

The Green Fairy Book

Andrew Lang

The Green Fairy Book Andrew Lang,1906

The Green Fairy Book Andrew Lang,2021-06-08 The Green Fairy Book is a notable addition to Andrew Lang’s collection of children’s literature with international stories that include both Chinese and Spanish fables. It’s a delightful selection of the genre’s most memorable tales. Originally published in 1892, Andrew Lang combines a premier collection of children’s stories for The Green Fairy Book. Similar to his previous entries, this version features tales that have been passed down from generation to generation. Some of them include “The Blue Bird,” “The Enchanted Watch,” Little One-Eye, Little Two-Eyes, And Little Three-Eyes,” as well as “The Three Little Pigs and “The Three Bears.” This is a vibrant retelling of classic fairy tales that continue to stand the test of time. Andrew Lang is best known for his impressive series of children’s fables. The Green Fairy Book helped solidify his place a master storyteller in the juvenile genre. His compelling prose and vivid imagery make this collection a standout amongst its peers. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Green Fairy Book is both modern and readable.

THE GREEN FAIRY BOOK Andrew Lang,2011-02 This was meant to be the third and last of Andrew Lang's Fairy Books of many colours. Fortunately for us it wasn't. First there was the Blue Fairy Book; then when Victorian children asked for more, the Red Fairy Book; and, when they wanted more still, the Green Fairy Book was put together. The stories in all the books are borrowed from many countries; France, Germany, Russia, Italy, Scotland, England and even one rare Chinese tale. However much these nations differ over policy and ideology, all their children agree to liking fairy tales. As we grow up, we dismiss or forget the fairy tales of our youth and the lessons they taught. But grandparents have long memories and the responsibility falls on them to tell them to their grandchildren: and when they, in their turn, become grandparents, they remember them, and tell them also. In this way these tales are older than reading and writing, far older than printing. The oldest fairy tales ever written down were written down in Egypt, in about Joseph's time, nearly three thousand six hundred years ago. Other fairy stories Homer knew, in Greece, nearly three thousand years ago, and he made them all up into a poem, the Odyssey, which all children should read some day. But here you will find an enchanted watch, the golden blackbird, Jorinde and Joringel, the shoes of swiftness, that were worn later by Jack the Giant-Killer and perennial favourites like the three little pigs. These fairy tales are the oldest stories in the world. They were first made by men, who were childlike, for their own amusement, and so they amuse children still. While these stories were made to amuse, they also teach goodness, unselfishness, courage and morals. 33% of the publisher's profit will be donated to charity.

The Green Fairy Book Andrew Lang,2020-02-25 “Andrew Lang and his associates managed to break the stranglehold of the pious sentimentality handed out to children by collecting—from all over the world—fairy tales of all people, and bringing out the volumes we all know and love.”—Kirkus Reviews The third installment of Andrew Lang's widely read classics, The Green Fairy Book has been admired time and time again, enchanting readers with its carefully crafted prose and eclectic assortment of fairy tales. Originally published in 1892, this collection of celebrated tales has stood the test of time. Some of the famous stories included are: •The Three Little Pigs •The Three Bears •The Blue Bird •The Magic Swan •The Enchanted Ring •The Twelve Huntsmen •And many more! This beautiful edition comes complete with the original illustrations by Golden Age Illustrator Henry J. Ford, and is the perfect gift to pass on these timeless classics to the next generation of readers and dreamers. The imaginations of children throughout time have been formed and nurtured by stories passed down from generation to generation. Of the countless genres of stories, fairy tales often conjure the most vivid fantastical worlds and ideas, which cultivate creativity and bring elements of magic back into the real world. The Fairy Books, compiled by famous Scottish novelist and poet Andrew Lang, are widely considered among some of the best collections ever compiled.

The Green Fairy Book Andrew Lang,2012 Perhaps the best and handsomest of these tales of wonder is The Green Fairy Book, edited by Andrew Lang. This is the third of Andrew Lang's stories of fairies, the blue book and the red book having preceded it. It is a volume of folklore. His stories are adapted from the tales of France, Germany, Russia, Italy, Scotland, England, and even China. It is enough to say that when such clever women as Madame d'Aulnoy and Mrs. Lang contribute to the book it must be really good. This book is fully illustrated and annotated with a rare extensive biographical sketch of the author, Andrew Lang, written by Sir Edmund Gosse, CB, a contemporary poet and writer. Contents: To The Friendly Reader The Blue Bird The Half-Chick Rosanella Sylvain And Jocosa Fairy Gifts The Three Little Pigs Heart Of Ice The Enchanted Ring The Snuff-Box The Magic Swan The Dirty Shepherdess The Enchanted Snake The Biter Bit King Kojata The Story Of Hok Lee And The Dwarfs Prince Vivien And The Princess Placida Jorinde And Joringel Allerleirauh; Or, The Many-Furred Creature The Twelve Huntsmen Spindle, Shuttle, And Needle The Crystal Coffin The Three Snake-Leaves Jack My Hedgehog The Story Of A Clever Tailor The Golden Mermaid The Three Dogs

The Green Fairy Book Andrew Lang,2017-08-22 Classic fairy tale by various and Andrew Lang. Fairy book for Children, Bedtime stories for your kid.

