

The Finger

Percival Wilde

The Old Place Bobby Finger, 2022-09-20 A bighearted and moving debut about a wry retired schoolteacher whose decade-old secret threatens to come to light and send shockwaves through her small Texas town. Billington, Texas, is a place where nothing changes. Well, almost nothing. For the first time in nearly four decades, Mary Alice Roth is not getting ready for the first day of school at Billington High. A few months into her retirement—or, district mandated exile as she calls it—Mary Alice does not know how to fill her days. The annual picnic is coming up, but that isn't nearly enough since the menu never changes and she had the roles mentally assigned weeks ago. At least there's Ellie, who stops by each morning for coffee and whose reemergence in Mary Alice's life is the one thing soothing the sting of retirement. Mary Alice and Ellie were a pair since the day Ellie moved in next door. That they both were single mothers—Mary Alice widowed, Ellie divorced—with sons the same age was a pleasant coincidence, but they were forever linked when they lost the boys, one right after the other. Years later, the two are working their way back to a comfortable friendship. But when Mary Alice's sister arrives on her doorstep with a staggering piece of news, it jeopardizes the careful shell she's built around her life. The whole of her friendship with Ellie is put at risk, the fabric of a place as steadfast as Billington is questioned, and the unflappable, knotty fixture that is Mary Alice Roth might have to change after all.

The Finger Ratio John Manning, 2009 SCIENCE: GENERAL ISSUES. What could fingers and sex possibly have in common? What does the shape of a child's fingers reveal about future musical talent? And why should professional footballers have longer fingers than other men? This book is about a simple measurement of the human hand: the 'finger ratio', or the length of the ring finger relative to the index finger. John Manning uses a tiny difference between the sexes - that men tend to

have a greater finger ratio than women - to examine a dizzying group of questions about human behaviour, from sexuality, to musical ability, to predisposition to disease. Provocative, intriguing and balanced, John Manning's cutting-edge research poses many fruitful and unusual questions about what makes us as we are.

Fingers William Sleator, 2006-06-27 Eighteen-year-old Sam has always been jealous of his younger brother, Humphrey, the famous wonder child pianist. But now that Humphrey is fifteen, the one-time child prodigy isn't able to get any more bookings. Sam's mother refuses to accept that Humphrey's career is over and devises a scheme to recapture his fame: Sam will compose new works by a long dead gypsy composer, and they will tell the world that the composer is dictating the music to Humphrey from the grave. The scheme is a wild success—until some ghostly occurrences convince Sam that the spirit of the dead composer has actually taken over Humphrey's fingers. Have Sam and his family unleashed a force from beyond the grave? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Finger Aaron Marc Stein, 1973

Hand, Hand, Fingers, Thumb Al Perkins, 2016-09-06 Illus. in full color. A madcap band of dancing, prancing monkeys explain hands, fingers, and thumbs to beginning readers.

The Middle Finger Project Ash Ambirge, 2020-02-11 Fresh, funny, and fearless, *The Middle Finger Project* is a point-by-point primer on how to get unstuck, slay imposter syndrome, trust in your own worth and ability, and become a strong, capable, wonderful, weird, brilliant, ballsy, unfuckwithable YOU. Don't worry, this isn't a book about God, nor is it a book about Ryan Gosling (second in command). But it is a book about authority and becoming your own. --Ash Ambirge After a string of dead-end jobs and a death in the family, Ash Ambirge was down to her last \$26 and sleeping

in a Kmart parking lot when she faced the truth: No one was coming to her rescue. It was up to her to appoint herself. That night led to what eventually became a six-figure freelance career as a sought-after marketing and copywriting consultant, all while sipping coffee from her front porch in Costa Rica. She then launched The Middle Finger Project, a blog and online course hub, which has provided tens of thousands of young women who disobey with the tools and mindset to give everyone else's expectations the finger and get on your own path to happiness, wealth, independence, and adventure. In her first book, Ash draws on her unconventional personal story to offer a fun, bracing, and occasionally potty-mouthed manifesto for the transformative power of radical self-reliance. Employing the signature wit and wordsmithing she's used to build an avid following, she offers paradigm-shifting advice along the lines of: • The best feeling in the world is knowing who you are and what you're capable of doing. • Life circumstances are not life sentences. If a Scranton girl who grew up in a trailer park can make it, so can you. • What you believe about yourself will either murder your chances or save your life. So why not believe something good? • You don't need a high-ranking job title to be authorized to contribute. You just need to contribute. • Be your own authority. Authority only works as long as you trust that someone smarter than you is making the rules. • The way you become a force is by being the most radically real version of yourself that you can be. • You only have 12 fucks a day to give, so use them wisely.

