Buy Yourself the F*cking Lilies Tara

Schuster, 2020-12-29 Brutally honest, often hilarious, hard-won lessons in learning to love and care for yourself from a former vice president at Comedy Central who was called “ahead of her time” by Jordan Peele “You’re going to want Tara Schuster to become your new best friend.”—Glennon Doyle, #1 New York Times bestselling author of Untamed “Compelling, persuasive, and useful no matter where you are in your life.”—Chelsea Handler, #1 New York Times bestselling author of Life Will Be the Death of Me By the time she was in her late twenties, Tara Schuster was a rising TV executive who had worked for The Daily Show with Jon Stewart and helped launch Key & Peele to viral superstardom. By all appearances, she had mastered being a grown-up. But beneath that veneer of success, she was a chronically anxious, self-medicating mess. No one knew that her road to adulthood had been paved with depression, anxiety, and shame, owing in large part to her minimally parented upbringing. She realized she’d hit rock bottom when she drunk-dialed her therapist pleading for help. Buy Yourself the F*cking Lilies is the story of Tara’s path to re-parenting herself and becoming a “ninja of self-love.” Through simple, daily rituals, Tara transformed her mind, body, and relationships, and shows how to • fake gratitude until you actually feel gratitude • excavate your emotional wounds and heal them with kindness • identify your self-limiting beliefs, kick them to the curb, and start

living a life you choose • silence your inner frenemy and shield yourself from self-criticism • carve out time each morning to start your day empowered, inspired, and ready to rule • create a life you truly, totally f*cking LOVE This is the book Tara wished someone had given her and it is the book many of us desperately need: a candid, hysterical, addictively readable, practical guide to growing up (no matter where you are in life) and learning to love yourself in a non-throw-up-in-your-mouth-it's-so-cheesy way.

Thank You Notes Jimmy Fallon, the Writers of Late Night, 2011-05-23 Jimmy Fallon is very thankful. And in this first book to come from his TV show, he expresses his gratitude for everything from the light bulb he's too lazy to replace to the F12 button on his computer's keyboard. He thanks microbreweries for making his alcoholism seem like a neat hobby. He thanks the name Lloyd for having two L's. Otherwise it would just sound like Loyd. He thanks the slow-moving family walking in front of him on the sidewalk. Without this barricade of idiots, he might never have been forced to walk in the street and risk getting hit by a car in order to get around them. He's thankful to you, the person reading this right now. It means you're considering buying this book. You should do it. You will be thankful that you did.

Thank You Sandy Gingras,2010-03-23 A gift of gratitude for those who do one of the hardest jobs in the world and impact our lives in ways that are forever being revealed: educators. As artist and writer Sandy Gingras so aptly points out in the introduction to her book Thank You, a life lived well is perhaps the highest form of thanks a person can give to teachers as a way of repaying them for their attention and effort. A simple thank-you is also nice. Thank You is Gingras's own delightful way of conveying this sentiment. This

charming keepsake book features her soft, sweet watercolor artwork and thoughtful original text celebrating teachers and all they do for us. Always striking the right tone of gratitude without being overly sentimental, *Thank You* is a wonderful way to show appreciation to teachers for their enduring gifts to us both great and small.
