88 Keys Miles Chapin,2006 (Amadeus). More than 500 people are involved in the creation of just one of the world's greatest pianos, the Steinway. From the selection and aging of wood to the delicate voicing of the finished instrument, this special reissue of *88 Keys The Making of a Steinway Piano* relates the story behind the instrument's intricate formation, as told by Miles Chapin, a fifth-generation descendant of Steinway's founder, Henry Engelhard Steinway. Readers will learn about how the piano gets its trademark curve, the belly men who fit the metal harp to the wooden frame, the carvers who shape the piano's legs and pedal lyre, and the many other craftspeople who have perfected their specialized contributions to the finished product. They'll also get an insider's look into the company's history against a timeline of major worldwide music events, and into the roles of piano greats, including Anton Rubinstein and Sergei Rachmaninoff, in contributing to its prominence. A glossary of technical terms is included. For music lovers, aspiring musicians, and pianists everywhere.

Bank Manager and the Holy Grail Byron Rogers, 2005-07-15 Byron Rogers' Wales is not the

stereotypical nation of rugby heroes, eisteddfods and coal mining. His travels take him to an altogether stranger and more magical country. He pieces together the story of Kaiser Wilhelm's sojourn in a Welsh spa town before the Great War, and tours the Welsh waxwork museum largely populated with effigies of Prince Philip discarded by Madame Tussaud's. He also tells the true story of how a project to ensure the survival of the Welsh language came to involve the translation of pornographic novels, how Kurt Cobain proposed to Courtney Love in a nightclub in Newport, and above all how the Holy Grail came to be in the safe keeping of the manager of Lloyd's Bank in Aberystwyth. Byron Rogers' collections of travel pieces have become reliable sales and critical success, attracting acclaim from Miles Kingdon to Jeremy Paxman, and each volume reprinting several times. The Bank Manager and the Holy Grail – a Waterstone's 'Best of Welsh' promotion choice in hardback in early 2005 – continues that tradition.

The High History of the Holy Grail, 2005-11-01
Perceval smiteth his horse of his spurs and cometh to the first in such sort that he passeth his spear right through his body and beareth him to the ground dead. The other two knights each smote his man so that they wounded them in the body right sore. The other two would fain have fled, but Perceval preventeth them, and they gave themselves up prisoners for fear of death. Lady, saith he, see here the quittance for your knight that was slain, and the fifth also remaineth lying on the piece of ground shent in like manner as was your own. Fair son, saith she, I should have better

loved peace after another sort, and so it might be. Lady, saith he, Thus is it now. One ought to make war against the warrior, and be at peace with the peaceable. ==The tales of King Arthur and his knights have been enthralling readers for a millennium... and here is one of the oldest, set down on the page in the early 13th century in Old French by an unknown author and translated into English in 1898. Inspired by medieval Arthurian poet Chr tien De Troyes' unfinished Perceval, or the Knight of the Grail, this will delight lovers of medieval culture, British mythology, and high romance. British poet and medievalist SEBASTIAN EVANS (1830-1909) also wrote Brother Fabian's Manuscripts.

The Holy Grail Richard Barber, 2004-12-02 The Holy Grail is an image familiar to us all as an almost unattainable, infinitely desirable goal. The idea has passed into everyday speech and the legends behind it are as current in today's culture as they have ever been. And yet the Grail has no real religious meaning and is nowhere mentioned in the Bible. What is the truth behind this elusive symbol? Here, Barber traces the history of the stories surrounding the Holy Grail. He describes how through a long series of imaginative transformations, the grail has moved from the sphere of romance to religion, and in twentieth century popular culture has become an emblem of mysticism and man's highest aspirations, intimately linked with the central ritual of the Christian faith. The search for the grail has always been described as a quest; in this book, Barber goes on his own quest, brilliantly

exploring the richness of the Holy Grail's cultural impact. Barber traces the history of legends surrounding the Holy Grail, from Chretien de Troyes' great romances to the popular bestsellers of the late twentieth century.

Gestalt Process Writing to C Tine van Wijk,
Gestalt Process Writing to C is about the longing to communicate and connect with teachers, colleagues, clients, students, and loved ones. The moment I started my Gestalt training, I started Process Writing, though I didn't know this was what I was doing. Gestalt opened a source, a stream of energy that connected me with the wisdom that had been waiting there all the time. I just didn't know how to reach it. Gestalt not only taught me how to reach this wisdom, but showed me how to express and contain it. No matter what I did, leading writing groups, teaching creative Gestalt in workshops, attending international conferences, exploring the Jewish Renewal World, I always had my notebook with me to connect with my thoughts, feelings, ideas, frustrations, longings. Me and my notebook cannot be separated, as we are One. In this book you will find the most interesting results of my Process Writing, which began in 1984, when I started my Gestalt training

program. You will find a complete Gestalt Process Writing to C Program to explore and write your own life story, to find your own answers to such existential questions as: Who am I? Where do I come from? Am I free to speak?
