

Texts From Your Cat

Erin Merryn

Texts from Mittens Angie Bailey,2015-03-31 Texts from Mittens is a series of text message conversations between a snappy, self-absorbed housecat named Mittens and his long-suffering human, a single woman who works away from home during the day. Mittens relentlessly hassles his human all day long, while only taking breaks to watch Judge Judy, hang with his best friend Stumpy, complain about the antics of Drunk Patty the neighbor, ask Grandma for money to buy useless items from QVC, and harass the “filthy beast” dog, Phil. Angie Bailey is an award-winning writer and blogger, humorist, and professional member of the Cat Writers’ Association. Her primary blog, Catladyland, has won many awards, and her humor writing is featured nearly daily on Catster.com, one of the most popular cat sites on the Web. She loves to photograph her cats in silly poses and sleeps with one eye open. And yes, she has three cats. “Each installment of Texts From Mittens is like a little gift to brighten your day!” —Kate Benjamin, Hauspanther founder and co-author of Catification with Jackson Galaxy Texts From Mittens makes me wish my cat had thumbs! This is a hilarious book; Angie Bailey has done it again!” —Jeremy Greenberg, Author of Sorry I Barfed on Your Bed We all knew that cats were hilarious, but Ms. Bailey's sardonic cat quips really take their mannerisms, attitude and occasional apathy to another level. —Susan Michals, Curator of Cat Art Show Los Angeles Come home! There's an emergency! What?? Are you OK? My dish is half empty! I'll be home soon. You wish starvation upon me! Stop being dramatic. Am weebak. Caan hasrdly ttype. Are you going to wear those black pants on your bed? Yes. I have a date. They're comfortable. Mittens, get off my pants! FYI: Poly-blend makes your butt look big

How to Massage Your Cat Alice M. Brock,2003-07 As kitty gift books go, this is the best, funniest, most inspiring of them all, according to the Village Voice and tens of thousands of dedicated readers. Now out on the prowl with a new cover that's the cat's meow, it's ready to inspire a second wave of cats and their owners to relax into a catnap. Author and illustrator Alice M. Brock (of Arlo Guthrie's Alice's Restaurant fame) counsels cat owners to approach the cat quietly with palms up and open. Beginning at the rear, the masseur works all the way around the cat using a vigorous kneading motion, then rubs, presses, twists, and tugs the cat into a state of complete relaxation. We are assured that a well-massaged cat may remain in a state of prolonged calm for some time. Brock's instructions are accompanied by charming illustrations sure to inspire a mischievous chuckle in both friends and foes of felines everywhere.

Diary of the Cat Named Carrot Erin Merryn,2021-03-30 Celebrate a year in the life of The Cat Named Carrot, as she goes from humble beginnings in a shelter to a loving home with a family of three adorable little girls and internet stardom. Bailey was certainly no ordinary cat—an orange tabby who gained fans around the world when his humanlike antics went viral. Sadly, when 14-year-old Bailey died, his family grieved their loss. They’d never find a cat quite like him—or would they? Then along came Carrot, an orange tabby kitten born as a stray, who appeared just as Erin Merryn and her young girls Abby, Hannah, and baby Claire were mending their broken hearts. Written in the voice of Carrot, follow her remarkable journey from shelter cat to top Instagram celebrity feline. Much like Bailey did, she loves spending time with her human family: making mischief with her girl gang; going joyriding in a pint-sized pink Barbie Jeep; doing arts-and-crafts projects; modeling a pink tutu and flowery headband; enjoying a spa day complete with fluffy robe and cucumber eye treatments; celebrating Christmas, Easter, and every holiday in between. It’s no wonder that Carrot’s videos have gone viral—garnering millions of views on Ellen, the Dodo, Good Morning America, Access Hollywood, People, and many more. Complete with four-color photos that will leave readers purring with delight, the journal of this sweet, adorable kitty with personality to spare shows us that the human-animal bond runs more than fur deep. It is love that will last a lifetime!

Second-Chance Dogs Callie Smith Grant,2018-09-18 Everyone loves an underdog, and nothing gives us warmer feelings than seeing someone get a second chance in life. A problem pup who flourishes under the right kind of training. The struggling veteran who finds unconditional love wiggling around at the end of a leash. The lonely child who finds comfort in the steady breathing of the warm, furry friend at her side. Each of us needs to be rescued from something--and each of us has the capacity to rescue someone, or something, else. This collection of more than thirty contemporary, true, feel-good stories spotlights the beauty of being rescued--dogs rescued by people, people rescued by dogs, and even dogs who rescue other animals. It's the perfect companion--well, besides the four-legged, tail-wagging kind--for your morning cup of coffee or an evening curled up on the couch. Contributors include Susy Flory, Dusty Rainbolt, Lauraine Snelling, Melody Carlson, Wanda Dyson, Suzanne Woods Fisher, and many more.