The deformities of the fingers and toes William Anderson, 2023-07-10 The deformities of the fingers and toes by William Anderson. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-

readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Finger Susan L. Pare,2021-05-27 The question isn't 'who done it?' The question is 'what do we do with the body now that it's been done?' When two sisters make a tragic error in judgment to dispose of a body instead of calling the police, there is no turning back. And, moving forward only intensifies the drama.From the first sentence, this book will make you laugh, shudder, squirm, wince a little, and wonder what is coming next. And - you won't put it down until you finish that last page.

The Finger Robert Creeley,1970

Murder & Mayhem in the Finger Lakes R. Marcin,2020-09-21 The pristine waters of the Finger Lakes inspire tranquility, but the region has not been spared a history of high-profile murders. George Chapman's execution for killing a hostler in a drunken rage drew one of the largest crowds in Seneca County's history. Charles Sprague was the only person from Yates County to be executed and the last person electrocuted at Auburn Prison after shooting a neighbor in a dispute over potatoes. A plea of insanity did not save James Williams from the electric chair after murdering an elderly man and attempting to rape a teenage girl. In the Feedbag Murder, the body of a missing man was found in a canal, and his friend was acquitted of the murder despite confessing to the crime years later. Author R. Marcin explores the gruesome history of homicide in the Finger Lakes.

The Crayons: A Set of Books and Finger Puppets Drew Daywalt,2018-10-16 This adorable set of two board book editions of Daywalt and Jeffers' bestselling *The Day the Crayons Quit* and *The Day the Crayons Came Home* and two finger puppets gives young readers an exciting new way to engage with these colorful characters. Full color. Consumable.

The Finger William S. Burroughs,2018-02-22 'He felt a sudden deep pity for the finger joint that

lay there on the dresser, a few drops of blood gathering around the white bone.' A deliberately severed finger, a junky's Christmas miracle and a Tangier con-artist, among others, feature in these hallucinogenic sketches and stories from the infamous Beat legend. Penguin Modern: fifty new books celebrating the pioneering spirit of the iconic Penguin Modern Classics series, with each one offering a concentrated hit of its contemporary, international flavour. Here are authors ranging from Kathy Acker to James Baldwin, Truman Capote to Stanislaw Lem and George Orwell to Shirley Jackson; essays radical and inspiring; poems moving and disturbing; stories surreal and fabulous; taking us from the deep South to modern Japan, New York's underground scene to the farthest reaches of outer space.

Giving the Finger Scott Campbell, Jim Ruland, 2014-04-02 Part documentary, part reality-television, the story of the Deadliest Catch's Alaskan crab fishermen risking their lives in the Bering Sea to make a buck and feed their families has captivated the world. Giving the Finger follows the life of the spirited young captain who has emerged as one of the most talked-about figures on the show, Scott Campbell Jr., who leads the crew of the Seabrooke. As this book--a prequel to Junior's ascent to fame--shows, the trials of crabbing are not limited to living at sea and working the most dangerous job on the planet, but carry over to family and friends, and are usually stormier than the Bering. Junior began his life as a fisherman in the shadow of his father, Scott Campbell Sr., and has struggled consistently to gain his own reputation as a captain. Arguably, one of the best fishermen working the waters today, Campbell Jr. has certainly done that, but not without sacrifice, of all sorts. Campbell has divorced and re-married the same woman three times, endured handicapping injuries and lost crew members to the icy waters of the north. Giving the Finger gives a first person account of these losses and the everyday fight for life and love, and shows that by hard work and perseverance, even a kid

from Walla Walla, Washington, can become a star.

