

The Crow And The Serpant

AW Chickering

The Crows and the Snake Gill,2016-04-24

The Crows and the Serpent Lorraine Cowburn,2011-11 The Banyan tree is home to two crows where they live happily together until one day an evil serpent comes to the forest. Events unfold and lead us on a magical tale where we meet with a wise fox, who has a cunning plan to get rid of the serpent once and for all.

The Serpent's Tooth Diana L. Paxson,1991 Cridilla, the youngest daughter of Leir Blatonikos, grows to womanhood in a magnificent land, learns the lost secrets of the Goddess from Crow, and must face her own sister's perfidy.

An Abecedarian of Animal Spirit Guides Mark G. Boyer,2016-03-28 Almost every person has owned a pet at one time or another in life or known someone who has. In all world religions, animals serve as spirit guides; there is spirituality to animal and human dialogue. Animals have the ability to help us reach wholeness if we learn their wisdom and integrate it into our lives. This abecedarian--a book whose contents are in alphabetical order--explores the spiritual growth that is possible by reflecting on the wisdom of creatures, which serve as spirit guides in all world religions and help humans experience the divine. The author explores animal spirit guides in the Bible, The Quran, The Dhammapada, The Rig Veda, The Analects of Confucius, stories from Aesop and Grimm, and much more. In these pages you can explore bears and bees, eagles and elephants, ravens and roosters, tadpoles and turtles, and many more. For each of the thirty-two entries, the author presents a text identifying the animal spirit guide, a reflective study, a question for journaling or personal meditation, and a concluding prayer. The spiritual life can be nourished in many ways; in this book it is enhanced by animal spirit guides.

The Bear and the Serpent Adrian Tchaikovsky,2017-02-09 The Bear and the Serpent is the second book in Adrian Tchaikovsky's epic fantasy trilogy, Echoes of the Fall, following The Tiger and the Wolf. 'Addictively brilliant' – John Gwynne on The Tiger and the Wolf As the south is in turmoil, an old terror emerges in the north . . . Maniye, child of both Wolf and Tiger clans, has been named Champion of her people. But they're unsure if she's an asset – or a threat. To buy time, she joins Prince Tecuman's warband of outcasts and heads south, to help him gain his crown. She wants to discover her true place in the world, but instead heads into the jaws of a fierce new conflict. Civil war threatens as Tecuman and his twin sister battle for the throne, for only one can rule. Yet whoever triumphs will carry a heavy burden, as a great doom has been foreseen that will fall across their whole world. And soon Maniye finds herself at the heart of a political storm. Danger is also shadowing her old home, where Loud Thunder and his Bear clan are attempting to unite the northern tribes. But only extreme peril will end age-old rivalries. An adversary from the most ancient of times is preparing to strike, putting their lands and their very souls in danger. And neither north nor south will be spared the terror to come. Complete this sweeping coming-of-age fantasy trilogy with The Hyena and the Hawk.

Poetry and the Anthropocene Sam Solnick,2016-09-19 This book asks what it means to write poetry in and about the Anthropocene, the name given to a geological epoch where humans have a global ecological impact. Combining critical approaches such as ecocriticism and posthumanism with close reading and archival research, it argues that the Anthropocene requires poetry and the humanities to find new ways of thinking about unfamiliar spatial and temporal scales, about how we approach the metaphors and discourses of the sciences, and about the role of those processes and materials that confound humans' attempts to control or even conceptualise them. Poetry and the Anthropocene draws on the work of a series of poets from across the political and poetic spectrum, analysing how understandings of technology shape literature about place, evolution and the tradition of writing about what still gets called Nature. The book explores how writers' understanding of sciences such as climatology or biochemistry might shape their poetry's form, and how literature can respond to environmental crises without descending into agitprop, self-righteousness or apocalyptic cynicism. In the face of the Anthropocene's radical challenges to ethics, aesthetics and politics, the book shows how poetry offers significant ways of interrogating and rendering the complex relationships between organisms and their environments in a world increasingly marked by technology.

Daniel and the Serpent's Abyss Nathan Lumbatis,2021-01-08 Six months after returning from their adventures in Daniel and the Triune Quest, Daniel, Ben, and Seren eagerly await their mission to save Raylin and acquire the last Weapon of Power: the Abyssal Staff. Daniel can't believe his luck when Gabriela shows up and declares she will guide them to the British Isles, where Raylin has been haunting ancient ruins in her frenetic

search for more spiritual power. When the group is transported to Ireland, however, everything goes wrong. Raylin, driven mad by the possessing power of the Voidblade, is as powerful as several demons put together and impervious to their attacks. Seren, desperate to save her sister, impulsively starts an explosive battle to bind her—a decision that turns the entire quest on its head and drives Daniel to a point of desperation he never anticipated. Through it all, the Three are noticeably absent and quiet, not answering prayers or sending aid. What’s worse, Gabriela seems distant and preoccupied. So much for Daniel’s hopes for improving their relationship. The quest seems hopeless, and it’s only just begun. How can the companions hope to evade the Enemy’s minions haunting their every step, subdue a super-powered Raylin in her madness, get her to the bottom of the Abyss where the staff resides, and survive a face-to-face encounter with the Serpent awaiting them there? Daniel has no idea, but he hopes his faith in the Three will not prove vain. Surely, after all their intervention during the last two quests, they wouldn’t abandon the companions without help. Right? Daniel and the Serpent’s Abyss is a young adult, Christian fantasy novel exploring forgiveness, faith, and the empowering role of the Holy Spirit in the believer’s life. It is the third in the Sons and Daughters series, which includes Daniel and the Sun Sword, and Daniel and the Triune Quest.

