lives in house he bought from Lyndon Johnson's sister, and is finishing up the second volume of a biography of William Randolph Hearst; Alan Lowry, who answers the gnawing question about whether he stepped out of bounds on the run that beat Alabama in the Cotton Bowl; James Saxton, the swift All-American who survived a near-fatal illness; Roosevelt Leaks, who after a lengthy NFL career still spends time on the family farm where he grew up; the Campbell twins, who as the sons of defensive coordinator Iron Mike Campbell, willed themselves into becoming starters on a national championship team; Randy Peschel, the man who caught Right 53 Veer Pass; James Street, the man who threw it; and former Outland winner Scott Appleton, who destroyed his life with alcohol and then rebuilt it, becoming a minister who touched countless lives before his death.

Freddie Steinmark Bower Yousse,Thomas J. Cryan,2015-09-01 Freddie Steinmark started at safety for the undefeated University of Texas Longhorns in 1969. In the thrilling “Game of the Century,” a come-from-behind victory against Arkansas that ensured Texas the national championship, Steinmark played with pain in his left leg. Two days later, X-rays revealed a bone tumor so large that it seemed a miracle Steinmark could walk, let alone play football. Within a week of the Arkansas game, his leg was amputated. A gritty, undersized player, Steinmark had quickly become a fan favorite at Texas. What he endured during the Longhorns’ memorable 1969 season, and what he encountered afterward, captivated not only Texans but the country at large. Americans watched closely as Steinmark confronted life’s ultimate challenge, and his openness during his battle against savage odds helped reframe the national conversation surrounding cancer and the ongoing race for a cure. Written with unfettered access to the Steinmark family and archives, Freddie Steinmark: Faith, Family, Football is the exploration of a brief but full life, one that began humbly but ended on a grand stage. It is a fitting tribute to a legendary Longhorn whose photograph, emblazoned with the word “Heart,” flashes on the Freddie Steinmark Scoreboard’s Jumbotron prior to each home football game in UT’s Darrell K Royal-Texas Memorial Stadium at Joe Jamail Field.

Tales from the Texas Longhorns Steve Richardson,2005-11 From their first bowl-game appearance on New Year's Day 1943 in Dallas to its amazing 38-37 comeback win over Michigan in the 2005 Rose Bowl, the lore of Longhorn football has been matched by few other schools over the past 50 years. In this updated edition, fans can read fascinating anecdotes and stories about the program's football legends, while exploring the careers and unique styles of UT coaches Darrell Royal, Dana Bible, and Mac Brown.

Coach Royal Darrell Royal,John Wheat,2010-01-01 Many legendary men have been associated with University of Texas football, but for most fans one man will always be Coach—Darrell K Royal. One of the most successful coaches in college football, Royal led the Longhorns to three national championships and eleven Southwest Conference titles during his twenty years (1956-1976) as UT's head coach. He coached some of the Horns' best players, including future Heisman Trophy winner Earl Campbell, and was named NCAA Coach of the Year three times. In 1969, an ABC-TV poll of sportswriters called Royal the Coach of the Decade. In 1996 UT recognized his unrivalled contribution to Longhorn football when it designated Memorial Stadium the Darrell K Royal-Texas Memorial Stadium in his honor. Now, for the first time, Darrell Royal tells his life story in his own words. He remembers growing up poor in Hollis, Oklahoma, during the Great Depression, and describes playing college football for the University of Oklahoma and then coaching a succession of college teams and one pro team before settling in at UT for the rest of his career. He gives a fascinating, behind-the-scenes look at Longhorn football during his time-recruiting strategies, coaching techniques, the famous wishbone offense, unforgettable wins and losses, and his impressions of rival teams and coaches, including Bear Bryant of Texas A&M and Alabama and Frank Broyles of Arkansas. Proving that he's still the same straight shooter as always, Darrell Royal even discusses some of the controversies he's dealt with, including early charges of racism in the UT football program, the impact of Title IX on college athletics, his association with Jim Bob Moffett and the Freeport-MacMoRan Corporation, his longtime friendship with Willie Nelson, and his decision to retire from coaching. But whether he's describing the tough times he's faced professionally and personally or the rewards of being UT's most beloved coach and goodwill ambassador, Royal maintains the same plainspoken honesty and sense of honor that—as much as the winning seasons—have made him a legend to so many people.
