Tales of Texoma Michael L. Collins,2005 The history of the Red River border country is rich, magnificent and barbaric. Like the rugged terrain that sprawls west of the 97th meridian along both banks of the rust-colored water, the love of the land known as Texoma is unique. As with any epic of the American West, it is a proud heritage filled with legends - Cynthia Ann Parker, her son Quanah, the Buffalo Soldiers, Geronimo, Cattle Kings and cowhands on the Chisholm and Western Trails, and more.

Texoma David T. Sanders, 2017-06-05 **Texoma** by David T. Sanders **Texoma** tells the engaging story of Karen Parker, an exceptionally accomplished young woman from Texas, who is an international business player, a charmer of every man and woman, and a crack shot. Her adventures range from the oil fields of her home state, to business dealings in global hot spots, the lovely green pastures of her husband-to-be in Ireland, and a devastating terrorist attack in France! She ministers to the wounded, is always there to help out her friends and neighbors, and is sharp as a whip in cutting a business deal or sensing a business opportunity. And behind it all is the curious allure of this remarkable woman in David T. Sanders' new novel: read it, and you too will be drawn to her.

The Way It Was Alvin Fuhrman,

Sammy: On Vacation: Book 4 of the Sammy Series Robin Hardy,2014-04 When the going gets tough, the tough . . . go fishing. The daily grind of working for a living starts to wear on Dallas detective Sammy Kidman, so he and his wife Marni accept her parents' invitation to spend a week fishing with them and their pastor on Lake Texoma. But when a runaway hiding in their cabin draws

the unwelcome attention of the county sheriff, Sammy poses as a Hollywood documentary producer come to film the residents of Bastion, Oklahoma. Just when he thinks he has everything under control, a member of his party falls seriously ill and he takes up a bedside vigil in the local hospital. But the sheriff is bent on petty revenge, so Sammy's back in the fray. Sammy: On Vacation is the fourth book in The Sammy Series, which begins with Sammy: Dallas Detective. Book 5 in the series is Sammy: Little Misunderstandings.

Funny Money Mark Singer, 2004 From esteemed New Yorker writer Mark Singer comes this cautionary tale of the Penn Square Bank, the oil and gas broker in an Oklahoma City shopping mall whose collapse in 1982 staggered America's banking industry. Recounting the whole spectacular story and its colorful characters, Singer makes brilliantly (and hilariously) clear what actually happened and why it had to happen in boom-time Oklahoma. Nowhere else did money flow in quite the same spontaneous fashion. [A] tale of wonderful verve (New York Times), *Funny Money* comes to life through Singer's vivid prose and continues to resonate in today's culture of corporate corruption.
