

The Ifs Of History Book

Joseph Edgar Chamberlin

The Ifs of History Joseph Edgar Chamberlin,1907

The Ifs of History Chamberlin Joseph Edgar,2016-06-23 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Ifs of History Joseph Edgar Chamberlin,1907

The Ifs of History Joseph Edgar Chamberlin,2012-01-21 Whether or not we believe that events are consciously ordered before their occurrence, we are compelled to admit the importance of Contingency in human affairs. If we believe in such an orderly and predetermined arrangement, the small circumstance upon which a great event may hinge becomes, in our view, but the instrumentality by means of which the great plan is operated. It by no means sets aside the vital influence of chance to assume that all chance is but direction which we cannot see. For instance, the believer in special providences regards as clearly providential the flight of the flocks of birds which diverted the course of Columbus from our shores to those of the West Indies; but it is none the less true that this trivial circumstance caused the great navigator to turn his prow. Those who, on the other hand, reject the idea of special providences, and treat history as a sequence of occurrences emerging mechanically from the relations of men with one another, must admit that causes forever contend with causes, and that the nice balance of action and reaction may sometimes be influenced radically by even so small a circumstance as the cackling of the geese of Rome. It is true that the evolutionist is apt to become a believer in necessity to an extent which appears unlikely to the mind of the other. Events, in his view, inhere in the nature and character of men, these in their turn being the result of the physical circumstances that differentiate the nations. This view seems at first to reduce the probability that accident will at any time sensibly alter the course of affairs.

THE IFS OF HISTORY JOSEPH EDGAR CHAMBERLIN,2011-04-01 Whether or not we believe that events are consciously ordered before their occurrence, we are compelled to admit the importance of Contingency in human affairs. If we believe in such an orderly and predetermined arrangement, the small circumstance upon which a great event may hinge becomes, in our view, but the instrumentality by means of which the great plan is operated. It by no means sets aside the vital influence of chance to assume that all chance is but direction which we cannot see. For instance, the believer in special providences regards as clearly providential[Pg viii] the flight of the flocks of birds which diverted the course of Columbus from our shores to those of the West Indies; but it is none the less true that this trivial circumstance caused the great navigator to turn his prow. Those who, on the other hand, reject the idea of special providences, and treat history as a sequence of occurrences emerging mechanically from the relations of men with one another, must admit that causes forever contend with causes, and that the nice balance of action and reaction may sometimes be influenced radically by even so small a circumstance as the

cackling of the geese of Rome. It is true that the evolutionist is apt to become a believer in necessity to an extent which appears unlikely to the mind of the other. Events, in his view, inhere in the nature and character of men, these in their turn being the result of the physical circumstances that differentiate the nations.[Pg ix] This view seems at first to reduce the probability that accident will at any time sensibly alter the course of affairs. But if we take historical action and reaction at their moments of equilibrium, we see that the tide of affairs may sometimes appear to follow the drift of a feather. Consider, for instance, the declaration of the Duke of Wellington that the issue of the battle of Waterloo turned upon the closing of the gates of Hugomont Castle by the hand of one man. Wellington was certainly in a position to know if this was true; and in the light of the tremendous events that depended upon the trifling act, does it not appear that accident for one moment outweighed in consequence any necessity that inhered in the character of the French people or that of the nations arrayed against them at Waterloo? It may be the function of Contingency to correct the overconfidence of the evolutionist.

What Ifs? Of American History Robert Cowley, 2004-09-07 Did Eisenhower avoid a showdown with Stalin by not taking Berlin before the Soviets? What might have happened if JFK hadn't been assassinated? This new volume in the widely praised series presents fascinating what if... scenarios by such prominent historians as: Robert Dallek, Caleb Carr, Antony Beevor, John Lukacs, Jay Winick, Thomas Fleming, Tom Wicker, Theodore Rabb, Victor David Hansen, Cecelia Holland, Andrew Roberts, Ted Morgan, George Feifer, Robert L. O'Connell, Lawrence Malkin, and John F. Stacks. Included are two essential bonus essays reprinted from the original New York Times bestseller *What If?*—David McCullough imagines Washington's disastrous defeat at the Battle of Long Island, and James McPherson envisions Lee's successful invasion of the North in 1862.

