With the Fire on High Elizabeth Acevedo,2019-06-01 From New York Times bestselling author of POET X comes a story of a girl with talent, pride and a little bit of magic that keeps her fire burning bright. Ever since she got pregnant during freshman year, Emoni Santiago's life has been about making the tough decisions, doing what has to be done for her daughter and her abuela. The one place she can let all that go is in the kitchen. There, she lets her hands tell her what to cook, listening to her intuition and adding a little something magical every time, turning her food into straight-up goodness. Even though she's always dreamed of working in a kitchen after she graduates, Emoni knows that it's not worth her time to pursue the impossible. But then an opportunity presents itself to not only enrol in a culinary arts class in her high school, but also to travel abroad to Spain for an immersion program. Emoni knows that her decisions post high school have to be practical ones, but despite the rules she's made for her life – and everyone else's rules that she refuses to play by – once Emoni starts cooking, her only choice is to let her talent break free.

America's Real First Thanksgiving Teacher's Manual Robyn Gioia, 2008-03 When most Americans think of the first Thanksgiving, they think of the Pilgrims and the Indians in New England in 1621. But 56 years before they celebrated, Spanish explorer Pedro Men'ndez arrived on the coast of Florida and founded the first North American city, St. Augustine. On September 8, 1565, the Spanish and the native Timucua celebrated with a feast of Thanksgiving. The Spanish most likely offered cocido, a rich stew made with pork, and the Timucua may have brought wild turkey, venison, or even alligator, along with corn, beans, and squash. Learn about our real first Thanksgiving. Learn about Spain and Florida in the 1560s. And make your own cocido from a recipe provided in this important and groundbreaking book.
