Of the Sharks, by the Sharks, for the Sharks Paul Sharp,2006-07 The sharks have devoured justice. Lawyers and judges are rewriting all the rules--for their own benefit. Every citizen needs to know what's wrong with the U.S. legal system and how it can be fixed. (Social Issues)

The Shark Tank Theology William Keith Hatfield,2016-09-06 Millions of people watch ABC's hit show Shark Tank, in which hopeful entrepreneur-contestants give their all to convince blue-blood billionaires and millionaires to invest in their dreams and turn them into reality. From producer Mark Burnett, a Christian known for his TV series The Bible and A.D., Shark Tank also includes compelling themes about life's nonmaterial attainments, such as grace and salvation, penalty and punishment. The Shark TankTheology extracts these and other themes from the show to give you an excellent collection of talking points for introducing Christ to people. Pastors or youth leaders can use the book imaginatively to create evangelism series, adding clips from the program as visuals that drive home major points. If you enjoy Shark Tank, you will surely enjoy applying The Shark TankTheology to help people make an eternal connection between real-life TV and real life in Jesus.

The Bible Has the Answer Henry Madison Morris,Tim LaHaye,Martin E. Clark,1976 How do we know the Bible is true? Why did God create the universe? How will we spend eternity? Neglecting and rejecting God's Word has its consequences: abortion, AIDS, troubled relationships, crime, immorality, personal freedoms - the Bible is vital in solving (and preventing) the very real problems facing people today. Will all men eventually be saved? How can I know God's will? Is a Christian supposed to obey the government? Why did God create Satan? Is the end of the world near? There are many questions today that demand answers in our daily lives; we can't avoid them. After reading this book, you'll clearly see answers to questions such as these, and others that affect our Christian walk.

In All the Scriptures Nicholas G. Piotrowski,2021-12-28 Biblical Foundations Book Awards Finalist No one reads the Bible without some interpretive principles, or hermeneutics, in place. The question every student of Scripture needs to ask, then, is this: Are your interpretive principles and methods legitimate and ethical? In this accessible introduction to biblical hermeneutics, Nicholas G. Piotrowski presents an approach that explores three layers of context: literary, historical, and christological. Because no text exists in the abstract, interpreters must seek to understand a passage's ecology: the flow and argument of the entire biblical book, the world of the original author and audience, and the movement of redemptive history that culminates in the person and work of Jesus Christ. Careful interpretation is both a science and an art, Piotrowski argues, and it has powerful implications for what we believe and how we apply God's Word. Featuring numerous examples, further reading lists, and a glossary, In All the Scriptures equips students, pastors, and thoughtful readers to build a solid foundation for interpreting the Bible.
