Book of Shadows Phyllis Curott,2013-07-03 Since Phyllis Currot first published Book of Shadows, the story of her spiritual journey and initiation as a High Priestess in the Wiccan community, Witchcraft has captured America's imagination as a theme for fiction, television shows, and films. Now America's highest-profile Witch returns to dispel more myths and misrepresentations of her faith, and to share a practical guide to the beautiful spiritual rituals and philosophies behind Wiccan tradition. Rich with enchanting stories from Currot's own experiences and detailed advice for creating potions, working with Nature, and finding the Divine within, Witch Crafting is much more than just another superficial recipe book. Curott's unique guidebook integrates the inspiration of religious wisdom with sound, practical information. Witch Crafting reveals how to: incorporate Wiccan practices into your daily life; master the secret arts of effective spell casting; create sacred space and personal rituals; perform divinations for insight and success; and tap the magical power of altered states, such as dreaming meditation, prayer, and trance. Perfect for beginners or seasoned practitioners, Witch Crafting is the ideal handbook for anyone seeking to unlock the divine power that makes real magic happen, and to experience the power and gifts of the universe more fully.

The Gardnerian Book of Shadows Gerald Gardner,2020-09-28 Magus leaves circle by the doorway, goes to Postulant, and says, Since there is no other brother here, I must be thy sponsor, as well as priest. I am about to give you a warning. If you are still of the same mind, answer it with these words: 'Perfect Love and Perfect Trust.' Placing the point of the sword to the Postulant's breast, he says, O thou who standeth on the threshold between the pleasant world of men and the domains of the Dread Lords of the Outer Spaces, hast thou the courage to make the Assay? For I tell thee verily, it were better to rush on my weapon and perish miserably than to make the attempt with fear in thy heart. Postulant: I have two Passwords: Perfect Love and Perfect Trust. Magus drops the sword point, saying, All who approach with perfect love and perfect trust are doubly welcome. Going around behind her, he blindfolds her, then putting his left arm around her waist and his right arm around her neck, he pulls her head back, says, I give you the 3rd password, a Kiss to pass through this dread Door, and pushes her forward with his body, through the doorway and into the circle. Once inside, he releases her saying, This is the way all are first brought into the circle. Magus closes the doorway by drawing the point of the sword across it three times, joining all three circles, saying, Agla, Azoth, Adonai, then drawing three pentacles to seal it. Magus guides Postulant to south of altar, and whispers, Now there is the Ordeal. Taking a short piece of cord from the altar, he ties it around her right ankle, saying, Feet neither bound nor free. Taking a longer cord, he ties her hands together behind her back, then pulls them up, so that the arms form a triangle, and ties the cord around her neck, leaving the end dangling down in front as a Cable Tow. With the Cable Tow in his left hand and the sword in his right hand, the Magus leads her sunwise around the circle to the east, where he salutes with the sword and proclaims, Take heed, O Lords of the Watchtowers of the East, (name), properly prepared, will be made a Priestess and a Witch. Magus leads her similarly to the south, west, and north, making the proclamation at each quarter. , clasping Postulant around the waist with his left arm, and holding the sword erect in his right hand, he makes her circumambulate three times around the circle with a half-running, half-dancing step. He halts her at the south of the altar, and strikes eleven knells on the bell.

Diary of a Haunting M. Verano,2015-08-25 In the tradition of Paranormal Activity and The Blair Witch Project, an American teen recounts the strange events that occur after she moves into a new—and very haunted—home with her family in this chilling diary that features photos and images of what she experienced. Letters, photographs, and a journal...all left behind in the harrowing aftermath. Following her parents' high-profile divorce, Paige and her brother are forced to move to Idaho with their mother, and Paige doesn't have very high hopes for her new life. The small town they've moved to is nothing compared to the life she left behind in LA. And the situation is made even worse by the drafty old mansion they've rented that's filled with spiders and plenty of other pests that Paige can't even bear to imagine. Pretty soon, strange things start to happen around the house—one can of ravioli becomes a dozen, unreadable words start appearing on the walls, and Paige's little brother begins roaming the house late at night. And there's something not right about the downstairs neighbor who seems to know a lot more than he's letting on. Things only get creepier when she learns about the cult that conducted experimental rituals in the house almost one hundred years earlier. The more Paige investigates, the clearer it all becomes: there's something in the house, and whatever it is...and it won't be backing down without a fight.

