Bangkok Hard Joe White, 2017-02-24 Bangkok one of the world's most exciting cities despite its rapid modernisation. Underneath the glitz it's a whole different world of crazed bar girls, mad transvestites, deranged money-boys and ruined sex tourists. All out to cram an excess of sex, drugs and alcohol into their lives before the boom goes bust and the money runs out again. Big Bob's in town with a trust fund so large that the Nigerian scammers and Thai Mafia want to get their snouts in the trough. His Thai wife's local pimp and extended family rubbing their hands with glee. Bob can't understand why his wife - the lovely Goi - is running so hot and cold and turns to an old Bangkok hand for help who claims to be a famous author but spends most of his time feeding a mind bending need for sexual excess. Big Bob edges his way through the city's neon underbelly and even when confronted with proof of his wife's duplicity literally refuses to believe his eyes. When there's a hundred million baht on the table life suddenly becomes very cheap and any foreigners who get in the way likely to suffer...

Angels of Pattaya G. T. Gray, 2005 Angels of Pattaya offers a unique insight into the world of organised prostitution in Pattaya. In their own words, the bar girls of Pattaya reveal how they became involved in vice, their lives,

their hopes for the future and what they think of their customers. Many are poor and uneducated, others come from relatively well-to-do Thai families. Some engage in prostitution out of desperation for money, others out of greed. Some even view it as an easy lifestyle which allows them to drink and party all night and sleep until the afternoon. A few say they hope to meet a good man who will take them away from prostitution. Their confessions will make you laugh and cry, cringe and applaud. This book will change your perception of the women who work in Pattaya's go-go bars forever.

Thai Love Course Thailand Redcat, 2016-08-16 Sure a lot of Thai girls are good in English especially hookers. But what if you want to ask a normal Thai girl out for a date? There are countless of nice Thai girls that have never dated a foreigner before but would love to if you can at least speak some basic Thai. Or think of all the university girls most of them don't speak English or are too shy but how if you tell them in Thai You are cute, do you want to go for dinner with me? Imagine how many more Thai girls you can meet if you know some really useful Thai vocabulary and phrases! Leaving alone to impress girls no matter if they speak English or not. And not just for arranging quick dates - if you are in a relationship with a Thai girl it does make sense to know how to ask her if she's horny or ask her to undress. You will learn all this and much more in this book. The Thai Love Course is divided into two parts: The first part is about teaching you all the language skills you need in order to talk to Thai girls confidently. There are 6 lessons: 1. Courting / Arranging a Date Learn everything from What's your name?, Where do you go?, You are cute to Are you free tonight? and Do you want to have a meal together? Step by step from the first thing you tell her to arranging a date. 2. During the Date / Bring her back to your room Once

it's time to meet her and take her out for the date you will have a repertoire of more than enough questions and statements to convince her to go back to your or her room like It's hot here, isn't it?, Do you live alone?, Do you want to watch a movie in my room? and many more. 3. In the Apartment / Making Love The tools for your bedroom: I love your skin, Can I hug you?, Can I kiss you?, Don't be shy to What is your favorite position? , Does it hurt?, That feels good? are just a few things you will be able to tell your girl. 4. Talking about Feelings If you want to be able to ask your honey why she loves you as well as understanding her answer - this chapter provides all relevant words and phrases you need to know. Also including useful tools for pickup lines (You are so kind, I don't want to sleep alone, Do you want to be my girlfriend? etc). 5. Breaking up Sooner or later you may want to end the relationship with your Thai girl and rather than ignoring her messages there are several ways to tell her that it's over and also give a reason for it (You don't care about me at all, You barely call me, It's better we break up etc). 6. Talking to Bar Girls / Hookers There is not one foreigner that I know who comes to Thailand on holiday or lives here permanently and has not been in contact with Thai bar girls. So in the final chapter you'll find everything related to talking to bar girls and hookers (What time do you finish work? , I want to take you outside, How much do you want?, That's too much etc). You'll love this one. Each chapter has a list of relevant vocabulary followed by useful sentences for real conversations. Everything comes in English, Thai transliteration and Thai script. The second part is about understanding the way Thai girls are thinking and what they expect from you in a relationship. Plus bonus content including Pick Up Lines that really work and the most important Isaan Words.

