Aśvaghoṣa

The Awakening of Faith Ásvaghoṣa, Yoshito S. Hakeda, 1967

Whenever I have questions on Mahayana Buddhist doctrine, I return to this text and Professor Hakeda's interpretation of it. I wonder if I will ever encounter a work that is at once more profound, attractive, and mysterious than the Awakening of Faith. - Ryuichi Abi, from the introduction First published in 1967, Yoshito S. Hakeda's critical interpretation of the Awakening of Faith has become a classic. This edition, which includes a new introduction by Ryuichi Abi, presents a beautiful and accessible translation of one of the most influential works in Mahayana Buddhism.

Treatise on Awakening Mahāyāna Faith, 2019-09-02

Dasheng qixin lun, or Treatise on Awakening Mahāyāna Faith, has been one of the most important texts of East Asian Buddhism since it first appeared in sixth-century China. It outlines the initial steps a Mahāyāna Buddhist needs to take to reach enlightenment, beginning with the conviction that the Mahāyāna path is correct and worth pursuing. The Treatise addresses many of the doctrines central to various Buddhist teachings in China between the fifth and seventh centuries, attempting to reconcile seemingly contradictory ideas in Buddhist texts introduced from India. It provided a model for later schools to

harmonize teachings and sustain the idea that, despite different approaches, there was only one doctrine, or Dharma. It profoundly shaped the doctrines and practices of the major schools of Chinese Buddhism: Chan, Tiantai, Huayan, and to a lesser extent Pure Land. It quickly became a shared resource for East Asian philosophers and students of Buddhist thought. Drawing on the historical and intellectual contexts of Treatise's composition and paying sustained attention to its interpretation in early commentaries, this new annotated translation of the classic, makes its ideas available to English readers like never before. The introduction orients readers to the main topics taken up in the Treatise and gives a comprehensive historical and intellectual grounding to the text. This volume marks a major advance in studies of the Treatise, bringing to light new interpretations and themes of the text.

The Awakening of Hope Jonathan Wilson-

Hartgrove, 2012-08-21 According to Jonathan Wilson-Hartgrove, faithful action is always inspired and sustained by common convictions—the basic truths that have sustained God's people throughout every generation. *The Awakening of Hope* re-presents Christian faith by beginning with stories of faithful witness and asking, Why? Why do Christians eat together? Why do we fast? Why would we rather die than kill? These are the questions that help us see why creation and the fall, covenant and community, ethics and evangelism matter. This book and its accompanying DVD project is a contemporary catechism, celebrating lives and

stories that wouldn't make sense if the gospel were not true. And then going one step further, this project shares the good news of Jesus and the way of life that he makes possible.

Awakening Stovall Weems,2010-12-14 Stop hitting the spiritual snooze button. Would you describe your walk with God as fresh and exciting? Would you describe your spiritual life as vibrant and passionate? If not, would you like these attributes to be the norm in your everyday relationship with God? Are you ready to experience an awakening? Awakening helps you stir up your slumbering soul. You'll discover how to break out of your season of dryness or get off to a great start either in the New Year or the next season in life. Take your faith-walk from a "going through the motions" or "have to" mindset to the stimulating, fresh "want to" experience of enjoying God's presence—24/7. Weems encourages you to surrender fully, to discover the right kind of fuel for the journey, and to learn a new way to pray and fast. This lifestyle is not based on rules or religion, but on a deep, satisfying, motivating relationship with God. Included in Awakening is a 21-Day Plan that will guide you through the principles that ensure a lasting, fresh relationship with God—even in a world where everything quickly becomes stale. "It's time to wake up and put an end to spiritual sluggishness! I promise this year will be the best of your life if it is your best year spiritually." – Stovall Weems

