Oregon. Office of the Secretary of State

*The Governorator #1* David Hutchison,2010-03-01 Fear him now, understand him later! Bursting out of the pages of President Evil comes a machine sent back in time to terminate Gray Davis and become Governor of Kaleefornia. (Well, not really.) Because no puny specials about the President of the United States fighting zombies could be enough to contain the glorious, high-octane (but emissions-compliant) powerhouse that is the Governorator. Zombie hordes? Pah! When the President can deal with rolling blackouts, tree-hugging environmentalists, annual wildfires, Hollywood-based lobbyists AND zombie hordes, THEN maybe he'll start approaching the musclebound magnificence that is the Governorator! That Governorator is out there. It can't be bargained with, it can't be reasoned with, and it will not stop, ever...until his term is over.

**American Governor** Matt Katz, 2016-01-19 The ultimate insider to Chris Christie's 2016 presidential campaign delivers a definitive biography of the popular and controversial governor of New Jersey—including the true story behind the Bridgegate lane-closure scandal. Journalist Matt Katz has been covering Christie since 2011 and has seen firsthand how the governor appeals to the public through his tactics, rhetoric, and personality. In *American Governor*, Katz weaves a compelling on-the-ground political narrative that begins with the roots of his family's journey to America and takes us through his upset victory over Governor Jon Corzine and then along the road to his announcement of his candidacy for the highest office in the country. Packed with exclusive information, interviews, and anecdotes, *American Governor* illustrates how Christie evolved from an unpopular perennial candidate running for local office to the most watched Republican in the country, a populist with leadership skills, charm, and luck seemingly unparalleled by any other up-and-coming politician. Christie has proven himself a dynamic force of nature by emerging wounded but not unbowed after Bridgegate—a scandal that would have destroyed another politician's rising star. A political biography by an inside source who's been on the Chris Christie beat longer than any reporter in New Jersey, *American Governor* is a thrilling and absorbing look at the modern making of a man and a politician.
