The House on Mango Street Sandra Cisneros, 2013-04-30 NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review *The House on Mango Street* is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting. Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros’s masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis’s *Main Street* or Toni Morrison’s *Sula*, it makes a world through people and their voices, and it

does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one's story and of being proud of where you're from.

His homeschooling has taught him much-but he's learned little about girls, junk food, or loud, angry music. Then fate casts Sebastian out of the dome, and he finds a different kind of tutor in Jared Whitcomb: a chain-smoking sixteen-year-old heart transplant recipient who teaches him the ways of rebellion. Together they form a punk band and plan to take the local church talent show by storm. But when his grandmother calls him back to the futurist life she has planned for him, he must decide whether to answer the call-or start a future of his own.

Back of the House Scott Haas, 2013-02-05 Food writer and clinical psychologist Scott Haas wanted to know what went on inside the mind of a top chef—and what kind of emotional dynamics drove the fast-paced, intense interactions inside a great restaurant. To capture all the heat and hunger, he spent eighteen months immersed in the kitchen of James Beard Award-winner Tony Maws' restaurant, Craigie on Main, in Boston. He became part of the family, experiencing the drama first-hand. Here, Haas exposes the inner life of a chef, what it takes to make food people crave, and how to achieve greatness in a world that demands more than passion and a sharp set of knives. A lens into what motivates and inspires all chefs—including Thomas Keller, Andrew Carmellini, whose stories are also shared here—*Back of the House* will change the way you think about food—and about the complicated people who cook it and serve it.

House Tracy Kidder, 1999-10-15 The Pulitzer Prize-winning author brings “clarity, intelligence and

grace” to the tale of building a home in this New York Times Bestseller (The New York Times Book Review). It’s 1983 and Jonathan and Judith Souweine are ready to build their forever home on a four-acre lot just outside of Amherst, Massachusetts. A lawyer and a psychologist, neither has much experience with the process. In this New York Times bestseller, Tracy Kidder leads readers through the grand adventure of building the American dream. In his portrayal, constructing a staircase or applying a coat of paint becomes a riveting tale of conflicting wills, the strength and strain of relationships, and pride in craftsmanship. With drama, sensitivity, and insight, the Pulitzer Prize-winning author of *The Soul of the New Machine* takes us from blueprints to moving day. In the process, he sheds new light on objects usually taken for granted and creates a vivid cast of characters you will not soon forget. “Tracy Kidder has done it again. . . . What might seem like ordinary work takes on an extraordinary, unpredictable life of its own. The subject is fascinating, the book a remarkable piece of craftsmanship in itself.” —Chicago Tribune Book World “Kidder makes us feel with a splendid intensity the complex web of relationships and emotions that inevitably comes into play in the act of bringing a work of architecture to fruition.” —The New York Times Book Review

House of Leaves Mark Z. Danielewski, 2000-03-07 “A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious.” —The New York Times Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a

way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

The New Neighbors Simon Lelic, 2018-04-10 The Girl Before meets The Couple Next Door in a Hitchcockian thriller about a couple who moves into their dream neighborhood only to discover nothing is as it seems... The perfect couple. The perfect house. The perfect crime. Londoners Jack and Syd found their dream home: lots of space, a great location, and a friendly owner who wanted a young couple to have it. Everything is exactly what they hoped for when they move in--except Jack makes a disturbing discovery in the attic, and Syd begins to wonder about the girl next door. And they each keep the other in the dark. A mistake. Because someone has just been killed outside their back door, and now the police are watching them. This is their chance to prove they're innocent--or to get away with murder. Whose story do you believe?

The House I Loved Tatiana de Rosnay, 2012-02-14 From the New York Times bestselling author of Sarah's Key and A Secret Kept comes an absorbing new novel about one woman's resistance during an époque that shook Paris to its very core. Paris, France: 1860's. Hundreds of houses are being razed, whole neighborhoods reduced to ashes. By order of Emperor Napoleon III, Baron Haussman has

set into motion a series of large-scale renovations that will permanently alter the face of old Paris, moulding it into a modern city. The reforms will erase generations of history—but in the midst of the tumult, one woman will take a stand. Rose Bazelet is determined to fight against the destruction of her family home until the very end; as others flee, she stakes her claim in the basement of the old house on rue Childebert, ignoring the sounds of change that come closer and closer each day. Attempting to overcome the loneliness of her daily life, she begins to write letters to Armand, her beloved late husband. And as she delves into the ritual of remembering, Rose is forced to come to terms with a secret that has been buried deep in her heart for thirty years. Tatiana de Rosnay's *The House I Loved* is both a poignant story of one woman's indelible strength, and an ode to Paris, where houses harbor the joys and sorrows of their inhabitants, and secrets endure in the very walls...