Letters from a Cat Helen Hunt Jackson,1880

Feline Philosophy John Gray,2020-11-24 The author of Straw Dogs, famous for his provocative critiques of scientific hubris and the delusions of progress and humanism, turns his attention to cats—and what they reveal about humans' torturous relationship to the world and to themselves. The history of philosophy has been a predictably tragic or comical succession of palliatives for human disquiet. Thinkers from Spinoza to Berdyaev have pursued the perennial questions of how to be happy, how to be good, how to be loved, and how to live in a world of change and loss. But perhaps we can learn more from cats--the animal that has most captured our imagination--than from the great thinkers of the world. In Feline Philosophy, the philosopher John Gray discovers in cats a way of living that is unburdened by anxiety and self-consciousness, showing how they embody answers to the big questions of love and attachment, mortality, morality, and the Self: Montaigne's house cat, whose un-examined life may have been the one worth living; Meo, the Vietnam War survivor with an unshakable capacity for fearless joy; and Colette's Saha, the feline heroine of her subversive short story The Cat, a parable about the pitfalls of human jealousy. Exploring the nature of cats, and what we can learn from it, Gray offers a profound, thought-provoking meditation on the follies of human exceptionalism and our fundamentally vulnerable and lonely condition. He charts a path toward a life without illusions and delusions, revealing how we can endure both crisis and transformation, and adapt to a changed scene, as cats have always done.

Won Ton Lee Wardlaw,2011-02-15 Sometimes funny, sometimes touching, this adoption story, Won Ton, told entirely in haiku, is unforgettable. Nice place they got here. Bed. Bowl. Blankie. Just like home! Or so I've been told. Visiting hours! Yawn. I pretend not to care. Yet -- I sneak a peek. So begins this beguiling tale of a wary shelter cat and the boy who takes him home.

Bathe the Cat Alice B. McGinty,2022-02-08 Bathe the floor? Sweep the dishes? This riotous romp of a picture book follows a frantic family as they try to get some chores done—with no help from the family cat, who keeps scrambling the list of chores with hilarious effects. Get ready for a rollicking read-aloud with a truly purrfect ending. It's cleaning day, but the family cat will do anything to avoid getting a bath. So instead of mopping the floor or feeding the fish, the family is soon busy rocking the rug, vacuuming the lawn, and sweeping the dishes. Bouncy rhyme carries the story headlong into the growing hilarity, until finally Dad restores some kind of order—but will the cat avoid getting his whiskers wet? **HILARIOUS READ-ALoud:** Word scrambles are a delight in this silly rhyming picture book! Kids will love the accessible rhyming text, and emerging readers will be able to anticipate words after repeated reads, making for an engaging and interactive read-aloud experience. **CATNIP FOR CAT LOVERS:** This sweet and sneaky feline will do anything to get out of having a bath! Ample cat antics and scenes of increasing mischief (and increasing chaos!) will tickle young readers and entice parents—particularly those with a furry feline member of their own households. **TWO DADS LEAD THE WAY:** Dad and Papa are the heads of this large and loving biracial family, mirroring illustrator David Robert's own orientation and providing picture book readers with a positive depiction of LGBTQ+ characters in a fun and funny family story. **WINNING AUTHOR-ILLUSTRATOR TEAM:** Alice McGinty is a prolific author of books for children, and David Roberts is well-known for his work on the popular Questioners series. Together, their upbeat text and energetic art with pops of neon color make for a standout picture book, just right for gifting and

enjoying together at storytime. Perfect for: • Parents • Gift-givers • Cat lovers

The Cat - E-Book Susan Little,2011-10-14 Comprehensive in scope and exclusively devoted to feline medical care, Dr. Susan Little's The Cat: Clinical Medicine and Management is an essential resource for anyone who provides complete, state-of-the-art care to cats. In one convenient volume, you'll find authoritative, clinically-focused information enhanced by full-color illustrations, tables, boxes, algorithms, key points, and much more — all in a format designed for quick access. Dr. Little and her expert contributors address the unique concerns and challenges facing the feline practitioner, including the latest advances in feline medical diagnosis and management and their clinical applications to everyday practice. User-friendly and complete, The Cat is also available as an e-book, giving you easy access to the complete, fully-searchable contents online. Covers the latest advances in feline medicine from a systemic and adjunctive care perspective. It's the most comprehensive feline medical reference available with a strong clinical focus. Helps you meet the increasing demand for state-of-the-art medical care by cat owners — including advanced diagnostic services and treatments designed to extend and improve quality of life for feline companions. Features a full-color design with hundreds of schematic drawings, tables, boxes, key points, algorithms, and photographs for quick and easy access to information. Addresses key topics unique to feline medicine and not currently covered in other books, including: insights and clinical advances attributable to the mapping of the feline genome; medical conditions associated with behavioral problems; managing the feline patient with co-existing and chronic disease; special medical problems and care considerations for the geriatric cat; environmental enrichment for the indoor cat; feline zoonotic agents and implications for human health; and shelter medicine and overpopulation solutions. Provides in-depth information on indoor cats and senior cats, including timely guidance on meeting owners' expectations for longer, healthier lives for their cats. Addresses the challenges of pet overpopulation, particularly the impact of millions of feral cats on public health and the environment. Presents information written in the manner of expanded conference proceedings, delivering the latest insights and most current approaches to management of feline medical disorders. Includes contributions from approximately 60 contributors, drawing on the valuable expertise of those most knowledgeable in the field of feline medical care. Bears the full endorsement of the Winn Feline Foundation, a non-profit organization that supports studies about cat health and funds feline research projects worldwide, and is internationally regarded as a major contributor to the health and wellbeing of all cats. The complete contents also are available online through Veterinary Consult.

