See Ya Later Arron Crascall, 2017-10-19 Alright guys? It's me, Arron. Or as some people call me, 'that guy with the phone, the skinny jeans and the really fat head'. In a world that seems to be freefalling without a parachute towards utter chaos, I'm here to remind you that when life gives you lemons, make lemonade. No, in fact, when life gives you lemons, make a fool out of yourself in the lemonade aisle.* Because there's more to life than Brexit, Bake Off and banging on about being vegan. Yes, with this book - which is my take on the world - you will learn how to survive a proper lads' holiday, become a master in the art of takeaway ordering and find out about the pitfalls of seriously inappropriate tattoos. So do yourself a favour: turn off the news, cancel that juice cleanse, open your eyes to the brilliant, hilarious world we live in and most importantly . . . buy this book. SEE YA LATER! Arron x *Actually, don't do exactly that, that's my thing.

"See Ya Later Shit Lords!" Edward Blackwell, 2017-03-28 This is a collection of the blogs that were written every day whilst undertaking the Mongol Rally, with my school friend Mikey, in the summer of 2016. These blogs are a frank and truthful account of what it is like to spend five weeks on the road in a tiny red car, travelling over 10,000 miles, across a third of the world's surface, through 20 countries. The Mongol Rally is one of the toughest adventures in the world and this book gets you to the highs and lows as if you were in the passenger seat. The rally wasn't just about travelling the world. The pair managed to raise over £2000 for three charities: Cool Earth, The Back Up Trust and The Max Levene Trust. This was helped by many sponsors, who took pride of place on the exterior of the little red car. Fletcher's Solicitors were the main contributors, more sponsors are given in the book.

See You Later, Alligator Sally Hopgood, 2016-09-20 A departing tortoise has his bags packed and is almost ready to set out on an adventure, but he can't leave until he says good-bye to each of his animal friends. The tortoise stops for every last timid mouse and bumblebee, shouting his rhyming good-byes, making you wonder if, perhaps, he's stalling the start of his trip. His animal friends appear startled as he suddenly pops up on each page to say adieu—especially the perplexed rhinoceros the tortoise mistakes for a unicorn! With each farewell, the tortoise's good-byes get sillier and more creative. When will the good-byes end and the adventure begin? *See You Later, Alligator* is a silly story with bright, engaging illustrations and expressive, rhyming text that children will want to read—and giggle through—again and again. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Love Spells and Other Disasters Angie Barrett, 2021-02-01 I didn't know when I wrote the first love spell that it would actually make things happen. Like, actually make people fall in love with each other... How could I have known something like that? I mean, magic isn't real, right? But here's the thing—the spell does work and so does the next one and the next one...and suddenly I'm getting a whole lot of attention from everyone at my high school. Me, Blend-into-the-Walls, Please-Let-Me-Introvert-in-Peace Rowan Marshall. And not only that, but I've also caught the attention of Luca Russo, a godlike, football-playing hottie who claims he likes me just the way I am. Ummm... But as I'm about to learn, playing around with things you don't understand means when things go wrong—like really, very awfully wrong—you don't know how to fix them.

Men Are from Mars, Women Are from Venus John Gray,1993-04-23 Popular marriage counselor and seminar leader John Gray provides a unique, practical and proven way for men and women to communicate and relate better by acknowledging the differences between them. Once upon a time Martians and Venusians met, fell in love, and had happy relationships together because they respected and accepted their differences. Then they came to earth and amnesia set in: they forgot they were from different planets. Using this metaphor to illustrate the commonly occurring conflicts between men and women, Gray explains how these differences can come between the sexes and prohibit mutually fulfilling loving relationships. Based on years of successful counseling of couples, he gives advice on how to counteract these differences in communication styles, emotional needs and modes of behavior to promote a greater understanding between individual partners. Gray shows how men and women react differently in conversation and how their relationships are affected by male intimacy cycles (get close, back off), and female self-esteem fluctuations (I'm okay, I'm not okay). He encourages readers to accept the other gender's particular way of expressing love, and helps men and women learn how to fulfill each other's emotional needs. With practical suggestions on how to reduce conflict, crucial information on how to interpret a partner's behavior and methods for preventing emotional trash from the past from invading new relationships, *Men Are from Mars, Women Are from Venus* is a valuable tool for couples who want to develop deeper and more satisfying relationships with their partners.
