**The Four Tendencies** Gretchen Rubin,2017-09-12 NEW YORK TIMES BESTSELLER • Are you an Upholder, a Questioner, an Obliger, or a Rebel? From the author of *Better Than Before* and *The Happiness Project* comes a groundbreaking analysis of personality type that “will immediately improve every area of your life” (Melissa Urban, co-founder of the Whole30). During her multibook investigation into human nature, Gretchen Rubin realized that by asking the seemingly dry question “How do I respond to expectations?” we gain explosive self-knowledge. She discovered that based on their answer, people fit into Four Tendencies: • Upholders meet outer and inner expectations readily. “Discipline is my freedom.” • Questioners meet inner expectations, but meet outer expectations only if they make sense. “If you convince me why, I’ll comply.” • Obligers (the largest Tendency) meet outer expectations, but struggle to meet inner expectations—therefore, they need outer accountability to meet inner expectations. “You can count on me, and I’m counting on you to count on me.” • Rebels (the smallest group) resist all expectations, outer and inner alike. They do what they choose to do, when they choose to do it, and typically they don’t tell themselves what to do. “You can’t make me, and neither can I.” Our Tendency shapes every aspect of our behavior, so using this framework allows us to make better decisions, meet deadlines, suffer less stress, and engage more effectively. It’s far easier to succeed when you know what works for you. With sharp insight, compelling research, and hilarious examples, *The Four Tendencies* will help you get happier, healthier, more productive, and more creative.

**The Psychopath Test** Jon Ronson,2011-06-03 What if society wasn't fundamentally rational, but was motivated by insanity? This thought sets Jon Ronson on an utterly compelling adventure into the world of madness. Along the way, Jon meets psychopaths, those whose lives have been touched by madness and those whose job it is to diagnose it, including the influential psychologist who developed the Psychopath Test, from whom Jon learns the art of psychopath-spotting. The London Cabbie's Quiz Book Mr. Ian Beetlestone,2020-07-28 Pay a visit to London and a black mini cab will probably be one the first things you will see. The London taxi drivers are almost as famous as the black cabs in which they drive, this is mainly due to their in-depth knowledge of London and ability in taking their occupants to their desired destination amid the congestion and the chaos that you often find when travelling through London’s streets. London taxi drivers go through stringent training to obtain their licence, they need to pass “The Knowledge”, a test which is amongst the hardest to pass in the world, and has been described as ‘like having an atlas of London implanted into your brain’. The test requires you to master no fewer than 320 basic routes, all of the 25,000 streets that are scattered within the basic routes and approximately 20,000 landmarks and places of public interest that are located within a six-mile radius of Charing Cross. This book breaks the test down into a series of head-scratching questions and features enough trivia about the capital to surprise even born and bred Londoners. It’s the perfect gift for anyone who thinks they know London inside-out, or wants to learn more!

**Better Than Before** Gretchen Rubin,2015-03-17 NEW YORK TIMES BESTSELLER • The author of The Happiness Project and “a force for real change” (Brené Brown) examines how changing our habits can change our lives. “If anyone can help us stop procrastinating, start exercising, or get organized, it’s Gretchen Rubin. The happiness guru takes a sledgehammer to old-fashioned notions about change.”–Parade Most of us have a habit we’d like to change, and there’s no shortage of expert advice. But as we all know from tough experience, no magic, one-size-fits-all solution exists. It takes work to make a habit, but once that habit is set, we can harness the energy of habits to build happier, stronger, more productive lives. In Better Than Before, acclaimed writer Gretchen Rubin identifies every approach that actually works. She presents a practical, concrete framework to allow readers to understand their habits—and to change them for good. Infused with Rubin’s compelling voice, rigorous research, and easy humor, and packed with vivid stories of lives transformed, Better Than Before explains the (sometimes counterintuitive) core principles of habit formation and answers the most perplexing questions about habits: • Why do we find it tough to create a habit for something we love to do? • How can we keep our healthy habits when we’re surrounded by temptations? • How can we help someone else change a habit? Rubin reveals the true secret to habit change: first, we must know ourselves. When we shape our habits to suit ourselves, we can find success—even if we’ve failed before. Whether you want to eat more healthfully, stop checking devices, or finish a project, the invaluable ideas in Better Than Before will start you working on your own habits—even before you’ve finished the book.