Cat Jumped In! Tess Weaver,2007 When someone leaves a window open, Cat jumps in! So begins the tale of an outdoor cat who finds his way into a tidy house, wreaking havoc at every turn. Bright watercolors by Caldecott Medalist McCully are buoyed by a playful text by the author of Opera Cat. Full color.

Decoding Your Cat American College of Veterinary Behaviorists,2020 Examines the most [common] behavioral issues that cats face--

The Trainable Cat John Bradshaw,Sarah Ellis,2016-09-13 A New York Times Bestseller I have to hand it to Bradshaw and Ellis: Once you suss out their basic cat-training philosophy, their methods totally work. --Slate We often assume that cats can't be trained, and don't need to be. But in The Trainable Cat, bestselling anthrozoologist John Bradshaw and cat expert Sarah Ellis show that cats absolutely must be trained in order to enrich the bond between pet and owner. Full of training tips and exercises--from introducing your cat to a new baby to helping them deal with visits to the vet--The Trainable Cat is the essential cat bible for cat owners and lovers. I doubt you'll find a more well-informed or scientific book on cats that better shows you how feline thinking works.--Times (UK)

The Secret Language of Cats Susanne Schötz,2018-11-01 Have you ever wondered what your cat is saying? Cats do not meow randomly, nor do they growl or hiss because they have nothing better to do. Cat sounds have a purpose, and they can carry important messages, whether for us or other cats. Susanne Schötz is hard at work on breaking the cat code. She is a professor at Lund University in Sweden, where a long-standing research program is proving that cats do actually use vocal communication—with each other and with their human caretakers. Understanding the vocal strategies used in human-cat communication will have profound implications for how we communicate with our pets, and has the potential to improve the relationship between animals and humans within several fields, including animal therapy, veterinary medicine and animal sheltering. In The Secret Language of Cats, Schötz offers a crash course in the phonetic study of cat sounds. She introduces us to the full range of feline vocalizations and explains what they can mean in different situations, and she gives practical tips to help us understand our cats better.

The Domestic Cat Dennis C. Turner,Paul Patrick Gordon Bateson,2000-06-08 Unravels the mysteries of cat behaviour for the general reader and specialist alike.

The Cat in the Hat. Dr. Seuss,1985 Two children sitting at home on a rainy day are visited by the cat who shows them some tricks and games.

Cat Person KRISTEN. ROUPENIAN,2018-05-03 She thought, brightly, This is the worst life decision I have ever made! And she marvelled at herself for a while, at the mystery of this person who'd just done this bizarre, inexplicable thing. Margot meets Robert. They exchange numbers. They text, flirt and eventually have sex - the type of sex you attempt to forget. How could one date go so wrong? Everything that takes place in Cat Person happens to countless people every day. But Cat Person is not an everyday story. In less than a week, Kristen Roupenian's New Yorker debut became the most read and shared short story in their website's history. This is the bad date that went viral. This is the conversation we're all having. You Know You Want This, Kristen Roupenian's debut collection, will be published in February 2019.

The Fire Cat Esther Averill,1983-09-07 Pickles is a young cat with big paws and big plans. But all he can find to do is chase other cats, until he is adopted by the local firehouse. Knowing that this is his chance to do big things, Pickles works hard to be a good fire cat. He learns to jump on a fire truck. He learns to help put out a fire, and he even helps out in a rescue! Beginning readers will cheer when Pickle's dream finally comes true.

Big Cat, Little Cat Elisha Cooper,2017-03-14 A 2018 Caldecott Honor book There was a cat who lived alone. Until the day a new cat came . . . And so a story of friendship begins, following the two cats through their days, months, and years until one day, the older cat has to go. And he doesn't come back. This is a poignant story, told in measured text and bold black-and-white illustrations about the act of moving on.

Lost Cat Caroline Paul,2013-01-01 What do our pets do when they're not with us? Caroline Paul and Wendy MacNaughton used GPS, cat cameras, psychics, and the web to track the adventures of their beloved cat Tibia.

Cat Message C. J. Harrison,2021-08-28 When Nick's cat brings home a message from neighbour Amanda, it's a welcome distraction from the isolation of lockdown. But, when the messages stop coming, Nick has to choose whether to risk his life for a woman he's never even met.

Texts From Your Cat Introduction

In todays digital age, the availability of Texts From Your Cat books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Texts From Your Cat books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Texts From Your Cat books and manuals for

download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Texts From Your Cat versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Texts From Your Cat books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Texts From Your Cat books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Texts From Your Cat books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Texts From Your Cat books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Texts From Your Cat books and manuals for download and embark on your journey of knowledge?
