

The Fitz Booodle Ebook

William Makepeace Thackeray

The Fitz-Boodle Papers William Makepeace Thackeray,2010-11-01 William Makepeace Thackeray is lauded for his razor-sharp wit in satirical novels such as Vanity Fair. In this epistolary collection, Thackeray channels his jocularly into a series of pompous letters touching on subjects as diverse as food, literary figures, romance, and general life advice. A must-read for fans of Thackeray's hilariously skewed view of the world.

The Fitz-Boodle Papers William Makepeace Thackeray,1904

The Fitz-Boodle Papers William Makepeace Thackeray,1911

The Fitz-Boodle Papers by William Makepeace Thackeray, Fiction, Literary William Makepeace Thackeray,2004 Beyond sparring and cricket, I do not recollect I learned anything useful at Slaughter-House School, where I was educated (according to an old family tradition, which sends particular generations of gentlemen to particular schools in the kingdom and such is the force of habit, that though I hate the place, I shall send my own son thither too).

The Fitz-Boodle Papers William Makepeace Thackeray,2018-08-07 The Fitz-Boodle Papers: Large Print By William Makepeace Thackeray Travelling some little time back in a wild part of Connemara, where I had been for fishing and seal-shooting, I had the good luck to get admission to

the chateau of a hospitable Irish gentleman, and to procure some news of my once dear Ottilia. Yes, of no other than Ottilia v. Schlippenschlopp, the Muse of Kalbsbraten-Pumpernickel, the friendly little town far away in Sachsenland, -where old Speck built the town pump, where Klingenspohr was slashed across the nose, -where Dorothea rolled over and over in that horrible waltz with Fitz-Boo-Psha!-away with the recollection; but wasn't it strange to get news of Ottilia in the wildest corner of Ireland, where I never should have thought to hear her gentle name? Walking on that very Urrisbeg Mountain under whose shadow I heard Ottilia's name, Mackay, the learned author of the Flora Patlandica, discovered the Mediterranean heath, -such a flower as I have often plucked on the sides of Vesuvius, and as Proserpine, no doubt, amused herself in gathering as she strayed in the fields of Enna. Here it is-the self-same flower, peering out at the Atlantic from Roundstone Bay; here, too, in this wild lonely place, nestles the fragrant memory of my Ottilia! We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
