"WWJ-The Detroit News" Detroit news. Radio staff,1922

The Witch of Delray Karen Dybis,2017-10-30 An immigrant woman and her son are accused of murder and witchcraft in this powerful true crime story of corruption in 1930s Detroit. In 1931, the tensions of the Great Depression took hold of Detroit at every level—even spilling over into the investigation of a mysterious murder at the Delray boardinghouse. Amid accusations of witchcraft, Hungarian immigrant Rose Veres and her son Bill were convicted of the brutal killing and suspected in a dozen more. Their cries of innocence went unheeded—until one lawyer, determined to seek justice, took on the case. Following the twists and turns of this shocking story, *The Witch of Delray* explores the tumultuous 1930s in a city notorious for corruption and reveals the truth of Detroit's own Hex Woman.

**The Style Book of The Detroit News** Detroit news,2010

**Detroit Pistons** Detroit News,2004 The Detroit News commemorates the unlikely championship in the action-packed book, *Detroit Pistons: Champions at Work*. Honoring the team's blue-collar work ethic with stories from the award-winning Detroit News sports staff, along with full-color Detroit News photos, it is certain to provide fans with a great way to remember a truly special season. The book also features profiles of the Pistons' biggest stars.

**The Detroit News** Draper Hill, 1982

The Detroit News, 1873-1917 Lee A. White, 2017-10-18 Excerpt from The Detroit News, 1873-1917: A Record of Progress A generation passed before greater vision was manifested, and opportunity seized. The Rev. Fr. Gabriel Richard, whose figure in stone adorns a niche in the city hall of Detroit, very likely was averse to having notices nailed to the church door, as was the practice in the day of the Pontiac War, and he had a hand press brought overland from Baltimore which was ultimately used to print the first newspaper in Michigan. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a

blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

**Riddle Island** Steve Hamilton,2020-02-04 On the afternoon of July 30, 1975, former Teamsters

president Jimmy Hoffa left the parking lot of the Machus Red Fox Restaurant in Bloomfield Hills, Michigan, never to be seen again. Over two hundred FBI agents have been working the case in the forty-four years since that day—digging up end zones, driveways, hay fields, and horse farms—and yet Hoffa's body has never been found. In this story by two-time Edgar Award-winning, New York Times bestselling author Steve Hamilton, Alex McKnight—the former Detroit cop and protagonist of eleven critically acclaimed novels that have sold over a million copies—is sitting at the rail in the Glasgow Inn when a local old-timer tells him an unusual story. It's the kind of small-town mystery that won't let Alex sleep at night, but when he goes hunting for answers, he stumbles upon the biggest surprise of his life. Forty-four years later, the disappearance of James Riddle Hoffa is still the most notorious open case in American crime history ... And Alex McKnight is about to solve it.

*The Broken Table* Chris Rhomberg, 2012-04-13 When the Detroit newspaper strike was settled in December 2000, it marked the end of five years of bitter and violent dispute. No fewer than six local unions, representing 2,500 employees, struck against the Detroit News, the Detroit Free Press, and their corporate owners, charging unfair labor practices. The newspapers hired permanent replacement workers and paid millions of dollars for private security and police enforcement; the unions and their supporters took their struggle to the streets by organizing a widespread circulation and advertising boycott, conducting civil disobedience, and publishing a weekly strike newspaper. In the end, unions were forced to settle contracts on management's terms, and fired strikers received no amnesty. In *The Broken Table*, Chris Rhomberg sees the Detroit newspaper strike as a historic collision of two opposing forces: a system in place since the New Deal governing disputes between labor and management, and decades of increasingly aggressive corporate efforts to eliminate unions. As a consequence, one of the fundamental institutions of American labor relations—the negotiation

table—has been broken, Rhomberg argues, leaving the future of the collective bargaining relationship and democratic workplace governance in question. The Broken Table uses interview and archival research to explore the historical trajectory of this breakdown, its effect on workers' economic outlook, and the possibility of restoring democratic governance to the business-labor relationship. Emerging from the New Deal, the 1935 National Labor Relations Act protected the practice of collective bargaining and workers' rights to negotiate the terms and conditions of their employment by legally recognizing union representation. This system became central to the democratic workplace, where workers and management were collective stakeholders. But efforts to erode the legal protections of the NLRA began immediately, leading to a parallel track of anti-unionism that began to gain ascendancy in the 1980s. The Broken Table shows how the tension created by these two opposing forces came to a head after a series of key labor disputes over the preceding decades culminated in the Detroit newspaper strike. Detroit union leadership charged management with unfair labor practices after employers had unilaterally limited the unions' ability to bargain over compensation and work conditions. Rhomberg argues that, in the face of management claims of absolute authority, the strike was an attempt by unions to defend workers' rights and the institution of collective bargaining, and to stem the rising tide of post-1980s anti-unionism. In an era when the incidence of strikes in the United States has been drastically reduced, the 1995 Detroit newspaper strike stands out as one of the largest and longest work stoppages in the past two decades. A riveting read full of sharp analysis, The Broken Table revisits the Detroit case in order to show the ways this strike signaled the new terrain in labor-management conflict. The book raises broader questions of workplace governance and accountability that affect us all.

*On This Day in Detroit History* Bill Loomis, 2016 One day at a time, discover colorful Motor City

moments in history spanning more than three centuries. On November 5, 1851, Voice of the Fugitive published a letter in support of escaped slaves. On July 3, 1904, Monk Parry became the first monkey to drive a car, and on January 16, 1919, the Statler Hotel menu offered whale meat for dinner. The legendary Steve Yzerman was named captain of the Red Wings on October 7, 1986. Local historian Bill Loomis covers the big events and remarkable stories of life and culture from Detroit's founding to its recent struggles and rebirth.

### Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **The Detroit News**

In some sort of inundated with monitors and the cacophony of quick interaction, the profound energy and emotional resonance of verbal artistry often fade into obscurity, eclipsed by the continuous assault of sound and distractions.