The House that Pinterest Built Diane Keaton, 2017-10-10 At once a style guide, an inspirational tome, and a how-to volume on creating one's home, this book will serve as a go-to reference for all those seeking to spur their own creativity as they embark on the creation of home. When Diane Keaton decided that she wanted to build her own home from the ground up, she took the advice of her dear friend, film director Nancy Meyers, and took to the boards of Pinterest to find inspiration. There she discovered the practical and the fantastical, elements and styles long adored and ones that she never knew she was drawn to. Keaton's dream house was officially under way and this book that resulted is a compelling account of her that house, from idea to realization in brick, stone, and wood. *The House that Pinterest Built* defines what home and house mean to the celebrated movie star, who is known for her love affair with houses and design. Filled with ideas that reveal a personal yet engaging aesthetic, this volume includes compelling photos from Keaton's past homes and those she admires, as well as a multitude of details from every corner of those spaces and

objects that excite and inspire the house designer and dreamer—dramatic staircases and magical light fixtures, film stills and book covers, pottery and art—drawn from the visual treasure trove known as Pinterest and Keaton’s private collection, as she creates and designs her newest house. Rich imagery is accompanied by Keaton’s ideas for selecting furniture, kitchen layout, and bedroom design; she talks about the importance of lighting in the bathroom and why the living room needs to be reimagined. Beyond the interior, she explores curb appeal and environmental sensitivity, always with an eye to making home the way it should be—a place of tranquility, a place where one is restored and where one returns to dream again and again. The book culminates in the dream realized, the house she has imagined, designed, and made, now shared with the world for the first time in all-new photography. “If you want to explore. If you love to see. If you’re looking to look; this book is an example of a home made from the gifts of other people’s addictive yearnings for the perfect home, with the perfect landscape and the perfect interior. It illustrates my choices of your choices. Who knows, you might find one of your pins here. You might smile. You might shake your head and say, ‘This isn’t what I had in mind.’ You might think: ‘Hey that’s my kitchen. She copied my kitchen.’ But the truth is, as much as I tried, I could never entirely recreate the light filled photograph of a kitchen that led the way to the journey that brought me here. No one can.” – Diane Keaton

The House of Twenty Thousand Books Sasha Abramsky, 2017-03-28 A tender and compelling memoir of the author's grandparents, their literary salon, and a way of life that is no more. The House of Twenty Thousand Books is the story of Chimen Abramsky, an extraordinary polymath and bibliophile who amassed a vast collection of socialist literature and Jewish history. For more than fifty years Chimen and his wife, Miriam, hosted epic gatherings in their house of books that brought together many of the age’s greatest thinkers. The atheist son of one of the century’s most important

rabbis, Chimen was born in 1916 near Minsk, spent his early teenage years in Moscow while his father served time in a Siberian labor camp for religious proselytizing, and then immigrated to London, where he discovered the writings of Karl Marx and became involved in left-wing politics. He briefly attended the newly established Hebrew University in Jerusalem, until World War II interrupted his studies. Back in England, he married, and for many years he and Miriam ran a respected Jewish bookshop in London's East End. When the Nazis invaded Russia in June 1941, Chimen joined the Communist Party, becoming a leading figure in the party's National Jewish Committee. He remained a member until 1958, when, shockingly late in the day, he finally acknowledged the atrocities committed by Stalin. In middle age, Chimen reinvented himself once more, this time as a liberal thinker, humanist, professor, and manuscripts' expert for Sotheby's auction house. Journalist Sasha Abramsky re-creates here a lost world, bringing to life the people, the books, and the ideas that filled his grandparents' house, from gatherings that included Eric Hobsbawm and Isaiah Berlin to books with Marx's handwritten notes, William Morris manuscripts and woodcuts, an early sixteenth-century Bomberg Bible, and a first edition of Descartes's *Meditations*. The *House of Twenty Thousand Books* is a wondrous journey through our times, from the vanished worlds of Eastern European Jewry to the cacophonous politics of modernity. The *House of Twenty Thousand Books* includes 43 photos.

The House of Broken Angels Luis Alberto Urrea, 2018-03-06 In this raucous, moving, and necessary story by a Pulitzer Prize finalist (San Francisco Chronicle), the De La Cruzes, a family on the Mexican-American border, celebrate two of their most beloved relatives during a joyous and bittersweet weekend. All we do, mija, is love. Love is the answer. Nothing stops it. Not borders. Not death. In his final days, beloved and ailing patriarch Miguel Angel de La Cruz, affectionately called Big Angel, has summoned his entire clan for one last legendary birthday party. But as the party approaches, his mother, nearly one hundred, dies, transforming the weekend into a farewell doubleheader. Among the guests is Big Angel's half brother, known as Little Angel, who must reckon

with the truth that although he shares a father with his siblings, he has not, as a half gringo, shared a life. Across two bittersweet days in their San Diego neighborhood, the revelers mingle among the palm trees and cacti, celebrating the lives of Big Angel and his mother, and recounting the many inspiring tales that have passed into family lore, the acts both ordinary and heroic that brought these citizens to a fraught and sublime country and allowed them to flourish in the land they have come to call home.