The Awakening of Faith in the Mahayana Doctrine

Asvaghosa,2015-06-11 Excerpt from The Awakening of Faith in the Mahayana Doctrine: The New Buddhism The book is Brahministic and Buddhistic, Indian and Western in some aspects of philosophic thought. It is profoundly philosophic, reminding one strongly of Hegel, Berkeley and G.Gore in the earlier part, and is as hard to

understand as Bishop Butlers famous Analogy; yet very practical in the latter part, therefore it has great importance arising from its high and extensive range of view. If it be, as it is more and more believed that the Mahayana Faith is not Buddhism, properly so-called, but an Asiatic form of the same Gospel of our Lord and Saviour Jesus Christ, in Buddhistic nomenclature, differing from the old Buddhism just as the new Testament differs from the old, then it commands a world-wide interest, for in it we find an adaptation of Christianity to ancient thought in Asia, and the deepest bond of union between the different races of the East and the West, viz., the bond of a common religion. Both Christianity and the New Buddhism hold to the transcendent and the immanent forms of God; but the East emphasises more of the immanent form while the West emphasises more of the transcendent. The almost universal reception of the doctrines contained in this book by both the East and the West constitutes to my mind its highest claim to our attention; for thereby we are brought face to face with a solution of the stupendous practical problem of uniting all races in one bond of religious charity! II. The Evolution and Devolution of Buddhism. The evolution of Buddhism is seen in the new Buddhism superseding the old, and the devolution in the attempt by later writers to combine the primitive with the advanced, an absurd anachronism and impossibility. The Awakening of Faith in the Mahayana Doctrine Asvaghosa
Asvaghosa,2017-09-18 Excerpt from *The Awakening of Faith in the Mahayana Doctrine: The New Buddhism* Its importance is still more apparent when we consider that its doctrines are the fundamental ones of the Mahayana Faith, which is by far the chief school of Buddhism, not only in Japan, but also in China, where are the great majority of the Buddhists of the world. If we estimate the value of books by the number of adherents to their doctrines, then, after the Bible, the Koran, the Confucian Classics, and the Vedas, this volume, about the size of the Gospel of Mark, ranks next, or fifth, among the sacred books of the world. The Awakening of Faith Asvaghosa, 2012-04-30 Comprehensive and coherent, this guide to a complex system of Buddhism is so authoritative that it has been employed in the instruction of Buddhist priests. Readers will find that it offers the keys to the essentials of Mahayana Buddhism, a liberal and theistic branch of the faith practiced chiefly in China and Japan. Translated by the distinguished scholar Teitaro Suzuki, the text discusses how humans can transcend their finite state to partake in the life of the infinite. Practices and techniques to assist believers in the awakening and growth of faith appear here, in addition to the most developed form of tathagata-garbha, or Buddha-matrix teachings. This accessible work was written specifically for those who prefer a brief and pithy presentation to extensive discourse.

Açvaghosha's Discourse on the Awakening of Faith in the Mahāyāna Aśvagoṣa, 2001 The Awakening of Faith in the Mahayana is a classic of East Asian Buddhism. Its concept of faith, is not the same as that of Western religions. The book's title may also be translated as The Generating of Confidence in the Mahayana. Confidence and trust is generated as a result of examining the Mahayana Buddhist teachings, which are concisely summarized here. This book is said to have been written for those who find the wordiness of extensive discourse wearisome, and who prefer a brief treatise with a lot of meaning. Doctrinally, it presents the tathagata-garbha or Buddha-matrix teachings in their most developed form.

The Awakening of Faith Ashvagosha, 2021-01-01 The Soul or Mind of the True Model is the great essence of the invisible and the visible worlds. As to the nature of this One Soul, it is the same

in all forms. To think it is different in different forms is only a false notion of the world. Once we penetrate beyond forms, it is discovered that all the different forms of the universe are not real differences of soul at all, but different manifestations of one real power, hence it has always been impossible to speak adequately, to name correctly, or to think correctly of this One Soul, the real essence of things, which is unchangeable and indestructible. We therefore name it the TRUE ESSENCE OR THE TRUE LIKENESS OR THE TRUE REALITY OR MODEL. The Awakening of Faith by Ashvagoshā: Embark on a journey of spiritual awakening with The Awakening of Faith.