What Might Have Been Andrew Roberts, 2005

What Ifs? of American History Robert Cowley, 2004-09-07 Did Eisenhower avoid a showdown with Stalin by not taking Berlin before the Soviets? What might have happened if JFK hadn't been assassinated? This new volume in the widely praised series presents fascinating what if... scenarios by such prominent historians as: Robert Dallek, Caleb Carr, Antony Beevor, John Lukacs, Jay Winick, Thomas Fleming, Tom Wicker, Theodore Rabb, Victor David Hansen, Cecelia Holland, Andrew Roberts, Ted Morgan, George Feifer, Robert L. O'Connell, Lawrence Malkin, and John F. Stacks. Included are two essential bonus essays reprinted from the original New York Times bestseller *What If?*—David McCullough imagines Washington's disastrous defeat at the Battle of Long Island, and James McPherson envisions Lee's successful invasion of the North in 1862.

The Great “What Ifs” of the American Civil War Chris Mackowski, Brian Matthew Jordan, 2022-01-04 “Thought-provoking and entertaining . . . What if Lincoln had dodged the assassin’s bullet? What if Lee had waged guerrilla warfare in April 1865?” —Gordon C. Rhea, author of the Overland Campaign series “What if. . . ?” Every Civil War armchair general asks the question. Possibilities unfold. Disappointments vanish. Imaginations soar. More questions arise. “What if . . .” can be more than an exercise in wistful fantasy. A serious inquiry sparks rigorous exploration, demands critical thinking, and unlocks important insights. The Great “What Ifs” of the

American Civil War: Historians Tackle the Conflict's Most Intriguing Possibilities is a collection of fourteen essays by the historians at Emerging Civil War, and includes a Foreword by acclaimed alternate history writer Peter G. Tsouras. Each entry focuses on one of the most important events of the war and unpacks the options of the moment. To understand what happened, we must look with a clear and objective eye at what could have happened, with the full multitude of choices before us. "What if" is a tool for illumination. These essays also explode the assumptions people make when they ask "what if" and then jump to wishful conclusions. This collection offers not alternate histories or counterfactual scenarios, but an invitation to ask, to learn, and to wonder . . . "A lively and engaging examination of those perennial 'second guesses' no student of the war fails to appreciate. No 'pie in the sky' here—each exploration is firmly rooted in fact, with a keen appreciation of context, providing provocative insight without sacrificing history." —David A. Powell, author of the award-winning series The Chickamauga Campaign

What If Cole Roberts, 2015-11-24 What if Christianity is simple? When Jesus gave his first public address, he said, "I have come to fulfill the law and the prophets and to set the captives free." When a contract is fulfilled, it is completed and is no longer in effect. Religion is a form of bondage that enslaves its adherents to a set of rules that constitute sin. It portrays the image of a God who acts as a judge. In one hand he has a legal pad and pen and in the other a club. When sufficient sins have been committed, the club is used on the sinner. Jesus died on the cross to fulfill the need for justice and came to earth to show that God is not the ogre with a club but a loving father with outstretched arms wanting to hug his children. He sent to us the Holy Spirit so we might have the heart and mind of Christ and be empowered to live a life free from the bondage of sin and religion. This book shows the reader how to do that and points out the stumbling blocks that may interfere. It enables the reader to see the simplicity of Christianity and understand why it should surpass religion in our lives.

Upon Further Review Mike Pesca, 2018-05-15 From Mike Pesca, host of the popular Slate podcast The Gist, comes the greatest sports minds imagining how the world would change if a play, trade, injury, or referee's call had just gone the other way. Intriguing...thought provoking...delightful. --The Washington Post No announcer ever proclaimed: Up Rises Frazier! Havlicek commits the foul, trying to steal the ball! or The Giants Lose the Pennant, The Giants Lose The Pennant! Such moments are indelibly etched upon the mind of every sports fan. Or rather, they would be, had they happened. Sports are notoriously games of inches, and when we conjure the thought of certain athletes - like Bill Buckner or Scott Norwood - we can't help but apply a mental tape measure to the highlight reels of our minds. Players, coaches, and of course fans, obsess on the play when they ask, What if? Upon Further Review is the first book to answer that question. Upon Further Review is a book of counterfactual sporting scenarios. In its pages the reader will find expertly reported histories, where one small event is flipped on its head, and the resulting ripples are carefully documented, the likes of... What if the U.S. Boycotted Hitler's Olympics? What if Bobby Riggs beat Billie Jean King? What if Bucky Dent popped out at the foot of the Green