Discovered in a battered manila envelope, this previously unpublished manuscript was penned by Scott in the early 1980s. This rare book includes original spells, rituals, invocations, and an herbal grimoire. Featured in the design are Scott's actual hand-drawn signs, symbols, and runes. More than twenty years after his passing, Scott Cunningham is still an iconic and highly regarded figure in the magical community. His books on Wicca are considered classics, and his writings continue to inspire and inform those new to the Craft.

The concept was adopted by other traditions. The current Book of Shadows is a compilation of manuscripts found in his museum after his death.

Wiccan Book of Shadows Guide Dayanara Blue Star,2015-01-25 The Book of Shadows acts a little like a Wiccan's guide book, holding a varied amount of knowledge from rituals and spells to beliefs and traditions. Written by Gerald Gardiner in the late 1940's to early 1950's for his coven of Brickett Wood, it was written to guide beginning Wiccans. They used information from this book, adding and leaving out information to suit their own books. A Wiccan who joined Gardiner's coven and later a high priestess, Doreen Valiente, decided to rework Gardiner's original tome. She is credited with creating the Wiccan Rede and also contributed her own poetry to the publication. In earlier times, Wicca was mostly run by covens, which would have only one Book of Shadows, which was the responsibility of the High Priest or Priestess. However, today, Wicca has changed and often a coven will have its own Book of Spells while each individual Wiccan has their own singular Book of Shadows that they develop themselves. It is a highly personal book which reflects the individuality of each practitioner. Practitioners do not always belong to a coven and they will usually develop a Book of Shadows on their own. The Book of Shadows (BOS) is an item every Wiccan needs. It stores information on spells, rituals, materials, and knowledge you will need for your Wiccan practice and helps you start on your Wiccan path. It's important for Wiccans to create a Book of Shadows to store their knowledge. Take advantage of this great opportunity and learn how to create your own book of shadows! BLESSED BE!

Book of Shadows M. Verano,2017-09-19 In the tradition of American Horror Story and The Craft, a young girl discovers a magical spell book and dives headfirst into the occult—but this powerful book comes with a dangerous warning: OPEN AT YOUR OWN RISK. All Melanie wants is a blank book to keep a journal of her private thoughts. One day while browsing in a used bookshop, she finds the perfect blank book—smooth black leather with strange symbols in gold embossing. But once she gets home, Melanie finds herself too intimidated by the heavy vellum pages to write her trivial thoughts on them. Her Wiccan friend Lara tells her it's better suited to be a magical spell book, called The Book of Shadows. Melanie doesn't know much about that stuff, but Lara, her boyfriend Caleb, and his friend Lucas, get her started by writing their own made up spells inside the book's tempting pages. What they didn't expect was a new spell showing up inside the book—and in handwriting none of them recognize. Soon they discover that the spells suggested by The Book of Shadows itself do work—but not without wreaking havoc on the lives of the four teenagers.

Book of Shadows Alexandra Sokoloff,2010-06-08 Homicide detective Adam Garrett is already a rising star in the Boston police department when he and his cynical partner, Carl Landauer, catch a horrifying case that could make their careers: the ritualistic murder of a wealthy college girl that appears to have Satanic elements. The partners make a quick arrest when all evidence points to another student, a troubled musician in a Goth band who was either dating or stalking the murdered girl. But Garrett's case is turned upside down when beautiful, mysterious Tanith Cabarrus, a practicing witch from nearby Salem, walks into the homicide bureau and insists that the real perpetrator is still at large. Tanith claims to have had psychic visions that the killer has ritually sacrificed other teenagers in his attempts to summon a powerful, ancient demon. All Garrett's beliefs about the nature of reality will be tested as he is forced to team up with a woman he is fiercely attracted to but cannot trust, in a race to uncover a psychotic killer before he strikes again.

The Book of Shadows Don Paterson,2005-09 Aphorism (n.): a pithy observation which contains a general truth 'All my teachers have been women. Though several men have taken me aside for an hour to tell me things they know' The Book of Shadows contains several hundred reflections and aphorisms on love, God, art, sex, death, work, and the spirit, imagination and conduct of the human animal. Writing with the same mixture of high seriousness, dark humour and lyric precision that define his poetry, Don Paterson has made a book to carry everywhere and open anywhere - to brighten or darken the moment, but always to administer a jolt to the idling mind. 'Falling and flying are near-identical sensations, in all but one final detail. We should remember this when we see those men and women seemingly in love with their own decline'