Rings for the Finger George Frederick Kunz,1917

Rings for the Finger George Frederick Kunz,2015-12-07 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

A Finger in the Wound Diane M. Nelson,1999-04-01 Many Guatemalans speak of Mayan indigenous organizing as a finger in the wound. Diane Nelson explores the implications of this painfully graphic metaphor in her far-reaching study of the civil war and its aftermath. Why use a body metaphor? What body is wounded, and how does it react to apparent further torture? If this is the condition of the body politic, how do human bodies relate to it—those literally wounded in thirty-five years of war and those locked in the equivocal embrace of sexual conquest, domestic labor, mestizaje, and social change movements? Supported by three and a half years of fieldwork since 1985, Nelson addresses these questions—along with the jokes, ambivalences, and structures of desire

that surround them—in both concrete and theoretical terms. She explores the relations among Mayan cultural rights activists, ladino (nonindigenous) Guatemalans, the state as a site of struggle, and transnational forces including Nobel Peace Prizes, UN Conventions, neo-liberal economics, global TV, and gringo anthropologists. Along with indigenous claims and their effect on current attempts at reconstituting civilian authority after decades of military rule, Nelson investigates the notion of Quincentennial Guatemala, which has given focus to the overarching question of Mayan—and Guatemalan—identity. Her work draws from political economy, cultural studies, and psychoanalysis, and has special relevance to ongoing discussions of power, hegemony, and the production of subject positions, as well as gender issues and histories of violence as they relate to postcolonial nation-state formation.

The Finger of God Percival Wilde, 1922

The Finger Travel Game Hervé Tullet, 2015-09-21 Highly interactive book with die-cuts throughout that are ideal for developing visual awareness, creativity, and imagination. To play with this book, all you need is your finger. Take a pen, draw two eyes and a mouth, and there you are — your very own finger worm! Follow finger worm around the world and beyond - gazing at the Eiffel tower, skiing down snow-capped mountains, flying to outer space and more! Pop a finger through this fun, interactive book ideal for infants and toddlers and watch them travel around the world and beyond! Take a pen, draw two eyes and a mouth, and there you are - your very own finger worm! From the innovative children's author, Hervé Tullet, and part of the beloved Let's Play Games series of board books, The Finger Travel Game will expand a child's creativity, stimulating thought and imagination. Featuring thick board pages that are perfect for little hands to hold and turn. Encourages young ones to exercise fine motor skills in the context of humour and play. From the hand and mind

of Hervé Tullet, author of Press Here (over 1 million copies sold worldwide and a The New York Times bestseller for 3 years running). Part of the 'Let's Play Games' series, which offers a range of thought-provoking concepts, formats, and visuals for young children, and has sold more than 250,000 copies worldwide. The perfect gift for pre-school children.

Pointing the Finger Julian Petley, Robin Richardson, 2013-10-01 The only detailed examination of how the British media treat Muslims Uncovering endemic racism in the British Media Ever since 9/11, Muslims and Islam have dominated the headlines in the UK. In this important book, several leading media commentators examine the phenomenon of 'Islamophobia' and ask how we can tackle it. Charting recent media controversies, from the Archbishop of Canterbury's comments on Sharia law to the veil 'debate', the book argues that media hostility to Islam alienates Muslims and undermines efforts to combat extremism. With interviews from Muslim journalists and examples of press-fuelled myths about Islam in Britain, this is a captivating insight into how Muslims are depicted in the West.

The Finger of Suspicion Alan Gyles, 2020-05-15 When a dodgy business deal goes wrong, Graham Ferguson wakes up with no recollection of who he is, where he is or what has happened to him. Over the following years, his heartbroken wife and two daughters try to piece their lives back together without him, all the while wondering what could possibly have happened to Graham on that fateful day. Graham's life goes down some unfortunate paths before he is able to fully regain his memory and attempt to get back to his former life. Then, through a series of fortunate events, he regains contact with his family after ten long years. However, reuniting isn't as blissful as they had all imagined... This gripping novel will take you on an emotional ride with some unexpected twists and turns.

The Finger Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. Such is the essence of the book **The Finger**, a literary masterpiece that delves deep in to the significance of words and their impact on our lives. Written by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book is key themes, examine its writing style, and analyze its overall effect on readers.

The Finger Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Finger has

revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Finger has opened up a world of possibilities. Downloading The Finger provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows

for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Finger has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Finger. These websites range from academic databases offering research

papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Finger. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also

undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Finger, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to

download The Finger has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Finger Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-

based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Finger is one of the best book in our library for free trial. We provide copy of The Finger in digital format, so the resources that you find are

reliable. There are also many Ebooks of related with The Finger. Where to download The Finger online for free? Are you looking for The Finger PDF? This is definitely going to save you time and cash in something you should think about.
