Louis Ginzberg

The Legends Of The Jews Vol. 3 Louis Ginzberg,2023-12 Louis Ginzberg's The Legends of the Jews - Vol. 3 is a thorough and influential study.

Some stories are brutal and weird, while others creep up on you and draw you in slowly. Because the title character is so indulgent, readers are forced to keep reading to find out what happens next. This historical book is a wonderful compilation of concepts that have been condensed into a single draft for readers of all ages to read. This multi-volume series contains a plethora of Jewish folklore, myths, and stories spanning the centuries from the beginning of recorded history to the conclusion of the biblical era. Vol. 3, Bible Times and Characters from Creation to Jacob, goes into the oldest stories in the Hebrew Bible. This edition of The Legends of the Jews - Vol. 3 is both current and legible, with an eye-catching new cover and professionally typeset copy. Ginzberg meticulously weaves together a diverse range of materials, including Talmudic and Midrashic literature, to recreate and build on Old Testament episodes. His literature provides readers with a strong understanding of the cultural and religious roots of Jewish traditions, as well as insights into the moral, ethical, and theological components of these stories.

The Legends of the Jews Louis Ginzberg,1998 Never Before Available in Paperback, Louis Ginzberg's landmark seven-volume The Legends of the Jews assembles the many elaborations and embellishments of Biblical stories that flourished in the centuries following the Bible's own creation. Ginzberg devoted most of his life to gathering these legends from their original sources - written in Hebrew, Greek, Latin, Syrian, Aramaic, Ethiopic, Arabic, Persian, and Old Slavic - and reproducing them completely, accurately, and vividly. He presents them in their traditional Biblical sequence and reconciles the sometimes contradictory versions of the same stories found in different sources. In addition to four volumes of the legends themselves, The Legends of the Jews includes two indispensable volumes of notes, which provide the sources for every legend, as well as a comprehensive index to the people, places, and motifs found in the legends and their sources.

The Legends of the Jews Louis Ginzberg,2006-09 To this day Legends of the Jews remains a most remarkable and comprehensive compilation of stories connected to the Hebrew Bible. It is an indispensable reference on that body of literature known as Midrash, the imaginative retelling and elaboration on Bible stories in which mythological tales about demons and magic coexist with moralistic stories about the piety of the patriarchs. Legends is the first book to which one turns to learn about the postbiblical understanding of the biblical episode, or to discover the source for biblical legends that cannot be traced directly to the Bible. It is also the place to find answers to such questions as the date of Abraham's birth; what was Moses physical appearance; and what was the name of Potiphar's wife.

The Legends of the Jews Louis Ginsberg,2015-11-30 When Israel went out of Egypt, the house of Jacob from a People of strange language, Jacob was His sanctuary and Israel His dominion. Jewish legend attempts to describe how God's sanctuary, the religion of Israel and His dominion, the beginnings of Israel as a nation, arose in the time between the Exodus from Egypt and the entrance into the Holy Land.
