Moorish Circle 7 Keith Moore 32, 2005-05-04 This book is based on the theory that the black Muslim movement was created from the knowledge of the Masonic order. In the early decades of the 20th century, noble drew ali established a political and religious organization known today as the Moorish Science Temple of America. It was this organization that exposed black to something other than the normal Christian influences of that day. Ali a high degree freemason, incorporated various Masonic teachings from an auxiliary group. Known as the AEAONMS ancient Egyptian Arabic order of noble of the mystic shrine A pseudo Islamic/Arabic oriental organization that served as a wake up call to a lost knowledge. A knowledge that was taken away from Africans during the slave trades. The theory behind this book is that the majority of the slaves that were taken from the west coast of Africa were practicing Muslims, and these Muslims were forced to convert to Christianity under the strong oppression of slavery. At one time Afro-Americans were the biggest minority in the American society. About 90% of the todays population of blacks are descendants of slaves that were brought to America for working on plantations since the 16th century. At the beginning of the 19th century most of the so-called Negroes lived in the plantation areas of the Southern States. After the Civil War and the abolition of slavery it wasnt until the early 1920s and 30s that blacks were beginning to experiment with other faiths. Of all the faiths Islam became the fastest growing religion and the most popular. This book by far is in no way a research into black history, instead it covers a more deeper aspect of history in which I call the history behind the history. It explores the true Asiatic origins of the ancient religions of Hinduism, Buddhism well as the Islamic faith. Finally It explores the Masonic symbolisms of alis Moorish science dogma digging deeper into the esoteric side of his Aquarian/Masonic teaching explaining their origins and discovering an age old wisdom that had been kept hidden from the human eye. One would think that Africans in the Americas would have rejected the religious tradition of their European oppressors taking into consideration that African religions are far older & they possess more sources of knowledge & spiritual salvation. Yet there are those who have turned away from traditional Christian dominated environments in order to find a greater understanding of themselves and the world in which they live. One alternative has been to seek knowledge in the various religious groups that arose in the 20th century.

Understanding the Koran Mateen Ellass, 2009-08-19 Find out how the Koran resembles the Bible—and the drastic ways in which it differs. Understanding the Koran gives you an essential grasp of Islam's holy book: where it came from, what it teaches, how Muslims view it, and how the Allah of the Koran compares with the God of the Bible. Cherished as the final, perfect revelation of God's will by 1.2 billion Muslims worldwide, the Koran has become a part of American life. What do you know about the holy book that shapes the lives and views of your neighbors and a fifth of the world's population? Written by a pastor who was born to a Muslim father and raised in Saudi Arabia, Understanding the Koran gives you a fascinating, easy-to-understand overview that will show you: Why the background behind the Koran is important to understanding it. How the Koran came into existence. A summary of the main teachings of the Koran, including what it says about Jesus and the crucifixion. Similarities and differences between Muslim and Christian views of God. What the Koran teaches about Jihad and holy war. What the Koran teaches about heaven and hell and the final destinies of the human soul. Giving you an essential grasp of Islam's holy book, Understanding the Koran points you to the one thing that can draw your Muslim friends to Jesus—his love, demonstrated to them through you. Discussion questions make it possible to use this book in group studies.

NOBLE DREW ALI & THE MOORISH SCIENCE TEMPLE OF AMERICA. THE MOVEMENT THAT STARTED IT ALL Sheik Way-El, 2011-12-09 This book will take the reader on a journey to the early 1900's when the first man, Prophet Noble Drew Ali, did bring to the so called Negro, black, and colored, the first light of our lost knowledge of the east and founded the first Islamic organization in the United States. He would reveal to us our true identity of the Moabites whom are the Heralded Moors and he would teach us that we are not Negroes, Black Folks or Colored people because these names allude to slavery as they still do today. This is the first time in history that a book was dedicated to giving a public accounting of the history of Noble Drew Ali and the Moorish Science Temple of America insofar as the origins, the efflorescence, and the schism of the movement and the state of the Moorish nation today.

The Aquarian Gospel of Jesus the Christ Levi Dowling, 2012-03-06 This visionary text professes to tell the complete story of Jesus' life, including the lost years, during which he traveled and studied in Tibet, Egypt,

India, Persia, and Greece. First published in 1908, this mystical work is the cornerstone of a Christian denomination, the Aquarian Christine Church Universal, and it offers intriguing, controversial assertions about Christ's message. Jesus was conceived by a human father, author Levi Dowling states, and by effort and prayer rendered himself a fit vessel for the Christ – the model for human existence and ultimate salvation. Dowling, who devoted forty years of preparation to the task of transcribing this volume's contents from original Akashic records, further asserts the reality of reincarnation and its culmination in the perfection of the human soul. Tracing Jesus' life from his birth in Bethlehem to his ascension from the Mount of Olives, Dowling offers complete details concerning the savior's years among monks, wise men, and seers throughout the Orient. Readers with an interest in occult lore and the history of religion will find this remarkable volume a source of endless fascination.

The Concept of Justice in Islam Safraz Bacchus,2014-10-20 The book is laid out to outline the Islamic standpoint on justice and it's high standard. This manuscript will attempt to clarify a major misconception that has gained widespread acceptance in some academic circles. The misconception is that the Muslim judge judges blindly according to a rigid set of outdated laws without giving due consideration to what is in the best interest of either the public or in upholding the rights of a person. Finally, it will seek to demonstrate how the ethical standards that govern the conduct and office of the qadi reinforces the public trust and confidence in the Islamic judicial system as a whole. Given that the Islamic judiciary does not have the powers of the sword or the purse – powers that are reserved for the executive and the legislative branches of government – respect is said to be the greatest strength of the institution itself.Islamic law requires a Muslim judge (hakim or qadi) to conform to the highest ethical standards both in their personal conduct and in issuing rulings that are just and seen to be just.

A Concise Guide to the Quran Ayman S. Ibrahim,2020-11-03 What is so unique about Islam's scripture, the Quran? Who wrote it, and when? Can we trust its statements to be from Muhammad? Why was it written in Arabic? Does it command Muslims to fight Christians? These are a few of the thirty questions answered in this clear and concise guide to the history and contents of the Quran. Ayman Ibrahim grew up in the Muslim world and has spent many years teaching various courses on Islam. Using a question-and-answer format, Ibrahim covers critical questions about the most sacred book for Muslims. He examines Muslim and non-Muslim views concerning the Quran, shows how the Quran is used in contemporary expressions of Islam, answers many of the key questions non-Muslims have about the Quran and Islam, and reveals the importance of understanding the Quran for Christian-Muslim and Jewish-Muslim interfaith relations. This introductory guide is written for anyone with little to no knowledge of Islam who wants to learn about Muslims, their beliefs, and their scripture.

The Circle 7 Koran Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Circle 7 Koran has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Circle 7 Koran has opened up a world of possibilities. Downloading The Circle 7 Koran provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled

with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Circle 7 Koran has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Circle 7 Koran. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Circle 7 Koran. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Circle 7 Koran, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Circle 7 Koran has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
