“Emotional, hilarious, and thought-provoking.”

—People “Witty, sexy.” —Los Angeles Times #1

Cosmopolitan Best New Books of Summer PureWow Best Reads of Summer From the author of the critically acclaimed “lively and engrossing parable for women of all generations” (Harper’s Bazaar) *The Regulars*—, comes a deeply funny and thoughtful tale of a young woman who embarks on an unforgettable bucket list adventure. Twenty-five-old Lacey Whitman is blindsided when she’s diagnosed with the BRCA1 gene mutation: the “breast cancer” gene. Her high hereditary risk forces a decision: increased surveillance or the more radical step of a preventative double mastectomy. Lacey doesn't want to lose her breasts. For one, she’s juggling two career paths. Secondly, small-town Lacey’s not so in touch with her sexuality: she doesn’t want to sacrifice her breasts before she’s had the chance to give them their hey-day. To help her make her choice, she (and her friends) creates a “boob bucket list”: everything she wants do with and for her boobs before a possible surgery. This kicks off a year of sensual exploration and sexual entertainment for the quick-witted Lacey Whitman. *The Bucket List* cleverly and compassionately explores Lacey’s relationship to her body and her future. Both are things Lacey thought she could

control through hard work and sacrifice. But the future, it turns out, is more complicated than she could ever imagine. Featuring the pitch-perfect “compulsively delicious” (Redbook) prose of *The Regulars*, *The Bucket List* is perfect for fans of Amy Poeppel and Sophie Kinsella.

Wise Woman Collection-The No-Regrets Bucket List
Marion Elizabeth Witte, 2013-02-01 Who Do You Want to Be Before You Die? When you mention a bucket list, many people think about the movie of the same name starring Morgan Freeman and Jack Nicholson. The characters they play are critically ill, and as such they create a to do list of things to accomplish before they kick the bucket. The idea depicted in the film generated an interest in the public in preparing their own personal bucket list, including on them such items as activities to engage in or things to acquire during one's lifetime. The No-Regrets Bucket List suggests there is also a need to create a bucket list for living, one that establishes the criteria for who we want to be during our lifetime, and how we can live a more authentic and purpose-driven life. This tool can aid the preparer in creating a more meaningful life, as opposed to winding up with regrets for the life they actually lived. This book provides a sampling of bucket list ideas, and it encourages the reader to develop their personal list. Whether one chooses to create a bucket list or not, the book is filled with

common-sense, realistic and inspirational ideas for living a meaningful life.
