Memoirs of an Ardent Wildlifer S. G. Neginhal,2021-09-17 S. G. Neginhal IFS (Retd) commenced his forestry service in 1951. He also underwent specialized wildlife training at the FRI Dehradun during 1971-72. He drafted the first management plan for Project Tiger, which was ushered in 1973 at Bandipur. He discovered Kokkarebellur Pelicanry in 1974. He came into close contact with national luminaries like ornithologist Salim Ali, and renowned wildlife and nature photographer M Krishnan and others. He got declared Biligirirangan Hills as a Sanctuary in 1974 and created a new Sanctuary for Wolves at Melkote. He administered most of the wildlife sanctuaries of Karnataka from 1972 to 1980 and kept visiting them to study wild animals and birds even after his superannuation. He was responsible for the massive greening of the Bengaluru metropolis from 1982- 87 by planting 15-lakh saplings. He was a pioneer in introducing Urban Forestry. For his successful planting of trees in Bengaluru city, a national award, the Indira Vriksha Priyadarshini Award, was given to the Forest Department in 1988. Planting of trees in all the cities of India was later included in the country's five-year plans. From Bengaluru nurseries, a thousand tall saplings were also sent to New Delhi for planting at the Shakti Sthal, the Samadhi of late Indira Gandhi.

*Built from Scratch* Bernie Marcus,Arthur Blank,Bob Andelman,2019-08-20 One of the greatest entrepreneurial success stories of the past twenty years When a friend told Bernie Marcus and Arthur Blank that “you’ve just been hit in the ass by a golden horseshoe,” they thought he was crazy. After all, both had just been fired. What the friend, Ken Langone, meant was that they now had the opportunity to create the kind of wide-open warehouse store that would help spark a consumer revolution through low prices, excellent customer service, and wide availability of products. Built from Scratch is the story of how two incredibly determined and creative people—and their associates—built a business from nothing to 761 stores and \$30 billion in sales in a mere twenty years. Built from Scratch tells many colorful stories associated with The Home Depot's founding and meteoric rise; shows that a company can be a tough, growth-oriented competitor and still maintain a high sense of responsibility to the community; and provides great lessons useful to people in any business, from start-ups to the Fortune 500.

Section 1 of Senate Joint Resolution 297 reads: The Legislative Research Commission may study the laws of this State concerning the pretrial release from custody of persons arrested and charged with criminal offenses and the administration of these laws. The Commission may consider the conditions. For pretrial release, the various types of bail bonds permitted by law, and the uniformity of the application of the current pretrial release provisions. *Gender Camouflage* Francine J. D'Amico,Laurie L. Weinstein,1999-03 Controversy about women in the military continues, yet women's relations with the military go far beyond whether they serve in the ranks. Gender Camouflage brings together a diverse array of authors to explore the controversy surrounding women's military service, to examine the invisibility of civilian women who support the institution, and to expose the military's efforts to camouflage their support and contributions. Contributors first consider nurses, servicewomen, military academy students, female veterans, and lesbians. The focus then shifts to military wives, women employed by the DoD, and female civilian military instructors whose work is less visible but no less essential to the institution. The book also examines the experiences of women outside of the military, such as comfort women near U.S. bases, women engaged in peacework, and women workers affected by military spending in the federal budget. Analytic chapters are juxtaposed with first-person narratives by women who have actually been there, including a member of the first gender-integrated class at West Point, the first female civilian instructors at the U.S. Naval Academy, and an African American Air Force Nurse Corps veteran. Contributors include Connie Reeves, Georgia Clark Sadler, Gwyn Kirk, and Joan Furey.
