Featured sights include the Queen Anne Hotel, one of the most haunted buildings in the area; the Atherton House; Cameron House in Chinatown; and of course, Alcatraz Prison. The Ghost Hunter's Guide Peter Underwood, 1986-11-17 What are the qualities which make an ideal ghost hunter? You need to be part detective, part investigative reporter, a scientist, with a measure of the psychologist thrown in... In this book, which is the first real guide to the hunting of ghosts, Peter Underwood manages to cover just about every aspect of this intriguing and mystifying subject. Starting from an explanation of the various kinds of ghosts, various kinds of hauntings and the many types of location in which ghosts, poltergeists and associated phenomena occur. He examines in detail methods of investigation, the use of specialist equipment, including a special section on the photography of ghosts, and the associated questionnaires and documentation needed in order to carry out a bona fide and exhaustive research into the haunting. At this point he takes the reader through a step-by-step investigation of a haunting, bringing in the above specialist equipment and paying particular attention to the singular problems associated with poltergeists. Then, having learned the lessons, he looks at aspects of ghost hunting in Britain, Europe, North America, Australasia and the Far East, ending up with a calendar of ghosts and their hauntings. The author's authority and

specialist knowledge in this subject makes *The Ghost Hunter's Guide* a unique and important book in the investigation of those phenomena which we cannot yet fully explain.

Ghost Hunter's Guide to Portland and the Oregon Coast Jeff

Dwyer, 2016-01-19 Ghosts and spirits abound in western Oregon. The imprints of pioneers, soldiers, prostitutes, and murder victims haunt the places they trod in life, searching for loved ones, reliving joyful times, protecting favorite haunts, and seeking revenge. This guide, history, and comprehensive how-to offers tantalizing information about the lives, deaths, and locales of the Portland area's lingering past. Areas include Central Portland, East Portland communities, Vancouver and North Portland, communities south of Portland, and Oregon's coastal communities. The infamous Shanghai Tunnels have long reverberated with the screams of kidnapped victims, doomed to a brief life of forced servitude. Lone Fir Cemetery is visited to this day by the spirits of the Chinese laborers, mental asylum inmates, and Civil War veterans who rest there. Thelma Taylor can sometimes be felt in Cathedral Park, under the St. John Bridge. Historical hotels still host the spirits of guests who died, sometimes by their own hand. Opera houses and ballrooms tell a happier story: the imprints left by decades of entertainment and energy can be felt even now. These sites, and many others, are vividly described, and entries include locations and contact information. Informative sections cover what a ghost is, how it can manifest, ideal ghost sighting conditions, and types of imprints. Techniques included are preliminary historical research, physical and mental preparation, and the two primary schools of ghost hunting: the technical and psychic methods. The technical method section covers equipment use and suggestions, and the psychic method section discusses using your intuition and sensitivity to sense

phenomena. Helpful appendixes include a sighting report form; suggested readings, videos, and websites; a list of tours and events; and a collection of area museums and historical societies.

Archives of a Ghost Hunter Craig Nehring, 2018-08-30 In our last two books Wisconsin's Most Haunted, Vol I & II, we investigated haunted places in Wisconsin. Now we take you out of state to investigate some of the very well-known haunted places like Villisca Axe Murder House, and the Most haunted place on the East Coast called St. Albans Sanatorium. We take you on an inside look with my team, Fox Valley Ghost Hunters and hear from various investigators about their experiences while investigating these haunted locations. We also show you that there is more to investigating, like the little mishaps along the way and what it's like to be a real ghost hunter. From the bottom of the Body Chute, in Waverly Hills we hear a girl's voice say, Oh God! Oh God! Something is standing right next to her our investigator, something she could not see. Would she stand her ground or run away. I am not afraid of the dark, I am not afraid of what's in the dark.--Back cover
