Augustine's Confessions Garry Wills, 2021-07-27 From Pulitzer Prize–winner Garry Wills, the story of Augustine's Confessions In this brief and incisive book, Pulitzer Prize-winning historian Garry Wills tells the story of the Confessions--what motivated Augustine to dictate it, how it asks to be read, and the many ways it has been misread in the one-and-a-half millennia since it was composed. Following Wills's biography of Augustine and his translation of the Confessions, this is an unparalleled introduction to one of the most important books in the Christian and Western traditions. Understandably fascinated by the story of Augustine's life, modern readers have largely succumbed to the temptation to read the Confessions as autobiography. But, Wills argues, this is a mistake. The book is not autobiography but rather a long prayer, suffused with the language of Scripture and addressed to God, not man. Augustine tells the story of his life not for its own significance but in order to discern how, as a drama of sin and salvation leading to God, it fits into sacred history. We have to read Augustine as we do Dante, Wills writes, alert to rich layer upon layer of Scriptural and theological symbolism. Wills also addresses the long afterlife of the book, from controversy in its own time and relative neglect during the Middle Ages to a renewed prominence beginning in the fourteenth century and persisting to today, when the Confessions has become an object of interest not just for Christians but also historians, philosophers, psychiatrists, and literary critics. With unmatched clarity and skill, Wills strips away the centuries of misunderstanding that have accumulated around Augustine's spiritual classic.

The Confessions Saint Augustine (Bishop of Hippo.), 2012 The Confessions of Saint Augustine is considered one of the greatest Christian classics of all time. It is an extended poetic, passionate, intimate prayer that Augustine wrote as an autobiography sometime after his conversion, to confess his sins and proclaim God's goodness. Just as his first hearers were captivated by his powerful conversion story, so also have many millions been over the following sixteen centuries. His experience of God speaks to us across time with little need of transpositions. This acclaimed new translation by Sister Maria Boulding, O.S.B., masterfully captures his experience, and is written in an elegant and flowing style. Her beautiful contemporary translation of the ancient Confessions makes the classic work more accessible to modern readers. Her translation combines the linguistic accuracy demanded by 4th-century Latin with the poetic power aimed at by Augustine, not as discernable in previous translations.

The Confessions Saint Augustine (of Hippo), 1997 Presents an English translation of Saint Augustine's Confessions in which the fourth-century bishop reflects on his faith and reveals his sins

Confessions Kanae Minato, 2014-08-19 Her pupils murdered her daughter. Now she will have her revenge. After calling off her engagement in the wake of a tragic revelation, Yuko Moriguchi had nothing to live for except her only child, four-year-old child, Manami. Now, following an accident on the grounds of the middle school where she teaches, Yuko has given up and tendered her resignation. But first she has one last lecture to deliver. She tells a story that upends everything her students ever thought they knew about two of their peers, and sets in motion a diabolical plot for revenge. Narrated in alternating voices, with twists you'll never see coming, *Confessions* probes the limits of punishment, despair, and tragic love, culminating in a harrowing confrontation between teacher and student that will place the occupants of an entire school in danger. You'll never look at a classroom the same way again.

The Confessions Augustine of Hippo, 1990 Presents an English translation of Saint Augustine's Confessions in which the fourth-century bishop reflects on his faith and reveals his sins

The Confessions Saint Augustine, 2008-08-14 In this new translation the brilliant and impassioned descriptions of Augustine's colourful early life are conveyed to the English reader with accuracy and art. Augustine tells of his wrestlings to master his sexual drive, his rare ascent from a humble Algerian farm to the edge of the corridors of high power at the imperial court of Milan, and his renunciation of secular ambition and marriage as he recovered the faith that his mother had taught him. It was in a Milan garden that Augustine finally achieved the act of will to Christian conversion, which he compared to a lazy man in bed finally deciding it is time to get up and face the day. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Confessions of X Suzanne M. Wolfe, 2016-01-26 Winner of the Christianity Today 2017 Book Award! Before he became a father of the Christian Church, Augustine of Hippo loved a woman whose name has been lost to history. This is her story. She met Augustine in Carthage when she was seventeen. She was the poor daughter of a mosaic-layer; he was a promising student and heir to a fortune. His brilliance and passion intoxicated her, but his social class would be forever beyond her reach. She became his concubine, and by the time he was forced to leave her, she was thirty years old and the mother of his son. And his Confessions show us that he never forgot her. She was the only woman he ever loved. In a society in which classes rarely mingle on equal terms, and an unwed mother can lose her son to the burgeoning career of her ambitious lover, this anonymous woman was a first-hand witness to Augustine's anguished spiritual journey from secretive religious cultist to the celebrated Bishop of Hippo. Giving voice to one of history's most mysterious women, *The Confessions of X* tells the story of Augustine of Hippo's nameless lover, their relationship before his famous conversion, and her life after his rise to fame. A tale of womanhood, faith, and class at the end of antiquity, *The Confessions of X* is more than historical fiction . . . it is a timeless story of love and loss in the shadow of a theological giant.