Monster? What if Drew Bledsoe never got hurt? Upon Further Review takes classic arguments conducted over pints in a pub and places them in the hands of dozens of writers, athletes, and historians. From turning points that every sports fan rues or celebrates, to the forgotten would-be inflection points that defined sports, Upon Further Review answers age old questions, and settles the score, even if the score bounced off the crossbar.

The Collected What If? Caleb Carr, 2001 Historians and philosophers alike have pondered the crucial turning points of history--the events that forever altered the course of civilization and set the stage for the world in which we live today. In these essays, some of the most respected minds of our time ask the question What if...: Pontius Pilate hadn't ordered Jesus Christ's crucifixion? Abraham Lincoln hadn't abolished slavery? A Confederate aide hadn't accidentally lost General Robert E. Lee's plans for invading the North? The Allied invasion of D Day had failed? Pope Pius XII had spoken out against the Holocaust? The Mongols had succeeded in conquering Europe?--Back cover.

What Ifs of Jewish History Gavriel D. Rosenfeld, 2016-09-08 Counterfactual history of the Jewish past inviting readers to explore how the course of Jewish history might have been different.

What Might Have Been Andrew Roberts, 2005 A dozen star historians on what might have happened at history's turning points if the dice had fallen differently. Throughout history, great and terrible events have often hinged upon luck. Andrew Roberts has asked a team of twelve leading historians and biographers what might have happened if major world events had gone differently? Each concentrating in the area in which they are a leading authority, historians as distinguished as Antonia Fraser (Gunpowder Plot), Norman Stone (Sarajevo 1914) and Anne Somerset (the Spanish Armada) consider: What if? Robert Cowley demonstrates how nearly Britain won the American war of independence. In her first publication since her acclaimed *GEORGIANA*, Amanda Foreman muses on Lincoln's Northern States of America and Lord Palmerston's Great Britain going to war, as they so nearly did in 1861. Whether it's Stalin fleeing Moscow in 1941 (Simon Sebag Montefiore), or Napoleon not being forced to retreat from it in 1812 (Adam Zamoyski), the events covered here are important, world-changing ones.

American History Revised Seymour Morris, Jr., 2010-04-06 "American History Revised is as informative as it is entertaining and humorous. Filled with irony, surprises, and long-hidden secrets, the book does more than revise American history, it reinvents it."—James Bamford, bestselling author of *The Puzzle Palace*, *Body of Secrets*, and *The Shadow Factory* This spirited reexamination of American history delves into our past to expose hundreds of startling facts that never made it into the textbooks, and highlights how little-known people and events played surprisingly influential roles in the great American story. We tend to think of history as settled, set in stone, but *American History Revised* reveals a past that is filled with ironies, surprises, and misconceptions. Living abroad for twelve years gave author Seymour Morris Jr. the opportunity to view his country as an outsider and compelled him to examine American history from a fresh perspective. As Morris colorfully illustrates through the 200 historical vignettes that make up this book, much of our nation's past is quite different—and far more remarkable—than we thought. We discover that:

- In the 1950s Ford was approached by two Japanese companies begging

for a joint venture. Ford declined their offers, calling them makers of "tin cars." The two companies were Toyota and Nissan. • Eleanor Roosevelt and most women's groups opposed the Equal Rights Amendment forbidding gender discrimination. • The two generals who ended the Civil War weren't Grant and Lee. • The #1 bestselling American book of all time was written in one day. • The Dutch made a bad investment buying Manhattan for \$24. • Two young girls aimed someday to become First Lady—and succeeded. • Three times, a private financier saved the United States from bankruptcy. Organized into ten thematic chapters, *American History Revised* plumbs American history's numerous inconsistencies, twists, and turns to make it come alive again.

Almost History Roger Bruns, 2000-10-04 Collects speeches, memos, and other documents written for the possibility of failure in wars and foreign relations throughout American history, left unsaid and unpublished due to turn of events and sudden changes.

