atheist, uses his investigative journalism skills to dig deep into the Bible to provide compelling and concise answers about Christianity. In this answer book, bestselling author Lee Strobel offers biblically based answers to questions such as: Did God use evolution when He created the world? If God is loving, why is there so much suffering? Do the resurrection accounts in the four Gospels contradict each other? Can you have doubts and still be a Christian?

The Christian Answer to the Problem of Evil John Seldon Whale, 1948

Answering the Hard Questions Robert R. Hill, 2022-11-03 No question should be off limits if it is asked with the intent of seeking truth. But many Christians do not know how to answer some of the hard questions about the Bible and the Christian faith. Could you answer these questions? What would you do if you were asked one of these questions from an unsaved friend? What would you do if your children asked you one of these questions? 1. If God is real, then why doesn't he show himself? 2. If God is real, then why does he allow suffering and evil to continue? 3. How can God be real when secular science shows that everything has an explanation without God? 4. If God is a merciful, kind, and forgiving God, then why did he order the slaughter of whole people groups including men, women, children, and their animals too? 5. Why would a loving God send anyone to an eternal hell? 6. How can God be real since the Bible says God is love but commands the barbaric death of innocent animals in the Old Testament and Jesus says to eat his body and drink his

blood? And there are other weird things in the Bible too. 7. How can God be real since we don't see a difference between people who call themselves Christians and the rest of the world? This series is designed to equip Christians to answer these types of hard questions in defending the Bible and the Christian faith. We must be able to respond to these types of questions or else we will not be confident in our faith, and therefore we will be weak in witnessing. I want you to be able to answer these questions quickly and confidently to be an effective and passionate ambassador for Christ.

A Reasonable Response William Lane Craig, Joe Gorra, 2013-09-01 Followers of Jesus need not fear hard questions or objections against Christian belief. In *A Reasonable Response*, renowned Christian philosopher and apologist William Lane Craig offers dozens of examples of how some of the most common challenges to Christian thought can be addressed, including: Why does God allow evil? How can I be sure God exists? Why should I believe that the Bible is trustworthy? How does modern science relate to the Christian worldview? What evidence do we have that Jesus rose from the dead? Utilizing real questions submitted to his popular website ReasonableFaith.org, Dr. Craig models well-reasoned, skillful, and biblically informed interaction with his inquirers. *A Reasonable Response* goes beyond merely talking about apologetics; it shows it in action. With cowriter Joseph E. Gorra, this book also offers advice about envisioning and practicing the ministry of answering people's questions through the local church, workplace, and in online

environments. Whether you're struggling to respond to tough objections or looking for answers to your own intellectual questions, A Reasonable Response will equip you with sound reasoning and biblical truth.

Convinced? C. J. Rysen, Dan Manternach, 2021-10-20 What is the complete essence of this book? The Cosmic Harmony of Science, Scripture, and Reason. Can it be indubitably proven that God absolutely exists? Can it really be shown how science actually confirms creation by God? Given that some say not even God can create something out of nothing, exactly how did God create everything in the universe? Just how can the Holy Bible be reliable and the

divine Word of God when it is challenged with so much controversy? Can it be irrefutably verified that Jesus was for real, really rose from the dead, and is the Son of God? Did the Great Flood of Noah and his Ark really happen? How? Everybody wants to see proof. Atheists and skeptics often demand it. A total of twenty-one of the most often asked and difficult questions challenging Christianity are answered by coauthors C. J. Rysen, (author of the Christian apocalyptic thriller, a novel, In the Course of Three Hours (www.inthecourseofthreehours.com)), and Dan Manternach, a public speaker and leader in the Christian Group, Ministry to Men (www.ministrytomen.net). Both men have collaborated to provide irrefutable answers and explanations in a simple, easy-to-understand, straightforward way, providing new, unexpected, and intriguing perspectives to which you likely may have never given any thought. Many of these will be surprising and often startling to anyone--whether skeptic, agnostic, or atheist. The book is also intended to be a reference source for the layperson, as well as those with formal theological or philosophical education. Although this book is intended to address these questions for the benefit of the nonbeliever, it also is intended to prepare the believer to help answer such questions and solidify their faith. If one is intellectually honest with oneself, the explanations in this book should be overwhelmingly compelling and absolutely convincing. If they are not, one must ask the question, Why?

The Christian Answer to Life's Urgent Questions George Edgar Sweazey, 1962

Answers for “The Hope That Is in You” Charlie Liebert, 2015-06-23 Charlie Liebert was converted to Christ at age thirty-five from hardcore Atheism. Because he understands how Atheists think, he effectively spreads the gospel through dialogue with unbelievers. Seeing many fellow Christians paralyzed by fear of not being able to answer their questions, he developed here direct, simple, Bible-based answers to those hard questions. In his first book, *Always Be Ready to Give an Answer!* he proposed a strategy to get to the gospel before answering those hard questions. Now its time to answer them! The four most common questions are: 1) Where did Cain get his wife? 2) What happens to a native in the jungle who never heard the gospel? Does he go to hell? 3) Why do bad things happen to good people? and 4) Materialists statements like: I only believe in what I can see. Faith is for fools! Everything is relative, there are no absolutes! These four questions are each answered in depth to give you firm confidence in your personal evangelism. Over one hundred more questions are answered simply and directly. The conflict between the Bibles Creation account and the Evolution taught in our schools is analyzed to increase your confidence. Your faith will be bolstered by these answers and the analysis of origins. You will be empowered in your witnessing and gain great confidence in your faith. Yes, there are answers to those hard questions! Become a fearless evangelist with real answers for the hope that is in you!

To Everyone an Answer Francis J. Beckwith, William Lane Craig, J. P. Moreland, 2009-08-20 In a society fascinated by spirituality but committed to religious pluralism, the Christian worldview faces sophisticated and aggressive opposition. A prior commitment to diversity, with its requisite openness and relativistic outlook, has meant for skeptics, critics and even many Christians that whatever Christianity is, it cannot be exclusively true

or salvific. What is needed in this syncretistic era is an authoritative, comprehensive Christian response. Point by point, argument by argument, the Christian faith must be effectively presented and defended. To Everyone an Answer: A Case for the Christian Worldview offers such a response. Editors Francis J. Beckwith, William Lane Craig and J. P. Moreland have gathered together in this book essays covering all major aspects of apologetics, including: faith and reason arguments for God's existence the case for Jesus the problem of evil postmodernism religious pluralism and Christian exclusivism Preeminent in their respective fields, the contributors to this volume offer a solid case for the Christian worldview and a coherent defense of the Christian faith.