The Green Fairy Book Andrew Lang,2018-10-21

The Green Fairy Book Andrew Lang,2017-12-23 Andrew Lang's 12 Coloured Fairy Books are some of his best known works. In The Green Fairy Book, the third in the series, Lang has assembled stories from Spanish and Chinese traditions. In the Preface to this volume, Lang expressed the view that it would be probably the last of the collection. Their continuing popularity, however, demanded a further 9 collections.

[The Green Fairy Book Annotated](#) Andrew Lang,2021-02-08 The Green Fairy Book was the fourth of the series of Fairy Books by Andrew Lang.

The Green Fairy Book (Classic Reprint) Andrew Lang,2015-07-16 Excerpt from The Green Fairy Book Some of the stories were made not only to amuse, but to teach goodness. You see in the tales how the boy who is kind to beasts, and polite, and generous, and brave, always comes best through his trials, and no doubt these tales were meant to make their hearers kind, unselfish, courte ous', and courageous. This is the moral of them. But, after all, we think more as we read them of the diversion than of the lesson. There are grown-up people now who say that the stories are not good for children because they are not true, because there are no witches nor talking beasts, and because people are killed in them, especially wicked giants. But probably you who read the tales know very well how much is true and how much is only make believe, and I never yet heard of a child who killed a very tall man merely because Jack killed the giants, or who was unkind to his stepmother, if he had one, because in fairy tales the stepmother is often disagreeable. If there are frightful monsters in fairy tales they do not frighten you now, because that kind of monster is no longer going about the world, whatever he may have done long, long ago. He has been turned into stone, and you may see his remains in museums. Therefore I am not afraid that you will be afraid of the magicians and dragons; besides, you see that a really brave boy or girl was always their master, even in the height of their power. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Green Fairy Book Ed Andrew Lang,2023-11 The Green Fairy Book, written by Andrew Lang, is an enthralling addition to Lang's famed Coloured Fairy Books series. This collection features a wide range of amazing fairy tales from around the globe, all unified through their vibrant green cover and Lang's commitment to preserving and sharing these timeless stories. Lang curates a varied assortment of tales that have various different cultures in The Green Fairy Book, including narratives from France, Italy, and Japan. This collection transports readers to a world of magic, excitement, and wonder, complete with heroic quests, cunning tricksters, and legendary creatures. The tales contained in The Green Fairy Book are frequently concerned with universal themes like bravery, kindness, and the triumph of goodness over evil. His editing touch ensures that these legendary tales retain their true nature while appealing to readers of various backgrounds and generations.

The Fairy Green Rose Fyleman,1921

The Fairy Books of Many Colors Volume One Andrew Lang,2020-11-17 Four volumes in the influential series of folklore and fairy tales collected from many cultures—for children of all ages. In a time when fairy tales were dismissed, even condemned, by academics and critics, Andrew Lang and his wife, Leonora Blanche Alleyne, worked to compile a multitude of these stories—not only helping them gain great popularity among everyday readers but also changing the widespread perceptions of this kind of literature. This entertaining volume brings together four of Lang’s collections—The Blue Fairy Book, The Red Fairy Book, The Green Fairy Book, and The Yellow Fairy Book—totaling more than 150 stories.

The Green Fairy Book Andrew Lang,Ruth Finnegan,2012-12-31 Another fabulous Lang collection

The Green Fairy Book Andrew Lang,2018-04-28 This is the third, and probably the last, of the Fairy Books of many colours. First there was the Blue Fairy Book; then, children, you asked for more, and we made up the Red Fairy Book; and, when you wanted more still, the Green Fairy Book was put together. The stories in all the books are borrowed from many countries; some are French, some German, some Russian, some Italian, some Scottish, some English, one Chinese. However much these nations differ about trifles, they all agree in liking fairy tales. The reason, no doubt, is that men were much like children in their minds long ago, long, long ago, and so before they took to writing newspapers, and sermons, and novels, and long poems, they told each other stories, such as you read in the fairy books. They believed that witches could turn people into beasts, that beasts could speak, that magic rings could make their owners invisible, and all the other wonders in the stories. Then, as the world became grown-up, the fairy tales which were not written down would have been quite forgotten but that the old grannies remembered them, and told them to the little grandchildren: and when they, in their turn, became grannies, they remembered them, and told them also. In this way these tales are older than reading and writing, far older than printing. The oldest fairy tales ever written down were written down in Egypt, about Joseph's time, nearly three thousand five hundred years ago. Other fairy stories Homer knew, in Greece, nearly three thousand years ago, and he made them all up into a poem, the Odyssey, which I hope you will read some day. Here you will find the witch who turns men into swine, and the man who bores out the big foolish giant's eye, and the cap of darkness, and the shoes of swiftness, that were worn later by Jack the Giant-Killer. These fairy tales are the oldest stories in the world, and as they were first made by men who were childlike for their own amusement, so they amuse children still, and also grown-up people who have not forgotten how they once were children.

The Green Fairy Book Various,Andrew Lang,2019-06-10 This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

The Green Fairy Book Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Green Fairy Book has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Green Fairy Book has opened up a world of possibilities. Downloading The Green Fairy Book provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Green Fairy Book has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Green Fairy Book. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Green Fairy Book. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Green Fairy Book, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download The Green Fairy Book has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Green Fairy Book Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
