The Other Black Girl Zakiya Dalila Harris,2022-06-07 Get Out meets The Devil Wears Prada in this electric debut about the tension that unfurls when two young Black women meet against the starkly white backdrop of New York City book publishing. Twenty-six-year-old editorial assistant Nella Rogers is tired of being the only Black employee at Wagner Books. Fed up with the isolation and microaggressions, she's thrilled when Harlem-born and bred Hazel starts working in the cubicle beside hers. They've only just started comparing natural hair care regimens, though, when a string of uncomfortable events elevates Hazel to Office Darling, and Nella is left in the dust. Then the notes begin to appear on Nella's desk: LEAVE WAGNER. NOW. It's hard to believe Hazel is behind these hostile messages. But as Nella starts to spiral and obsess over the sinister forces at play, she soon realizes that there's a lot more at stake than just her career. A whip-smart and dynamic thriller and sly social commentary that is perfect for anyone who has ever felt manipulated, threatened, or overlooked in the workplace, The Other Black Girl will keep you on the edge of your seat until the very last twist--

Bounty Kristen Ashley,2016-04-18 Justice Lonesome has enjoyed a life of bounty. Even so, she's inherited the curse of the Lonesome. A poet's soul. Which means she's still searching for something. Searching for peace. Searching for the less...that's more. And when the foundation of her life is pulled out from under her, grieving, she goes to the mountains to find her oasis. She hits Carnal, Colorado and decides to stay. Deke Hightower lost everything at the age of two. He lost it again at fifteen. His life has not been about bounty. It's been about learning to live with less, because there's no way to get more. Deke's also watched all his friends go down to the women who gave them what they needed. He wants that for himself. But he knows that search isn't going to be easy because he's a rider. His home is the road. That's the only place he can breathe. And the woman who takes her place at his side has to do it sitting on the back of his bike. When Deke meets Justice, he knows she's not that woman. She's cute. She's sweet. And she's into him, but she's got it all and Deke knows he won't fit into that. So he holds her at arm's length. Establishes boundaries. And Justice will take it because she wants Deke any way he'll let her have him. But when Justice finds herself a pawn in a dangerous game, Deke makes a decision. When he does, he has no idea he's just opened himself up to bounty.

Beatlemania Lives On Dana Klosner,2023-08-08 Written by a fan, about the fans, and for the fans, this book is about Beatles fandom and excitement for the band as it continues, undiminished, in the 21st century. The author conducted nearly 100 interviews with superfans across the globe, gathering stories that explain their enthusiasm. Readers will meet fans who met and married at Beatlesweek in Liverpool; those who had the chance to go onstage with Paul McCartney, got his autograph on some unusual places on their bodies, and had the signature permanently tattooed; and first-generation fans who saw the Beatles live and remember every detail as if it was yesterday. Noteworthy interviewees include Wings guitarist Laurence Juber; Mark Featherstone-Witty, cofounder of Paul McCartney's Liverpool Institute for Performing Arts; Bill Heckle, director of the Cavern Club and Magical Mystery Tour Bus in Liverpool; and music publisher David Stark, who now stands by Paul's side at LIPA graduations but started as a good-natured teenage fan who had the guts to ring Ringo's doorbell and meet him at his house. (The book also takes a deep dive into Beatles-related TV shows, Broadway musicals, movies, businesses, Sirius XM DJs, tribute bands and more.)

Jesus Saves Darcey Steinke,2012-11-27 From one of the most daring and sensuous young writers in America, Jesus Saves, a New York Times Notable Book of the Year, is a suburban gothic that explores the sources of evil, confronts the dynamic shifts within theology, and traces the consequences of suburban alienation. Set in the modern launch pads of adolescent ritual, the strip malls and duplexes on the back side of suburbia, it’s the story of two girls: Ginger, a troubled minister’s daughter; and Sandy Patrick, who has been abducted from summer camp and now smiles from missing-child posters all over town. Layering the dreamscapes of Alice in Wonderland with the subculture of River’s Edge, Darcey Steinke’s Jesus Saves is an unforgettable passage through the depths of the literary imagination.
