*The Alaskan* James Oliver Curwood,2016-08-26 *The Alaskan* by James Oliver Curwood, is the story of Mary Standish and her escape from her past into the uncivilized wilderness of Alaska in the early 1900s. It is the story of Alan Holt and his fight to protect the Alaskan resources of his own vast ranch land and the people he loves. As the two stories intertwine, tragedy strikes Mary aboard the steamer bound for Alaska prompting Alan to fight against the politics and corruption behind the tragedy that also threaten the native people and land of Alaska. The stories of Mary and Alan lead to gripping action on the Alaskan frontier where men fight battles as in the days of the American Wild West with the law hundreds of miles away across the wilderness. This novel tells about the real problems that Alaskans faced in 1910 before the discovery of oil - when gold, crops, herds, and land were the commodities people fought over. James Oliver Curwood spent many years in this wilderness and wrote authentically from first hand experience of the struggles between conservation in land development, and the greed and corruption of those that would plunder the land. He was an ecologist before it was popular and was appointed Chairman of the Game, Fish, and Wildlife Committee of the Michigan Department of Conservation in 1927.

*The Alaskan* James Oliver Curwood,2015-06-26 Excerpt from *The Alaskan: A Novel of the North* Captain Rifle, gray and old in the Alaskan Steamship service, had not lost the spirit of his youth along with his years. Romance was not dead in him, and the fire which is built up of clean adventure and the association of strong men and a mighty country had not died out of his veins. He could still see the picturesque, feel the thrill of the unusual, and - at times - warm memories crowded upon him so closely that yesterday seemed today, and Alaska was young again, thrilling the world with her wild call to those who had courage to come and fight for her treasures, and live - or die. Tonight, with the softly musical throb of his ship under his feet, and the yellow moon climbing up from behind the ramparts of the Alaskan mountains, something of loneliness seized upon him, and he said simply: That is Alaska.

The girl standing beside him at the rail did not turn, nor for a moment did she answer. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. The Alaskan James Curwood, 2017-12-14 *The Alaskan: A Novel of the North* by James Oliver Curwood. James Oliver Jim Curwood, June 12, 1878 - August 13, 1927, was an American action-adventure writer and conservationist. His books ranked among Publishers Weekly top-ten best sellers in the United States in the early 1920s. At least eighteen motion pictures have been based on or directly inspired by his novels and short stories. At the time of his death, he was the highest paid (per word) author in the world. His writing studio, Curwood Castle, is now a museum in Owosso, Michigan. Curwood's adventure writing followed in the tradition of Jack London. Like London, Curwood set many of his works in the wilds of the Great Northwest and often used animals as lead characters (Kazan; Baree, Son of Kazan, The Grizzly King and Nomads of the North). Many of Curwood's adventure novels also feature romance as primary or secondary plot consideration.

*The Alaskan* James Oliver Curwood, 2015-03-06 [...] I'll not make the trip again--not for a whole winter--unless I'm sent at the point of a gun, he said to Captain Rifle, a few moments after Mary Standish had left the deck. An Eskimo winter is long enough, but one in Seattle, Minneapolis, Chicago, and New York is longer--for me. I understand they had you up before the Committee on Ways and Means at Washington. Yes, along with Carl Lomen, of Nome. But Lomen was the real man. He has

forty thousand head of reindeer in the Seward Peninsula, and they had to listen to him. We may get action.[...].

*The Alaskan* James Oliver Curwood,2019-12-28 The Alaskan This story opens with a young woman who voyages alone into the wilds of Alaska to escape her tragic past. It then continues on to a young man who passionately protects the pristine environment, people and way of life in this snowbound country. Finally, a greedy profiteer arrives in the narrative whose only aim is to fill his pockets. When these three characters encounter each other on the stark and snowy plains, it's a clash of ideals and the sparks begin to fly. The Alaskan by James Oliver Curwood is one of his very engaging adventure romance conservationist stories and was an instant bestseller, like most of his books, when it was first published in 1923. Curwood was a highly successful writer in the early part of the twentieth century and was in fact, the best paid writer in the world at his time. His books were wildly popular and have been adapted for screen, stage, television and radio. Though he was a high school drop out, he wrote and passed a university entrance exam that gave him entry into the University of Michigan's English department. He studied journalism and discovered his writing talents when he worked on a Detroit newspaper. iBoo World's Best Classics iBoo Press releases World's Best Classics, uses state-of-the-art technology to digitally reconstruct the work. **The Alaskan Retreater's Notebook** Ray Ordorica,2016-01-19 In the fall of 1978 Ray Ordorica packed everything he thought he would need into his Toyota LandCruiser and drove north to Alaska. He came to a land he had never seen, to find something he wasn't even sure existed: a wilderness cabin he could use for a year or more to live, think, relax, read, and write. Ordorica found his cabin,

fixed it up, and, although it was just an un-insulated 12- by 16-foot one-room log structure, he spent three winters in it in relative comfort. Ordorica's life in that cabin fulfilled a dream he had had for more than ten years. During his long winters in Alaska, it occurred to him that there must be many others who have put off an extended wilderness visit to out of ignorance or fear. They have as many questions about Alaska as he had before he arrived: How do you cope with 40 below? How do you get water? Is it totally dark in mid-winter? These questions and many more gave Ordorica the idea to write the Alaskan Retreater's Notebook, an epic memoir about one man's journey into the Alaskan wilderness. With his wisdom, you will learn how to live with the country, and not against it.
