The Agony Column (Classic Reprint) Earl Derr Biggers,2016-06-20 Excerpt from The Agony Column Geoffrey, was as American as Kansas, his native state, and only pressing business was at that moment holding him in England, far from the country that glowed? Unusually rosy because of its remoteness. At the Carlton news stand West bought two morning papers - the Times for study and the Mail for entertainment - and then passed on into the restaurant. His waiter - a tall soldierly Prussian, more blond than West himself - saw him coming and, with a nod and a mechanical German smile, set out for the plate of strawberries which he knew would be the first thing desired by the American West seated himself at his usual table and, Spreading out the Daily Mail, sought his favorite column. The first item in that column brought a delighted smile to his face. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. **The Agony Column of the Times 1800-1870** Alice Clay,2017-06-09 THE contents of the little volume now presented to the public have been taken from the second column (commonly called the Agony Column) of the Times newspaper, from the commencement of the present century to the end of the year 1870. Readers of newspapers (more especially of the Times) cannot fail to be struck by the mysterious communications which daily appear, and I venture to hope my selection of some of the most remarkable may interest those who peruse these pages. Most of the advertisements selected show a curious phase of life, interesting to an observer of human existence and human eccentricities. They are veiled in an air of mystery, with a view of blinding the general public, but at the same time give a clue unmistakable to those for whom they were intended.

But now you have justified my faith in you. Thank you a million times for that!Three weeks I have been in this huge, ungainly, indifferent city, longing for the States. Three weeks the Agony Column has been my sole diversion. And then--through the doorway of the Carlton restaurant--you came--It is of myself that I must write, I know. I will not, then, tell you what is in my mind--the picture of you I carry. It would mean little to you. Many Texan gallants, no doubt, have told you the same while the moon was bright above you and the breeze was softly whispering through the branches of--the branches of the--of the--Confound it, I don't know! I have never been in Texas. It is a vice in me I hope soon to correct. All day I intended to look up Texas in the encyclopedia. But all day I have dwelt in the clouds. **The Agony Column (the Second Floor Mystery)** Earl Derr Biggers,2015-02-11 This early work by Earl Derr Biggers was originally published in 1916 and we are now republishing it with a brand new introductory biography. The Agony Column (also published as Second Floor Mystery) is a romantic suspense thriller, narrated in a series of seven letters between two prospective lovers. Earl Derr Biggers was born on 26th August 1884 in Warren, Ohio, USA. Biggers received his further education at Harvard University, where he developed a reputation as a literary rebel, preferring the popular modern authors, such as Rudyard Kipling and Richard Harding Davis to the established figures of classical literature. While on holiday in Hawaii, Biggers heard tales of a real-life Chinese detective operating in Honolulu, named Chang Apana. This inspired him to create his most enduring legacy in the character of super-sleuth Charlie Chan. The first Chan story The House Without a Key (1925) was published as a serialised story in the Saturday Evening Post and then released as a novel in the same year. Biggers went on to write five more Chan novels and all were licensed for movie adaptations by Fox Films. These films were hugely popular with several different actors taking the lead role of Chan. They were even a success in China where the appeal of a character from the country being the hero instead of the villain appealed to film-goers. Eventually; over 40 films were produced featuring the character. Biggers only saw the early on-screen successes of Charlie Chan due to his death at the age of only 48 from a heart attack in April 1933.

**The Agony Column Of The "Times" 1800-1870** Various, 2019-11-20 The Agony Column Of The Times 1800-1870: With An Introduction Edited By Alice Clay This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!