Pattaya Girls Johnny Thai, 2014-08-11 Gogos. Bar Girls. Strippers. Prostitutes. Discos. Ladyboys. Pattaya. Thailand. This is what I had waiting for me on my first trip with my cousin. When I stepped off the tarmac in Bangkok I was oblivious to it all. 9 days later, I had changed forever. In this book I recount all the bizarre, sordid and unbelievable events of my inaugural trip and everything I learned along the way. Quotes about the book - By Women Johnny's managed to approach what could come across as a

completely fucked concept with intelligence, self-awareness and ample wit. What totally took me by surprise, and that I really enjoyed, was the different characters of the girls. They didn't feel like nameless whores. They had character. - By A Regular Pattaya Visitor The book is incredible! Johnny took every part of the first trip, all the thoughts and feelings you go through, and was able to put them to words. It's like being there again for your first time.

Pattaya – The Red Light Guide Jay Brookman, Peter Torjesen, 2019-01-19
Pattaya: the world's largest red light resort. It was made famous in the 1960s thanks to the wild adventures of GIs who spent their R&R living it up in what has become a truly cosmopolitan haven for sex and sin. This beach resort offers up all kinds of carnal pleasures for those who know where to find it. Pattaya – The Red Light Guide was written for anyone interested in Pattaya's nightlife, whether they be a Pattaya newbie or an experienced sexpat. This guide offers something for all, as it not only explains in detail how everything works, but it provides a valuable one-stop resource including the best (and most detailed) Pattaya red light maps currently available and detailed red light directories. If you are searching for a Pattaya nightlife guide, then this is the one to get, as it is easily the most comprehensive and useful guide currently available. What sets this guide apart from the others currently out there? Here are some of the highlights: The most detailed (and accurate) maps of Pattaya's red light districts ever produced, including not only correct locations for red light venues, but detailed side street details (including the names given by locals – eg Soi Happy, Soi BJ, Covent Garden), major landmarks, and a few interesting easter

eggs added in to see if you are paying attention. Our now infamous and cheeky walking tours. That's right - continuing on from our previous guide, we have developed some very specific, hilarious and challenging self-paced walking tours of the red light areas for you to enjoy. The most matter of fact and objective advice you will ever find on how the red light industry works in Pattaya, including pricing, old hand tips and tricks, our top picks and recommendations, history, and views on current trends in the industry. The most comprehensive listing of a-gogos, updated at the time of going to print, to include every a-gogo currently open in Pattaya, with full details including location, description of what it offers and pricing (for drinks and other things). We also have an awesome section where we list what we consider to be the current favourite a-gogos, with a discussion on why they made our list. We list all of the different nightlife options available in Pattaya. We truly are comprehensive, with not just a-gogos and beer bars, but different massage options, gentlemen's clubs, dance clubs, freelancers, and more. We have gone modern and include a detailed section on how to find Thai girls (including bar girls) on-line and all about on-line relationships. We have a large section that discusses in objective detail the issues with having relationships with Thai girls, and bar girls, including advice on what issues you are likely to face and how to overcome them. We don't discriminate. We include sections dedicated to ladyboys and for the gay scene as well. If you still have doubts, keep in mind that this guide is written by authors who have a long history with Pattaya and Thailand. Peter in particular, first arrived in Pattaya in 1983 and still calls Thailand home. Jay has a strong connection with the country and is a dedicated researcher.

Miss Bangkok Bua Boonmee, Nicola Pierce, 2007 A revealing memoir from a Thai

go-go dancer, living in Thailand's vice city: Bangkok. Bua speaks of the loneliness and desperation that results from working in the loveless sex industry, finally dispelling misconceptions held by many, and divulging secrets, tricks of her trade and everything else that goes on behind closed doors. An honest and authentic depiction of the life of one of Patpong's bar girls.

Bangkok Days Lawrence Osborne, 2009-05-26 A PASSIONATE, AFFECTIONATE RECORD OF ADVENTURES AND MISADVENTURES IN THE WORLD'S HOTTEST METROPOLIS Tourists come to Bangkok for many reasons—a sex change operation, a night with two prostitutes dressed as nuns, a stay in a luxury hotel. Lawrence Osborne comes for the cheap dentistry. Broke (but no longer in pain), he finds that he can live in Bangkok on a few dollars a day. And so the restless exile stays. Osborne's is a visceral experience of Bangkok, whether he's wandering the canals that fill the old city; dining at the No Hands Restaurant, where his waitress feeds him like a baby; or launching his own notably unsuccessful career as a gigolo. A guide without inhibitions, Osborne takes us to a feverish place where a strange blend of ancient Buddhist practice and new sexual mores has created a version of modernity only superficially indebted to the West. Bangkok Days is a love letter to the city that revived Osborne's faith in adventure and the world.