Dreaming the Serpent Spear Manda Scott,2011-02-04 The fourth and final novel in the magnificent saga of Britain’s warrior queen (Boudica – “Bringer of Victory” and the last defender of the Celtic culture) will capture readers’ hearts and minds, as Manda Scott brings the series to a stunning close. It is AD 60 and the flame of rebellion that has been smouldering for 20 years of Roman occupation has flared into a conflagration that will consume the land and all who live in it. There is no going back. Boudica has been flogged and her daughters raped, and her son has burned a Roman watchtower in an act of blatant insurgency. This is the time to act: the Roman governor has marched his legions west to destroy the druidic stronghold of Mona, leaving his capital and a vital seaport hopelessly undefended in the face of twenty-thousand warriors aching for vengeance. But to crush the legions for all time, Boudica must do more than lead her army in the greatest rebellion Britain has ever known. She must find healing for herself, for the land, and for Graine, her 8-year-old daughter, who has taken refuge on Mona. Is revenge worth it under any circumstances, or is the cost more than anyone can bear? Colchester is burning and London is lost without hope. Amidst fire and bloody revolution – a battle that will change the face and spirituality of a nation for centuries to come – Boudica and those around her must find what matters most, now and for ever.

Ted Hughes and Christianity David Troupes,2019-07-04 Proposes a radical reassessment of Hughes as a religious poet, demonstrating his loyalty to an essentially Christian metaphysic.

The Serpent's Tooth ,

The Serpent's Tale Ariana Franklin,2008-01-31 The follow-up to Mistress of the Art of Death- in the national bestselling series hailed as the medieval answer to Kay Scarpetta and the CSI detectives. When King Henry II's mistress is found poisoned, suspicion falls on his estranged queen, Eleanor of Aquitaine. The king orders Adelia Aguilar, expert in the science of death, to investigate-and hopefully stave off civil war. A reluctant Adelia finds herself once again in the company of Rowley Picot, the new Bishop of St. Albans...and her baby's father. Their discoveries into the crime are shocking- and omens of greater danger to come.

Adam and Eve in the Armenian Tradition, Fifth through Seventeenth Centuries Michael E. Stone,2013-10-14 The Adam and Eve stories are a foundational myth in the Jewish and Christian worlds, and the way they were recounted reveals a great deal about those doing the retelling. How did the Armenians retell these stories? What values do these retellings express about men and women, their life in the world, sin and redemption? Presented here are twelve hundred years of Armenian telling of the Genesis 1–3 stories in an unparalleled collection of all significant narratives of Adam and Eve in Armenian literature—prose and poetry, homilies and commentaries, calendary and mathematical texts—from its inception in the fifth century to the seventeenth century. This seminal resource contributes to the lively current discussion of how biblical and apocryphal traditions were retold, embroidered, and transformed into the lenses through which the Bible itself was read.

Zoological Mythology, Or The Legends of Animals by Angelo De Gubernatis ,1872

Zoological Mythology, Or, The Legends of Animals Giuseppe Angelo De Gubernatis,1872

The Pancatantra Sarma, Visnu,Visnu Sarma,2006-08-31 First recorded 1500 years ago, but taking its origins from a far earlier oral tradition, the Pancatantra is ascribed by legend to the celebrated, half-mythical teacher Visnu Sarma. Asked by a great king to awaken the dulled intelligence of his three idle sons, the aging Sarma is said to have composed the great work as a series of entertaining and edifying fables narrated by a wide range of humans and animals, and together intended to provide the young princes with vital guidance for life. Since first leaving India before AD 570, the Pancatantra has been widely translated and has influenced a cast number of works in India, the Arab world and Europe, including the Arabian Nights, the Canterbury Tales and the Fables of La Fontaine. Enduring and profound, it is among the earliest and most popular of all books of fables.

The Book of the Thousand Nights and a Night Leonard C. Smithers,1894

Hindu Manners, Customs and Ceremonies Jean Antoine Dubois,Carrie Chapman Catt,Henry K. Beauchamp,2002-01-01 Based on an 1815 manuscript by a French missionary, this comprehensive work offers a unique panorama of early-19th-century Indian life. Caste system, ceremonial procedures, rules and etiquette, marriage, fasting, widowhood, funerary rites, literature, religion, much more. Index. 6 Appendices. Black-and-white illustration.