Underground Airlines Ben H. Winters, 2016-07-05 The bestselling book that asks the question: what would present-day America look like if the Civil War never happened? A New York Times bestseller; a Goodreads Choice finalist; named one of the Best Books of the Year by NPR, Slate, Publishers Weekly, Hudson Bookseller, St. Louis Post-Dispatch, Kirkus Reviews, AudioFile Magazine, and Amazon A young black man calling himself Victor has struck a bargain with federal law enforcement, working as a bounty hunter for the US Marshall Service in exchange for his freedom. He's got plenty of work. In this version of America, slavery continues in four states called the Hard Four. On the trail of a runaway known as Jackdaw, Victor arrives in Indianapolis knowing that something isn't right -- with the case file, with his work, and with the country itself. As he works to infiltrate the local cell of a abolitionist movement called the Underground Airlines, tracking Jackdaw through the back rooms of churches, empty parking garages, hotels, and medical offices, Victor believes he's hot on the trail. But his strange, increasingly uncanny pursuit is complicated by a boss who won't reveal the extraordinary stakes of Jackdaw's case, as well as by a heartbreaking young woman and her child -- who may be Victor's salvation. Victor believes himself to be a good man doing bad work, unwilling to give up the freedom he has worked so hard to earn. But in pursuing Jackdaw, Victor discovers secrets at the core of the country's arrangement with the Hard Four, secrets the government will preserve at any cost. *Underground Airlines* is a ground-breaking novel, a wickedly imaginative thriller, and a story of an America that is more like our own than we'd like to believe.

What If? II Robert Cowley, 2002-10-01 What if Lincoln didn't abolish slavery? What if an assassin succeeded in killing FDR in 1933? This volume presents 25 intriguing what if... scenarios by some of today's greatest historical minds—including James Bradley, Caleb Carr, James Chace, Theodore F. Cook, Jr., Carlos M.N. Eire, George Feifer, Thomas Fleming, Richard B. Frank, Victor Davis Hanson, Cecelia Holland, Alistair Horne, David Kahn, Robert Katz, John Lukacs, William H. McNeill, Lance Morrow, Williamson Murray, Josiah Ober, Robert L. O'Connell, Geoffrey Parker, Theodore K. Rabb, Andrew Roberts, Roger Spiller, Geoffrey C. Ward, and Tom Wicker.

1944 Jay Winik, 2015-09-22 Chronicles the events of 1944 to reveal how nearly the Allies lost World War II, citing the pivotal contributions of FDR, Churchill, and Stalin, --Novelist.

The Whatifs Emily Kilgore, 2021-09 Cora is constantly worrying about everything. Because of this, the Whatifs love her. They sneak up to her and give her all kinds of doubts: big or small, silly or frightening, likely or impossible. What if my dog runs away? What if I forget my homework? What if the sun stops shining? What if my crayon breaks? As Cora prepares for an upcoming piano recital, the Whatifs cling on tighter and drag her down, making her anxious about messing up during the concert. Will she be able to change her worry-filled thoughts into hopeful ones? Find out in this timely picture book about overcoming anxiety.

Embracing the Tune of Term: An Psychological Symphony within **The Ifs Of History Book**

In some sort of consumed by screens and the ceaseless chatter of instantaneous transmission, the melodic beauty and emotional symphony created by the written term often fade into the backdrop, eclipsed by the constant noise and disruptions that permeate our lives. But, nestled within the pages of **The Ifs Of History Book** a marvelous literary value full of fresh emotions, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, this fascinating masterpiece conducts visitors on an emotional journey, skillfully unraveling the concealed tunes and profound affect resonating within each cautiously constructed phrase. Within the depths of the emotional examination, we will investigate the book is key harmonies, analyze their enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

The Ifs Of History Book Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes

be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Ifs Of History Book free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making

it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Ifs Of History Book free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter

results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Ifs Of History Book free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Ifs Of History Book. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Ifs Of History Book any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Ifs Of History Book Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader?

Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning

experience. The Ifs Of History Book is one of the best book in our library for free trial. We provide copy of The Ifs Of History Book in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Ifs Of History Book. Where to download The Ifs Of History Book online for free? Are you looking for The Ifs Of History Book PDF? This is definitely going to save you time and cash in something you should think about.