Thailand Steve Van Beak, 2003-12 One of over 400 titles in the Insight series, Insight Guide Thailand. contact addresses and numbers. Plus many superb photographs and 18 maps. -- This text refers to an out of print or unavailable edition of this title.

Bizarre Thailand Jim Algie, 2011-04-15 Bizarre Thailand takes readers off the well-rutted road of tourist hotspots into the darkest and sexiest hinterlands. Welcome to a twilight zone where travellers become soldiers and cowboys, a black magician courts politicians and film stars, sacred tortoises mate on the streets of a small town, and Fertility Goddesses are wooed with massive phalluses. In this strange land, nothing is what it seems: a prison becomes a tourist attraction, a 20-storey robot is a building, a man becomes a beauty queen, a Buddhist temple turns into hell on earth, a loving wife is immortalized as the most famous and ferocious of all phantoms, and a serial killer's corpse is reincarnated as a museum exhibit. Bizarre Thailand takes an irreverent look at how the profound, profane and frankly quite odd intertwine with the rhythms and flows of everyday Thai life, paying homage to the quintessential culture of one of Southeast Asia's most captivating destinations.

Women and Sex Tourism Landscapes Erin Sanders-McDonagh, 2016-08-12 Sexual spaces, normally inhabited by (mostly) female sex workers, are understood as masculine spaces, and positioned for and around male consumers. However, red light zones and public sex performances in both Thailand and Holland are being explored and visually consumed by female tourists in significant numbers. Their presence in red light districts and sexual venues is at odds with the ways in which sexual spaces have normally been positioned. *Woman and Sex Tourism Landscapes* explores female tourists' interactions with highly sexualized spaces and places in two very different contexts: the Netherlands and Thailand. Addressing this incongruence, this text explores the ways in

which these spaces are constructed, and examines the different relations that govern the management of, and female tourist interactions with these liminal, sexual zones. Ethnographic data collected in both countries suggests that far from being male-centred spaces, the red light districts and associated sexual entertainment venues are very much open to female tourists. Drawing on this research the author argues that some women are indeed interested in exploring sexualized zones, challenging assumptions about women's involvements with sexual space. Thinking specifically about the visual nature of women's sexualized experiences, the analysis draws on a range of different theoretical understandings that address power, privilege, and the gaze. An important contribution to a range of debates, this book will appeal to students and researchers in tourism, geography, sociology, gender studies and cultural theory.

Life After Dark Dave Haslam, 2015-08-13 Nightclubs and music venues are often the source of a lifetime's music taste, best friends and vivid memories. They can define a town, a city or a generation, and breed scenes and bands that change music history. In *Life After Dark* Dave Haslam reveals and celebrates a definitive history of significant venues and great nights out. Writing with passion and authority, he takes us from vice-ridden Victorian dance halls to acid house and beyond; through the jazz decades of luxurious ballrooms to mods in basement dives and the venues that nurtured the Beatles, the Stones, Northern Soul and the Sex Pistols; from psychedelic light shows to high street discos; from the Roxy to the Hacienda; from the Krays to the Slits; and from reggae sound systems to rave nights in Stoke. In a journey to dozens of towns and cities, taking in hundreds of unforgettable stories on the way, Haslam explores the sleaziness, the changing fashions, the moral panics and the cultural and commercial history of nightlife. He interviews clubbers and venue owners, as well as DJs and musicians; he meets one of the gangsters who nearly destroyed Manchester's nightlife and discusses Goth clubs in Leeds with David Peace.

Bangkok Boy Chai Pinit, 2015-01-07 *Bangkok Boy* is a heart-rending account of a childhood lost to sexual abuse. His story is not only unique but also offers a shocking insight into the red-light districts of Bangkok and Pattaya. As his story unfolds you'll become privy to the distorted logic which Chai used false justification for his horrible life choices for so long. But paradoxically, it was on the streets that Chai found redemption and decided to recount his dark past in order to move on in hope that, by sharing his story, his life

would become something of a lesson to anyone. Beneath all the emotional torment and despair, lies a story of redemption and struggle to rebuild one's life. Bangkok Boy is no ordinary book; it is a story of hope and triumph in the face of adversity.