Augustine: Confessions Books V–IX Augustine, 2019-09-12 Books V-IX of the Confessions trace five crucial years in the life of Augustine, from his debut as a teacher of rhetoric in North Africa to his baptism as a Christian and the renunciation of a worldly career in Milan. This commentary will be invaluable for those wishing to read his story in the original Latin. Through careful glosses and notes, Augustine's Latin is made accessible to students of patristics and of classics. His extensive quotations from Scripture are translated and explained in light of the variant Bible texts and the interpretative assumptions through which he came to understand them. The unfolding of his career is set against the background of political, cultural, and religious change in the fourth century, and the art with which he created a form of narrative without precedent in earlier Latin literature is illustrated in close detail.

The Confessions Saint Augustine, 2008-08-14 Henry Chadwick, an eminent scholar of early Christianity, has given us the first new English translation in thirty years of Augustine's *The Confessions*. We witness the future saint's fascination with astrology and with the Manichees, and then follow him through

scepticism and disillusion with pagan myths until he finally reaches Christian faith. There are brilliant philosophical musings about Platonism and the nature of God, and touching portraits of Augustine's beloved mother, of St. Ambrose of Milan, and of other early Christians like Victorinus, who gave up a distinguished career as a rhetorician to adopt the orthodox faith. To make *The Confessions* accessible to contemporary readers, Chadwick provides the most complete and informative notes of any recent translation, and includes an introduction to establish the context.

Expositions of the Psalms 1-32 (Vol. 1) Saint Augustine (of Hippo),1990 As the psalms are a microcosm of the Old Testament, so the Expositions of the Psalms can be seen as a microcosm of Augustinian thought. In the Book of Psalms are to be found the history of the people of Israel, the theology and spirituality of the Old Covenant, and a treasury of human experience expressed in prayer and poetry. So too does the work of expounding the psalms recapitulate and focus the experiences of Augustine's personal life, his theological reflections and his pastoral concerns as Bishop of Hippo.--Publisher's website.

Confessions Jean-Jacques Rousseau,2015-04-01 Rousseau's ideas have influenced almost every major political development of the last two hundred years, and are crucial to an understanding of phenomena as diverse as the French Revolution, modern educational theory, and the contemporary environmental movement. This is reason enough to draw attention to his startlingly alive autobiography. But the Confessions is also among the greatest self-portraits in world literature -which suggests, even more than the impact of Rousseau's thought, the extent to which the very high opinion he had of himself was ultimately justified.

Late Have I Loved Thee Augustine of Hippo,2006-12-05 The first collection of Saint Augustine's varied writings on human and divine love—chosen to reflect his lifelong preoccupation with *ordo amoris*, the principle of rightly directed love. My weight is my love, Saint Augustine writes in *The Confessions*. He sees our ability to love as disordered by sin, so that we often choose badly what and how to love. Only by recognizing that we are commanded to love God first can any other object of our love be properly ordered, *Late Have I Loved Thee* draws on the riches found in Augustine's sermons, letters, treatises, and Scripture commentaries, as well as passages from *The Confessions* and *City of God*. Augustine (354-430 A.D.) was the most prolific writer of Christian antiquity and the most influential theologian in Church history. In his first encyclical, *God Is Love*, current Pope Benedict XVI acknowledges his indebtedness to him. When we read Augustine today, we encounter the same direct, eloquent passions his original listeners experienced, infused with his deep sense of human weakness and burning desire for union with God.

The confession : a novel John Grisham,2011 When Travis Boyette is paroled because of inoperable brain tumor, for the first time in his life, he decides to do the right thing and tell police about a crime he committed and another man is about to be executed for.

The Confessions of Saint Augustine Saint Augustine,1997-04 In *The Confessions*, Saint Augustine addressed himself eloquently and passionately to the enduring spiritual questions that have stirred the minds and hearts of thoughtful men since time began. Written A.D. 397, *The Confessions* are a history of the young Augustine's fierce struggle to overcome his profligate ways and achieve a life of spiritual grace.

The first ten books of the work relate the story of Augustine's childhood in Numidia; his licentious and riotous youth and early manhood in Carthage, Rome, and Milan; his continuous struggle with evil; his attempts to find an anchor for his faith among the Manicheans and the Neoplatonists; the untiring efforts of his mother, Saint Monnica, to save him from self-destruction; and his ultimate conversion to the Christian faith at the age of thirty-two. The last three books of *The Confessions*, unrelated to the preceding account of Saint Augustine's early life, are an allegorical explanation of the Mosaic account of Creation. Throughout the work, the narrative, addressed to God, is interspersed with prayers, meditations, and instructions, many of which today are to be found in the liturgies of all sects of the Christian Church. The *Confessions* constitute perhaps the most moving diary ever recorded of a soul's journey to grace. Appearing midway in Saint Augustine's prodigious body of theological writings, they stand among the most persuasive works of the sinner-turned-priest who was to exercise a greater influence on Christian thought than any of the other Church fathers.
